

# Mayor Jay Tibshraeny's Neighborhood Excellence Awards Application

## NOMINATION

- Whenever we have a new neighbor move in we go introduce ourselves and give them a welcome packet with local attractions and coupons for area retailers and restaurants.
- Invite them to join **Nextdoor.com** as a way to stay connected to happenings in the neighborhood
- Inform them of the **Whispering Heights Neighborhood Facebook** page
- Invite neighbors to participate in monthly Bunco games
- We host an annual Halloween Block Party and Easter Egg Hunt for the neighborhood
- Host movie in the park once or twice a year
- Awards for Christmas lights and best spring lawn. Winners receive gift cards.
- Host Neighborhood Watch meetings twice a year at the park and provide food and drink while we listen to law enforcement and learn ways to protect our homes and identities
- Participate in annual GAIN event
- Encourage neighborhood women to participate in the free R.A.D. program offered by the Chandler Police Department
- Inform neighbors whenever we hear of something crime related in the area
- Patrol our neighborhood at night looking for open garages and security gates and during the day to see if there is anyone suspicious in our neighborhood.
- Had our neighborhood Boy Scout troupe install flagpoles at both entrances to our neighborhood so we can celebrate our patriotism!

Those are just a few of the things that set us apart from other neighborhoods in the area. Our participation in last year's GAIN event was great because we were able to coordinate it with our annual Halloween party so the kids had a lot of fun and we offered refreshments for neighbors and officers. What made our event special is the neighborhood participation and that of the officers, which we truly appreciate! The officers were very informative and answered all the questions from the kids and adults and McGruff was a big hit with the kids and everyone had a great time!! Please see the attached photos.
