5. SUBJECT: Award a contract to Salt River Project for the relocation of the irrigation system for the Germann Road (Dobson Road to Arizona Avenue) Improvement Project, Project No. ST0605-306, in an amount not to exceed \$114,395.

6. RECOMMENDATION: Staff recommends that Council award a contract to Salt River Project for the relocation of the irrigation system for the Germann Road (Dobson Road to Arizona Avenue) Improvement Project, Project No. ST0605-306, in an amount not to exceed \$114,395.

7. BACKGROUND/DISCUSSION: Salt River Project will incur costs to relocate the irrigation system to accommodate the Germann Road (Dobson Road to Arizona Avenue) Improvements. Since Salt River Project has prior rights, the City is required to reimburse Salt River Project for all associated costs to relocate their irrigation system. These costs include relocation of one delivery structure, surveying, and inspection services for pipe to be installed by the City's contractor. This project is scheduled to start construction in the summer of 2007 and complete construction in the spring of 2008.

8. EVALUATION: Salt River Project provides construction for the delivery structure and requires that Salt River Project survey and stake all irrigation pipe constructed by others to include Salt River Project inspection. Salt River Project self performs the construction of the delivery structure. Salt River Project is requesting reimbursement for their estimated costs.
