6. RECOMMENDATION: Staff recommends that Council award a construction contract to Western Slope Utilities for McQueen Road Sewer and Manhole Rehabilitation, Project No. WW0606-401, in an amount not to exceed \$940,270.

7. BACKGROUND/DISCUSSION: The Wastewater Master Plan identified an on-going need to evaluate, prioritize, and repair sewer lines and manholes within the City's collection system. In November 2005, the first phase of an on-going sewer system assessment study was completed, which identified several sections of sewer pipeline and manholes that need repair or replacement. This contract provides for the rehabilitation of the 30-inch diameter sewer main on McQueen Road from Chandler Blvd. to Pecos Road, as well as repair of nineteen sewer manholes contiguous to the sewer being rehabilitated. The sewer rehabilitation will be completed using an in-place, or trenchless technology.
