FOR
COUNCIL AGENDA**

1. Agenda Item Number:

30

MEMO NO. ST07-034

2. Council Meeting Date:

May 10, 2007

TO: MAYOR & COUNCIL

3. Date Prepared: April 18, 2007

THROUGH: CITY MANAGER

4. Requesting Department: Public Works

5. SUBJECT: The extension of Contract No. ST6-550-2315 to Trafficade Service, Inc. for the rental and purchase of barricades for one year in an amount not to exceed \$85,000.

6. RECOMMENDATION: Recommend the extension of Contract No. ST6-550-2315 to Trafficade Service, Inc. for the rental and purchase of barricades for one year in an amount not to exceed \$85,000.

7. BACKGROUND/DISCUSSION: This barricade rental contract provides the City with the needed barricades and setup as required for various traffic control situations. There are a number of City divisions that utilize this contract. User groups include Streets, Water Quality, Water & Wastewater, Traffic Engineering, Parks Maintenance, and the Police Department. By using this contract, the City reduces the need to keep a large inventory of barricade equipment and spare parts as well as saving on labor on the set-up, takedown and repair of the various traffic control devices.

8. EVALUATION PROCESS: In May 2006, Council awarded a one-year contract, from June 1, 2006 to May 31, 2007, with four one-year extensions. This is the first contract extension. Staff has monitored the contract for the past year and is satisfied with the services provided by Trafficade Service, Inc. Trafficade Service, Inc. has agreed to extend the contract for an additional year at the current pricing. By extending the contract the City will avoid administrative costs associated with rebidding.

9. FINANCIAL IMPLICATIONS: Funds have been budgeted for and are available in the various divisions operating budgets in line item 5711, machinery and equipment rental.

10. PROPOSED MOTION: Move to approve the extension of Contract No. ST6-550-2315 to Trafficade Service, Inc. for the rental and purchase of barricades for one year in an amount not to exceed \$85,000.

TECHNICAL SPECIFICATIONS
BARRICADE RENTAL
BID NO. ST6-550-2315

SCOPE

1. It is the intent and purpose of this specification to identify barricade equipment and supplies required by the City on an "as needed" basis (includes all special events, parades Ostrich Festival etc.). The Contractor shall provide all items, articles, materials, equipment, tools, insurance, permits and fees, necessary to render this service.
2. The CONTRACTOR shall be required to prepare plans, deliver, set-up and pick-up the equipment and supplies at a designated area after receiving a telephone order from an authorized City employee.
3. All barricades, signs and lighting devices shall conform to the "City of Chandler Traffic Barricade Manual" and the "Manual on Uniform Traffic Control Devices".
4. No late delivery or special set-up charges will be made for emergency requests. All equipment will be quoted at a constant rate regardless of quantities.
5. Emergency response time shall be a minimum of two (2) hours after the City notifies the Contractor an emergency exists. All set-up shall be completed within the two (2) hour response time.
6. Standby time will be allowed at a flat hourly rate to be quoted herein for planned and programmed events (i.e., fog and slurry sealing, parades, special events).
7. The minimum charge listed on the pricing page shall apply only if the rental does not equal or exceed the minimum charge listed. If the minimum charge listed is not exceeded and the minimum applies, rental charges shall be included in the minimum. Rental charges shall not be incurred on top of the minimum charge.
8. All stolen, damaged while in use, or lost units shall be replaced or removed from rental without charge to the City for the cost of the unit itself. The City will be responsible for only rental payments and will pay rent to the Contractor only for units in the possession of and used by the City. Rental charges for a unit shall terminate effective the date the Contractor is notified by the City that a unit has been lost, damaged while in use, or stolen.
9. The City will promptly report all lost, non-working, or stolen units to the Contractor. Contractor shall immediately replace lost, non-working, or stolen units. Units reported by the City as lost or stolen and recovered at a later date by the City will be returned to the Contractor.
10. The Contractor shall maintain sufficient inventory levels as to provide daily support for the City's requirements. Failure to supply said support may result in cancellation of the contract.
11. Contractor shall pick up barricades within **6 hours** of notice that the project is complete. Rental charges for a particular project shall terminate at the time the vendor is contacted by telephone from an authorized City employee. The City will not be responsible for barricades the CONTRACTOR failed to pick up.
