Re: June 28, 2007 Agenda Item No. 89 – Extension for One Year to ACT Towing/Cactus Towing for Police Towing Service – Contract #PD6-968-2247

Dear Mayor and Council:

As you may recall, I represent Auto Citi Towing in connection with its bid for the award of the above referenced contract, and in connection with the awarding of the above referenced Contract to ACT Towing, L.L.C. d/b/a Cactus Towing on August 10, 2006. On May 24, 2007 my client requested a continuance of the above referenced agenda item in order to present to the Council some issues of concern. The May 24th request contained some examples of overcharging and other questionable practices by the contractor. Those examples were based on documentation from the City's files obtained pursuant to a public records request by Auto Citi Towing.

The contractor submitted a response by Memorandum dated June 21, 2007. The Memorandum contained nearly 100 pages of attached reports. The contractor attempts to minimize and explain away the overcharges disclosed by labeling them as mistakes caused by employees or software. The contractor further minimizes the overcharges by disclosing the relatively small percentage of total dollar amounts overcharged related to the total charges for the tows involved over time. Closer inspection of the reports containing the five information categories (September 2006 – November 2006) reveals that the overcharges actually occurred in some 17% of all the tows disclosed. Although the contractor has asserted its intention to refund the amounts overcharged, no such action was taken until the overcharges were pointed out by Auto Citi. Please note that putting aside the proffered excuses, the contractor has admitted to charging fees in excess of those permitted by the Contract. Unfortunately, the contractor's explanation is based on its own compiled reports and not the original source documents. What the referenced reports reveal is a continuing pattern of such breaches by this contractor.

The May 24th request referenced the ongoing investigation of Cactus Towing and some of its principals by the Maricopa County Sheriff's Office. A review of some of the findings of that investigation appears to substantiate past violations of overcharging for tow related activity by the contractor. The subject MCSO documents reviewed comprise some 26 volumes (approximately 7,500 pages). For purposes of efficiency, Auto Citi would direct the Council's attention to the Supplemental Report dated September 19, 2005. A copy of the Supplemental Report is attached as Exhibit A. The Report was

Mayor and City Council
City of Chandler
Page 2.

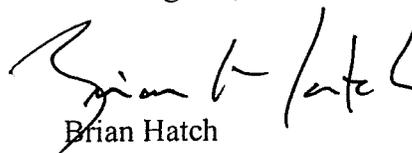

prepared by MSCO detectives and focuses specifically on Cactus tow charges under the City of Chandler PD contract between 1999 and 2005. A small representative sample of approximately 250 of the actual source documents (Cactus tow tickets) were audited and analyzed. The report found overcharges or charges not allowed under the contract in that sample alone that amounted to approximately \$6,244.75. It is important to note that the total number of tows analyzed amount to less than one month's number of tows under Cactus' current city contract.

Such pattern of conduct by the contractor is not the only breach of the contract that has occurred. On December 11, 2006, City Attorney Judy Skousen sent an email to Mr. Mandt and Mr. Combs in the purchasing department addressing the issue of the contractor's failure to provide the reports and information required under the Contract. A copy of the December 11 email is attached as Exhibit B. In that communication, Ms. Skousen states that "[i]t is our legal opinion that [such failure] is a breach of contract...". A legal opinion from a city attorney is significant, and carries a great deal of weight. A review of the reports submitted by the contractor reveals that all reports following the December 12 email are in a changed format and no longer include a "miscellaneous" charge category. The contractor's reports from January 2007 on show only charge information for towing, storage, administration, and mileage.

At issue is renewal of the tow contract awarded to ACT Towing, LLC d/b/a Cactus Towing and assignment of the contract to All City Towing. Given the breaches of contract detailed above, the City may terminate the contract and award the same to Auto Citi as set forth in Section 8.3 (referenced in Addendum 1 dated February 27, 2006) of the IFB for the contract PD6-928-2274.

Thank you for your consideration.

Best Regards,

Brian Hatch

Occurrence Type: Fraud Schemes

Victim: State of Arizona

BODY OF REPORT:

Between the dates of 03-31-05 and 09-01-05 multiple detectives from the Maricopa County Sheriff's Office have been identifying individual tow tickets originating from Cactus Towing's contracts with multiple police agencies. Cactus Towing has held a contract with the Chandler Police Department (Hereafter CPD) in the East Valley for over 6 years and a portion of these tow tickets were identified and reviewed. These CPD, related tow tickets were broken down as to what charges made up the final tow bill.

There are specific towing charges that are not allowed to be charged by this contract that Cactus Towing holds with the CPD. These specific charges are outlined in the contract and should NOT be charged in daily towing operations involving CPD requested Tows.

The following is a list of services that Cactus Towing is not allowed to charge for, per the CPD contract they hold:

- Charging for Tow to Street.
- Charging for Tire Fees
- Charging for Extreme Recovery/canal
- Charging a Re-inspect fee
- Charging for Extra Labor
- Charging for Taping of windows
- Charging for Rollover recovery
- Charging for Plate Removal
- Charging for Administrative Fees

 Supplemental Report

Occurrence Date: 03-31-05

DR#: 05-055609

Occurrence Location: Cactus Towing / 261 E. 10th Dr, Mesa Arizona 85210

Occurrence Type: Fraud Schemes

Victim: State of Arizona

- Charging for an Off-road recoveries
- Charging a Fuel Surcharge
- Charging for Jumpstart
- Charging for a second truck/medium truck
- Charging unknown, not articulated fees on the tow tickets.

All of the above fees are not allowed per the contract. See case agents report for detailed contract information.

Over two hundred and fifty CPD related tow tickets were identified out of the evidence removed from Cactus Towing business. There were more that were not analyzed, but this is a small sample. These tow tickets range from the year 1999 to 2005. A review of these tickets showed the following totals of fees charged, which should not have been charged per the contract. Under each of the following services these are the totals from the Tow Tickets/receipts reviewed.

Tow to Street fees	\$ 235.00	Tire Fees	\$ 30.00
Extreme Recovery/canal	\$ 10.00	Re-inspect fees	\$ 380.00
Extra Labor fees	\$ 280.00	Taping window fees	\$ 1,495.00
Rollover recovery fees	\$ 250.00	Plate removal fees	\$ 49.00
Administrative fees	\$ 1,882.25	Off-road Recovery fees	\$ 520.00
Fuel Surcharge fees	\$ 6.00	Jumpstart fees	\$ 50.00
2nd Truck/MediumTruck fees	\$ 95.00	Unknown fees	\$ 962.50

Total of these Charges \$6,244.75

Occurrence Date: 03-31-05

DR#: 05-055609

Occurrence Location: Cactus Towing / 261 E. 10th Dr, Mesa Arizona 85210

Occurrence Type: Fraud Schemes

Victim: State of Arizona

These erroneous fees that were charged to the insurance companies and owners of these vehicles, which originated from the CPD contract, are very similar to the erroneous fees charged to the victims of the Cactus Towing, Department of Public Safety's(DPS) Towing Contract and the MPD towing contract.

There are three consistent false charges that produce the most amount of fraudulent income into Cactus Towing. These false charges are seen being fraudulently charged on all of Cactus Towing's Law Enforcement Contracts. These three constant fraudulent charges are, Miscellaneous fees, Administrative fees and the Taping of windows fee. All three of these fees are forbidden by the CPD, MPD and DPS Law Enforcement Tow Contracts, but are constantly seen being charged by Cactus Towing.

In the tow tickets resulting from **CPD's** contract.

Administrative fees	\$1,882.25
Taping window fees	\$1,495.00
Unknown fees/Miscellaneous	\$ 962.50

In the tow tickets resulting from **MPD's** contract.

Administrative fees	\$33,360.75
Taping window fees	\$26,916.00
Unknown fees/Miscellaneous	\$18,453.18

Supplemental Report

Occurrence Date: 03-31-05

DR#: 05-055609

Occurrence Location: Cactus Towing / 261 E. 10th Dr, Mesa Arizona 85210

Occurrence Type: Fraud Schemes

Victim: State of Arizona

In the tow tickets resulting from **DPS's** contract.

Administrative Fees \$11,031.50

Miscellaneous charges \$45,805.35

Taping of Windows \$ 6,802.00

This total, **\$6,244.75** should have never been charged to the vehicle owners and insurance companies. This \$6,244.75 is to the total of all bag charges. It is just a sampling of the Chandler Police Department related tow tickets. Citizens who have had their vehicles towed after a traumatic vehicle collision and their insurance companies are the victims of these charges. Cactus Towing was aware of what charges they were allowed to charge per the contract, but constantly went against those contracts for purpose of financial gain.

Subject Re: November Report

I am looking for direction on how hard to push this issue. The reason I was requesting certain data, was to collect good quantities of each line item to include in the next IFB. The data we requested also made it passable to tell at a glance if there were any overcharges. PD had requested data relating to call time and arrival time which I believe they planned to use to check their own data in the event of a dispute.

Subject Re: November Report

If Cactus continues to refuse to provide all the information requested and in the format (electronic) that we require, Purchasing needs to go up your chain of command for a policy decision of whether to start the process to cancel the contract for breach. It is our legal opinion that it is a breach of contract but whether or not to cancel the contract is a policy issue.

MEMORANDUM Management Services Department–Council Memo No. PG7-010

DATE: June 28, 2007

TO: Mayor and Council

THRU: W. Mark Pentz, City Manager
Rich Dlugas, Assistant City Manager *RD*
O.D. Burr, Acting Management Services Director *ODB*

FROM: Robert Combs, CPPB, Purchasing Manager *Robert Combs*

SUBJECT: Supplemental Information, Towing Agreement

The attached report, "Analysis of CPD Tow Summary", is a revision of a report with the same title presented to the Mayor and Council by ACT Towing (All City Towing) on June 21, 2007.

The original report presented information in chronological order. The attached report rearranges the original by sorting the "Explanation" column into like reasons. The purpose of arranging data in this manner is to illustrate the number and type of miscellaneous charges in a format that allows quick focus on types of charges, without the reader searching randomly throughout the entire report.

As in the original report, miscellaneous charges are color-coded. Green reflects charges authorized under the agreement. Yellow is questionable and red is not authorized. As All City Towing has stated in their letter of June 21, yellow and red charges have been refunded. As the report indicates, the majority of miscellaneous charges in red or yellow relate to the following:

- ▶ Staging - 15 (bringing a citizen's vehicle from the storage lot to the public street)
- ▶ Inspection - 107 (generally performed by the owner's insurance agent)
- ▶ Plate removal - 24
- ▶ Previous contract rate used in error - 36
- ▶ Fuel surcharges - 93 (not refundable. City may not regulate re-tows)

All City Towing attributes these errors to several things that occurred since the inception of the current agreement to include the sale of the company, the acquisition of another towing firm and their staff, a change in reporting software and the change to the current contract where charges for items listed above were different or not allowed.

Staff feels that these are unintentional human errors that occurred in the transitional period of changing contracts. This is evidenced by the fact that as All City Towing worked longer with the contract, the errors decreased considerably. In fact, since January 1, 2007, there were only seven "red" errors of using the old contract price of \$20 per tow, as opposed the new at \$10, and six questionable "yellow" charges mostly regarding license plate removal.

In view of this marked downturn in errors, All City Towing has done a good job of self-policing their internal procedures and they demonstrate the desire to work within the terms of the agreement. Given that there are no customer complaints regarding fees charged during this agreement period, staff recommends extending the agreement with All City Towing as reflected in agenda item 89.

cc: Michael House, City Attorney

**PURCHASING ITEM
FOR
COUNCIL AGENDA**

1. Agenda Item Number:

89

2. Council Meeting Date:

June 28, 2007

TO: MAYOR & COUNCIL

3. Date Prepared: April 10, 2007

THROUGH: CITY MANAGER

4. Requesting Department: Police

5. SUBJECT: CONTRACT #PD6-968-2247, Amendment Number 1, extension for one year thru August 31, 2008, to Cactus Towing for Police towing service, and assignment of the contract to ACT Towing LLC dba All City Towing

6. RECOMMENDATION: Approval of CONTRACT #PD6-968-2247, Amendment Number 1, extension for one year thru August 31, 2008, to Cactus Towing for Police towing service, and assignment of the contract to ACT Towing LLC dba All City Towing

7. HISTORICAL BACKGROUND/DISCUSSION: In December of 1995 the City began utilizing a contract for towing service. Contract towing service has proven to be a successful alternative to the previous rotation program. Some of the benefits provided by contract service include lower cost to the citizens, fewer customer complaints, and a streamlined workload for the Police Department. The Police Department utilizes the contract for vehicle towing, storage and impounding services including removal of wrecked vehicles, vehicles abandoned on city streets, vehicles left unattended in a traffic way, vehicles towed for evidentiary purposes, vehicles impounded, and vehicles towed due to an arrested driver.

8. EVALUATION PROCESS: On August 10, 2006, City Council awarded contract PD6-968-2247 for Police Towing Service to Cactus Towing. The contract was awarded for a one-year period through August 31, 2007, and contained provisions to extend up to four additional one-year periods. The contractor has agreed to extend one year with no price increases. Staff is satisfied with the service provided and recommends extending the contract.

Cactus Towing has informed staff that the name "Cactus Towing" will be replaced with "All City Towing".

9. FINANCIAL IMPLICATIONS: The vehicle owner will be responsible for payment of all fees with the exception of vehicles towed for evidentiary purposes. The City will pay costs associated with vehicles towed for evidentiary purposes.

10. PROPOSED MOTION: Move to approve CONTRACT #PD6-968-2247, Amendment Number 1, extension for one year thru August 1, 2008, to Cactus Towing for Police towing service, and assignment of the contract to ACT Towing LLC dba All City Towing

Re: Request for Continuance of May 24, 2007 Agenda Item No. 30 – Extension
for One Year to Cactus Towing for Police Towing Service – Contract #PD6-968-2247

Dear Mayor and Council:

I represent Auto Citi Towing in connection with its unsuccessful bid for the award of the above referenced contract, and in connection with the awarding of the above referenced contract to ACT Towing, L.L.C. d/b/a Cactus Towing on August 10, 2006. We respectfully request that a continuance of Agenda Item No. 30 be granted until the City Council Meeting scheduled for June 28, 2007. We believe that there are a number of serious issues to present that are important to your consideration of the contract renewal/extension. Those issues are briefly discussed below.

Unfortunately, I am unavailable to appear and present comments or items because I must attend my daughter's high school graduation ceremony scheduled for this evening. Similarly, the owner of Auto Citi Towing, Troy Myers, is unable to appear tonight because of a prior business and family commitment in California. Because the renewal date of the contract is September 1, 2007, the continuance as requested would cause no prejudicial delay.

The issues to be addressed include generally the background and identity of company actually undertaking the police tow contract and the history of overcharges and other questionable practices by such company or companies. In August 2006, the tow contract was granted to ACT Towing, LLC d/b/a Cactus Towing. Now as part of the extension, ACT has informed Chandler that it will not be doing business as Cactus Towing, but rather as All City Towing. ACT informed Chandler that it acquired the assets of Diversified Towing, Inc. last year. It is unclear, however what business and assets of Diversified were transferred to ACT. For example, public records maintained by the Arizona Corporation Commission show that the trade name "Cactus Towing" is still owned by Diversified Towing, Inc. ACT Towing, LLC was formed in June of 2004, while All City Towing, Inc. was incorporated in May of 1992. "All City Towing" is not a trade name designation but rather is a separate company from ACT Towing, LLC. So the issue presented is who is actually to perform services under the proposed extension.

Mayor and City Council
City of Chandler
Page 2.

The historical pattern of overcharges and other questionable practices by these companies is a serious concern that merits closer inspection by the city. The city has had to deal with such concerns a number of times with the current contractor. For example, Cactus Towing had previously contracted with the city to charge a \$5.00 per day storage fee, but in the latter part of 2005 began to charge \$15.00 per day without disclosing such to the city or seeking a contract amendment. At the commencement of the current contract, ACT/Cactus was, in a significant number of cases, charging citizens double the contract rate for the towing fee and was including miscellaneous charges not allowed under the contract. Indeed, in the first month of the contract, September 2006, it appears that such overcharges or unauthorized charges occurred in at least 77 cases out of just over 400 tows – that is nearly 20% of the total tows.

The investigation of Cactus Towing and some of its principals by the Maricopa County Sheriff's Office for similar alleged acts is continuing. And most recently, a civil action was filed against various parties including Diversified Towing, Inc. and All City Towing, Inc. alleging the charging of unreasonable, unnecessary and unsubstantiated fees. The action was filed on May 11, 2007 by Infinity Insurance Company and was reported in the local news last week.

In order to allow for the full presentation and consideration of these and similar issues, we request that today's Agenda Item No. 30 be continued until the City Council Meeting on June 28, 2007.

Thank you for your consideration.

Best Regards,

Brian Hatch

AMENDMENT NUMBER 1,
TO AGREEMENT PD6-968-2247 BETWEEN THE CITY OF CHANDLER AND ACT
TOWING LLC DBA CACTUS TOWING.
FOR POLICE TOWING

This Amendment #1 to that certain Agreement Between the City Of Chandler (CITY) and ACT Towing LLC dba Cactus Towing (Contractor) for police towing dated August 10, 2006, is entered into this 19 day of April, 2007.

WHEREAS, the contract expires August 31, 2007;

WHEREAS, the contract has provisions to extend up to four additional terms of one year each

WHEREAS, the parties agree to extend the contract for one year

WHEREAS, the contractor has requested the contract be assigned to ACT Towing LLC dba All City Towing.

NOW THEREFORE, the parties agree as follows:

1. Section 7, Term, is hereby amended to extend the contract one year beginning September 1, 2007 terminating on August 31, 2008
2. Section 17.3 Assignment, the contract is hereby assigned from ACT Towing LLC dba Cactus Towing to ACT Towing LLC dba All City Towing.
3. All other terms and conditions of the above referenced Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the parties have hereunto subscribed their names this _____ day of _____, 2007.

MEMORANDUM

June 21, 2007

Dear Mayor and Council Members:

We recently conducted an internal audit to ensure the accuracy of invoices associated with the Chandler Police Department towing contract. This audit was initiated following the disclosure of a letter dated May 24, 2007 sent to Mayor Dunn and The Council by an attorney for one of our competitors, Auto Citi Towing.

Our audit revealed that some invoices contained fees that, upon first review, appeared to be outside of the contracted terms. Upon closer inspection, we discovered a very small percentage of invoices containing minor billing irregularities. The audit was very productive in identifying why the issues occurred, who was affected and how to prevent similar errors in the future.

We have since singled out which invoices justified refunds and we are currently in the process of distributing reimbursement checks along with a letter of explanation to the parties involved. We have included a copy of this letter for your review.

Additionally, the audit allowed us to classify the questionable invoices into three categories (See attached report):

- Items representing charges we have already refunded to the affected parties;
- Items representing charges we have found to be appropriate and allowed under the new contract (Rather than commencing an exhaustive process of reviewing each invoice, we decided to also refund those charges as well. Refunds totaling \$2,820.55 will be issued to the affected individuals by the end of June.); and
- Items representing charges which were not governed under the terms and conditions of the contract. Upon request, further explanation can be provided.

In summary, we generated a total of approximately \$317,863 in charges from tows occurring from September 1, 2006 through May 31, 2007. Of this amount, we determined errors totaling approximately \$2,820.55, or less than 1% (see summary of analysis). The remainder of the invoices reviewed contained charges which we believe were appropriate and allowed under the contract.

The following will provide a brief explanation as to how we feel these types of errors could have occurred:

- Data entry errors due to multiple employee involvement, which is necessary to service a contract of this size;
- Merging of software and staff associated with the acquisition of Diversified Towing, Inc; and
- Operating under the terms and conditions of the “old contract” for vehicles already at the yard as compared to the “new contract” that began September 1, 2006. There are several provisions in the old contract, which are different than those in the new contract. The creation of special codes was necessary to differentiate the old vehicles and new vehicles; however, in a limited amount of cases the old code was used thus allowing for charges to appear which were not allowed under the new contract.

In closing, I wish to express our appreciation for the opportunity to serve the City of Chandler. We trust that the aforementioned items adequately address any concerns relative to this matter.

Jeffrey D. Dunn
General Manager
ACT Towing, LLC

June 21, 2007

Mr./Ms. Valued Customer
1 Main Street
Chandler, Arizona 85224

Dear Valued Customer:

Our records indicate that your vehicle was towed by our company at the direction of Chandler Police Department within the last nine months. We conduct periodic internal audits to ensure accuracy. The most recent audit revealed some minor billing irregularities.

We have enclosed a copy of the invoice associated with the service we provided along with a refund check. This check represents the amount of our billing error. We regret this error was not discovered sooner. Please rest assured that we have recently implemented new guidelines to prevent this type of error from occurring in the future.

We again apologize for any inconvenience this matter has caused you. Should you require additional clarification, please do not hesitate to contact me directly.

Sincerely,

Jeffrey D. Dunn

Re: Request for Continuance of May 24, 2007 Agenda Item No. 30 – Extension
for One Year to Cactus Towing for Police Towing Service – Contract #PD6-968-2247

Dear Mayor and Council:

I represent Auto Citi Towing in connection with its unsuccessful bid for the award of the above referenced contract, and in connection with the awarding of the above referenced contract to ACT Towing, L.L.C. d/b/a Cactus Towing on August 10, 2006. We respectfully request that a continuance of Agenda Item No. 30 be granted until the City Council Meeting scheduled for June 28, 2007. We believe that there are a number of serious issues to present that are important to your consideration of the contract renewal/extension. Those issues are briefly discussed below.

Unfortunately, I am unavailable to appear and present comments or items because I must attend my daughter's high school graduation ceremony scheduled for this evening. Similarly, the owner of Auto Citi Towing, Troy Myers, is unable to appear tonight because of a prior business and family commitment in California. Because the renewal date of the contract is September 1, 2007, the continuance as requested would cause no prejudicial delay.

The issues to be addressed include generally the background and identity of company actually undertaking the police tow contract and the history of overcharges and other questionable practices by such company or companies. In August 2006, the tow contract was granted to ACT Towing, LLC d/b/a Cactus Towing. Now as part of the extension, ACT has informed Chandler that it will not be doing business as Cactus Towing, but rather as All City Towing. ACT informed Chandler that it acquired the assets of Diversified Towing, Inc. last year. It is unclear, however what business and assets of Diversified were transferred to ACT. For example, public records maintained by the Arizona Corporation Commission show that the trade name "Cactus Towing" is still owned by Diversified Towing, Inc. ACT Towing, LLC was formed in June of 2004, while All City Towing, Inc. was incorporated in May of 1992. "All City Towing" is not a trade name designation but rather is a separate company from ACT Towing, LLC. So the issue presented is who is actually to perform services under the proposed extension.

Mayor and City Council
City of Chandler
Page 2.

The historical pattern of overcharges and other questionable practices by these companies is a serious concern that merits closer inspection by the city. The city has had to deal with such concerns a number of times with the current contractor. For example, Cactus Towing had previously contracted with the city to charge a \$5.00 per day storage fee, but in the latter part of 2005 began to charge \$15.00 per day without disclosing such to the city or seeking a contract amendment. At the commencement of the current contract, ACT/Cactus was, in a significant number of cases, charging citizens double the contract rate for the towing fee and was including miscellaneous charges not allowed under the contract. Indeed, in the first month of the contract, September 2006, it appears that such overcharges or unauthorized charges occurred in at least 77 cases out of just over 400 tows – that is nearly 20% of the total tows.

The investigation of Cactus Towing and some of its principals by the Maricopa County Sheriff's Office for similar alleged acts is continuing. And most recently, a civil action was filed against various parties including Diversified Towing, Inc. and All City Towing, Inc. alleging the charging of unreasonable, unnecessary and unsubstantiated fees. The action was filed on May 11, 2007 by Infinity Insurance Company and was reported in the local news last week.

In order to allow for the full presentation and consideration of these and similar issues, we request that today's Agenda Item No. 30 be continued until the City Council Meeting on June 28, 2007.

Thank you for your consideration.

Best Regards,

Brian Hatch

RE: My Client: ACT Towing, LLC d/b/a All City Towing, LLC
Your Client: Auto Citi Towing
Chandler City Contract PD6-968-2247

Dear Mr. Hatch:

I am in receipt of your letter of May 24, 2007, addressed to the Mayor and City Council on the above referenced matter. The statements in your letter range from misleading to slanderous. By way of this letter I am asking you to forward to my office the evidence you have to support your client's statements. In addition, I am asking your client to cease and desist from any further pejorative statements to anyone at the City of Chandler in connection with this procurement matter. Your client is behaving in a tortuous manner as it relates to All City's contract with the City of Chandler. If your client persists in its current course of action, All City intends to pursue all available remedies to the fullest extent of the law. Below is the accurate information with regard to the issues set forth in your letter.

ACT Towing, LLC, legally owns the d/b/a "Cactus Towing." This name was purchased from Diversified Towing, Inc. ACT Towing, LLC, never filed the reassignment of the "Cactus Towing" trade name with the Secretary of State. Nevertheless, this reassignment was made public over a year ago to all interested parties. Contrary to your letter, The Arizona Corporation Commission is not the repository for the registration of trade names. The extent of the assets acquired by ACT Towing, LLC from Diversified was a private transaction, the relevant details of which were disclosed to the City of Chandler.

ACT Towing, LLC was formed as a new entity to replace All City Towing, Inc. The principals decided to operate All City Towing as an LLC, and the LLC has a resolution from the corporation to use the name "All City." The inference made with the statement "historical pattern" suggests that there has been anything other than complete disclosure by my client on the legal status of their entity and trade name. This is a transparent effort to fabricate an issue of concern for the City.

What exactly are you referring to by your statements "The historical pattern of overcharges and other questionable practices..."? In addition, you state "The City has

had to deal with such concerns a number of times with the current contractor." Immediately provide me with your evidence to support these alleged concerns.

Please define factually what is meant by the statement "questionable practices?" The Maricopa County Sheriff's Office has never at any time investigated All City Towing or any of its shareholders\members, either in its current form as a limited liability company, or as its predecessor corporation. Unless you can provide me with evidence to the contrary, All City demands that you immediately send a letter of retraction to the City of Chandler. If this evidence, the letter of retraction, are not received by this office on or before 5:00 p.m. on Thursday, May 31st, All City intends to pursue legal redress for this false and defamatory remark.

Finally, my client has yet to be served with the lawsuit recently filed by Infinity insurance company. Your statements regarding this litigation are nothing more than a re-iteration of the inflammatory and distorted remarks made by the press.

I look forward to the prompt receipt of the above information.

Sincerely,

A handwritten signature in black ink, appearing to read "H.D. Burr, Jr.", with a long, sweeping flourish extending upwards and to the right.

Re: Demand Letter dated May 30, 2007

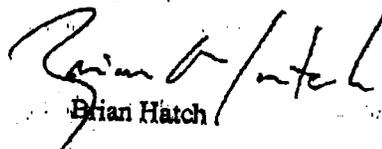

Dear Mr. Burr:

I have reviewed your letter of May 30, 2007, as well as the various allegations made with respect to the contents of my client's letter dated May 24, 2007 to the Mayor and City Council of Chandler. I must admit to a little confusion regarding your client(s). The news media has reported that you have filed a defamation action against Infinity Insurance on behalf of Lee Watkins. Your May 30th letter indicates that you represent ACT Towing, LLC, and that ACT is doing business as All City Towing. Please confirm for me whether or not you represent: (1) Lee Watkins and/or Diversified Towing, Inc.; (2) Cactus Towing; (3) ACT Towing, LLC; and/or (4) All City Towing, Inc.

With respect to the allegations made in your letter of May 30th, and before you file any action against my client, I would strongly encourage you to review the law of privilege in Arizona. I would especially point you to those protections in cases such as this, relating to expression in the public interest arising in the context of judicial, legislative, administrative, and related governmental proceedings.

Please let me know with respect to my questions above. I would be happy to discuss with you any of the issues raised in your letter of May 30th in further detail.

Regards,

Brian Hatch

RE: My Client: ACT Towing, LLC d/b/a All City Towing, LLC
Your Client: Auto Citi Towing
Chandler City Contract PD6-968-2247

Dear Mr. Hatch:

I am in receipt of your letter of June 5, 2007. A review of the Maricopa County Superior Court website will reveal that I represent Lee Watkins, Diversified Towing, Inc. and ACT Towing, LLC. If there is a conflict to be had, it is to be raised, or waived, by my client(s), not yours. I am keenly aware of the law on privileged communications, thank you though. Your client's remarks were not made in a judicial, or quasi-judicial proceeding. Therefore, the remarks do not qualify for absolute privilege. At most, your client's remarks may be covered by a conditional privilege. *See Melton v. Slonsky*, 19 Ariz.App. 65, 504 P.2d 1288 (1973). If conditionally privileged, your client clearly abused such privilege and, therefore, lost the same. *See Lewis v. Oliver*, 178 Ariz.App. 330, 873 P.2d 668 (1993) and *Green Acres Trust*, 141 Ariz. At 616, 688 P.2d 624.

Your failure to address the simple requests made in my first letter only leads me to believe that your client made these statements with a reckless disregard for their truth. *See New York Times v. Sullivan*, *Sewell v. Brookbank*, 119 Ariz. at 425, 581 P.2d at 270, *Hansen v. Stoll*, 636 P.2d 1236, 130 Ariz.App. 454 (1981).

Sincerely,

Harold D. Burr, Jr., for:
