ASSIGNMENT OF AERIAL EASEMENT
(Pecos Road from Dobson to McQueen)

THIS ASSIGNMENT OF AERIAL EASEMENT (the "Assignment") is made this ____ day of _____, 2007, by and between CITY OF CHANDLER, an Arizona municipal corporation, as Assignor ("City"), and SALT RIVER PROJECT AGRICULTURAL IMPROVEMENT AND POWER DISTRICT, an agricultural improvement district organized and existing under the laws of the State of Arizona, as Assignee ("SRP"), in order to complete all transactions and perform all acts necessary for the completion of the road project described below.

1. **Recitals.** As background to this transaction, the parties recite and acknowledge as follows:

1.1. In connection with a City road project for the widening and improvement of the Pecos Road from Dobson to McQueen (the "Project"), City filed a condemnation action in the Maricopa County Superior Court to acquire roadway and easements needed for the Project, which also included acquisition of an aerial easement ultimately intended for use by SRP. The aerial easement is needed to assure clear space to accommodate SRP's 69 KV transmission lines as a consequence of the Project. The easement conveys an access and aerial easement only, no poles or other structures shall be placed on the surface of the easement area described herein.

1.2. In court action, a Judgment in Condemnation was entered; City satisfied its obligations under the Judgment; and a Final Order of Condemnation was entered by the Court and recorded with the Maricopa County Recorder to complete the acquisition of the property interests described in the Final Order, which included an aerial easement over described real property in accordance with the terms and conditions for the easement as stated in the Final Order. In each case, the terms and conditions for the easement provided that City could assign the easement to SRP, and, upon recording the assignment, City would have no further obligation, responsibility or liability, and no further rights, pursuant to or because of the easement.

1.3. City and SRP, through the execution and recording of this Assignment, desire to complete the assignment to SRP of the aerial easement acquired through the recording of the Final Order of Condemnation entered in the condemnation action. The condemnation action is listed below by case name and number and followed by the recording date and recording number for the Final Order of Condemnation:

2. **Agreement.** For Ten and No/100 Dollars (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, City and SRP agree as follows:

2.1. **Assignment and Acceptance.** City hereby assigns and transfers to SRP all of City's right, title and interest in and to the aerial easement acquired pursuant to the Final Order of Condemnation entered in the above-listed court action and subsequently recorded. SRP hereby accepts such assignment and agrees to be bound by the terms and conditions of the aerial easement as stated in the aforementioned Final Order of Condemnation for the above-listed court action.

2.2. **No Warranties.** City makes no warranties regarding the Assignment, the aerial easement, or the property affected by the easement, except that City does warrant that the person executing this Assignment on behalf of City is authorized to do so. SRP acknowledges and agrees that City makes no warranties regarding the Assignment, the aerial easement, or the property affected by the easement, except as stated above.
