

**PURCHASING ITEM  
FOR  
COUNCIL AGENDA**

**1. Agenda Item Number:**

**23**

**2. Council Meeting Date:**

November 8, 2007

**TO: MAYOR & COUNCIL**

**3. Date Prepared:** October 22, 2007

**THROUGH: CITY MANAGER**

**4. Requesting Department:** Municipal Utilities

**5. SUBJECT:** Approval to use the City of Peoria contract with Hughes Supply for the purchase of large water meters in an amount not to exceed \$100,000.

**6. RECOMMENDATION:** Recommend approval to use the City of Peoria contract with Hughes Supply for the purchase of large water meters in an amount not to exceed \$100,000.

**7. HISTORICAL BACKGROUND/DISCUSSION:** The City of Chandler maintains more than 170 three to ten inch water meters. These meters generate approximately 40 to 45 percent of the revenue received from water sales in the City. Through normal use these meters eventually fail. When a meter fails, the City uses historical data to estimate water usage. Replacing failed meters will ensure accurate accountability of water used by our large meter customers for billing purposes. The actual water usage can likewise be compared to water produced annually, which is a requirement of the Arizona Department of Water Resources (ADWR).

**8. EVALUATION PROCESS:** The requested product has been bid by the City of Peoria. Using the City of Peoria contract will save City of Chandler costs associated with the bid process. Staff will use a Purchase Order as the contract for this item.

**9. FINANCIAL IMPLICATIONS:**

Cost: \$100,000  
Savings: NA  
Long Term Costs: N/A

**Fund Source:**
