6. **RECOMMENDATION:** Recommend the sole source purchase of ESRI maintenance and support with ESRI in an amount not to exceed \$64,000.

7. **HISTORICAL BACKGROUND/DISCUSSION:** The City's GIS system is based on ESRI GIS products. Continued support of the GIS system to meet City needs requires the purchase of software product upgrades and support services. This request is for the funding for purchasing annual software maintenance needed to meet Citywide needs.
