MEMORANDUM

Solid Waste Services – Memo No. SWS08-016

DATE: JUNE 26, 2008

TO: MAYOR AND COUNCIL

THRU: W. MARK PENTZ, CITY MANAGER
DAVE SIEGEL, MUNICIPAL UTILITIES DIRECTOR
SHEREE SEPULVEDA, ENVIRONMENTAL PROGRAM EDUCATION COORDINATOR

FROM: TRACI CONAWAY, RECYCLING SPECIALIST

SUBJECT: Resolution No. 4198 - Authorizing the Municipal Utilities Department to submit a grant application to the Gila River Indian Community's State-Shared Revenue Program for an educational program promoting waste reduction and recycling

RECOMMENDATION:

Staff recommends Council pass and adopt Resolution No. 4198 authorizing the Municipal Utilities Department to submit a grant application to the Gila River Indian Community's State-Shared Revenue Program for an educational program promoting waste reduction and recycling.

BACKGROUND:

Solid Waste Services is working with Chandler schools to promote recycling education and participation, as a result of district collection contracts with Waste Management. Currently, staff provides presentations to classrooms, attends assemblies, and works with clubs, student councils, and faculty to ensure success with the community recycling programs.

To enhance this program, Solid Waste Services is proposing the addition of Solid Waste Recycling Education Kits for elementary classrooms. The Solid Waste Recycling Education Kits will contain hands-on activities, a CD containing curriculum materials, a landfill model for demonstration, and audio/video materials focused on waste management issues and recycling. Twenty-five kits will be available to all 4th grade Chandler schools via a check-out process. The kits will provide teachers tools and materials for meeting numerous academic standards.

FINANCIAL IMPLICATIONS:

The total cost for producing twenty-five Solid Waste Recycling Education Kits, for use at Chandler schools, is estimated at \$14,469. All costs associated with this project, with the exception of City staff time and current stock of promotional and educational materials will be covered by grant funds from the Gila River Indian Community State-Shared Revenue Program.
