FOR
COUNCIL AGENDA**

1. Agenda Item Number:

30

2. Council Meeting Date:

June 26, 2008

TO: **MAYOR & COUNCIL**

3. Date Prepared: June 11, 2008

THROUGH: **CITY MANAGER**

4. Requesting Department: Police

5. **SUBJECT:** Approve extension of an agreement for Communication Equipment Maintenance with Motorola, Inc. in an amount not to exceed \$87,273.

6. **RECOMMENDATION:** Recommend approval of an extension of an agreement for Communication Equipment Maintenance with Motorola, Inc. in an amount not to exceed \$87,273.

7. **HISTORICAL BACKGROUND/DISCUSSION:** In December 1987, Council approved Motorola, Inc. as a sole source vendor of radio equipment to replace the existing radio system at that time. Because of the proprietary of the software infrastructure, Motorola Inc. is the only authorized service center to provide service and maintenance on the equipment and software. It is essential that maintenance be provided by Motorola, Inc. to ensure the equipment is maintained at the highest level possible because of the critical nature of public safety.

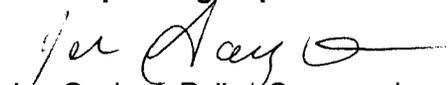

8. **EVALUATION PROCESS:** A contract for equipment maintenance was awarded by Council in June 2007. The contract allowed four (4) one-year options to extend and this will be the first one-year extension. The contract includes all labor, parts and equipment necessary to provide maintenance for communication equipment covered under the contract. Service is provided seven days a week, twenty-four hours a day. Equipment may be added or deleted as necessary during the contract term. This renewal term has dropped in price due to new equipment still being under warranty and some other equipment no longer being serviceable.

9. **FINANCIAL IMPLICATIONS:** Funds for communication equipment maintenance will be from various division's communication repair and maintenance fund accounts.

10. **PROPOSED MOTION:** Move to approve an amendment to the agreement for Communication Equipment Maintenance with Motorola, Inc. in an amount not to exceed \$87,273.
