6. RECOMMENDATION: Staff recommends that Council approve a one (1) year extension to the existing annual pipeline design contract, EN0725-101, with Dibble and Associates Consulting Engineers, Inc., in an amount not to exceed \$1,000,000.

7. BACKGROUND/DISCUSSION: The City contracts with a consultant to provide water and wastewater pipeline design services for miscellaneous pipe replacement projects not related to larger street projects. This contract extension will be the first option year of the annual survey contract EN0725-101. The annual contract with Dibble and Associates Consulting Engineers, Inc., was approved by Council on August 23, 2007.
