**6. RECOMMENDATION:** Recommend use of the Arizona State contract for Medical and Chemical Waste Disposal Services provided by Clean Harbors Environmental Services, Inc. in the amount not to exceed \$140,000.

**7. HISTORICAL BACKGROUND/DISCUSSION:** In August 2006, Chandler opened the household hazardous waste collection facility located at the Recycling-Solid Waste Collection Center. Throughout the year, this facility offers residents convenient service for proper and safe recycling and disposal of household hazardous waste.

In fiscal year 2007-08, the household hazardous waste collection facility diverted approximately 179,000 pounds of paint, pesticides, flammables, oxidizers, and other hazardous waste. This is approximately a 20% increase compared to fiscal year 06-07. For proper disposal of household hazardous waste that cannot be recycled, staff works closely with a contractor to ensure waste disposal is compliant with local, state and federal regulations. This professional service is required to ensure regulatory compliance at all levels.

**8. EVALUATION PROCESS:** The State of Arizona bid this requested service. The City will avoid the costs of a bid process by using the State contract. The State contract is effective through May 31, 2009 and is extendable through May 31, 2011. A Purchase Order will be issued for the contract.
