2. **Arbitration Panel:** The Arbitration Panel shall consist of the arbitrators selected by the parties involved in the dispute, (i.e., CITY will select one arbitrator, CONTRACTOR will select one arbitrator, and any other CONTRACTOR who has a Agreement with CITY which contains this ADR provision and is a party to the same dispute will also select an arbitrator), and the foregoing arbitrators shall select a neutral Arbitrator who will hear the matter and make a final determination, as set forth herein.
3. **Expedited Hearing:** The parties have structured this procedure with the goal of providing for the prompt and efficient resolution of all disputes falling within the purview of this ADR process. To that end, any party can petition the Arbitrator to set an expedited hearing if circumstances justify it. The Arbitrator shall contact the parties and schedule the arbitration at the earliest possible date. In any event, the hearing of any dispute not expedited will commence as soon as practical, but in no event later than sixty (60) days after notification of request for arbitration having been submitted. This

---

deadline can be extended only with the consent of all the parties to the dispute, or by decision of the Arbitrator upon a showing of emergency circumstances.

4. **Procedure:** The Arbitrator shall conduct the hearing that will resolve disputes in a prompt, cost efficient manner giving due regard to the rights of all parties. Each party shall supply to the Arbitrator a written pre-hearing statement, which shall contain a brief statement of the nature of the claim or defense, a list of witnesses and exhibits, a brief description of the subject matter of the testimony of each witness who will be called to testify, and an estimate as to the length of time that will be required for the arbitration hearing. The Arbitrator shall determine the nature and scope of discovery, if any, and the manner of presentation of relevant evidence consistent with the deadlines provided herein, and the parties' objective that disputes be resolved in a prompt and efficient manner. The Arbitrator, upon proper application, shall issue such orders as may be necessary and permissible under law to protect confidential, proprietary, or sensitive materials or information from public disclosure or other misuse. Any party may make application to the Maricopa County Superior Court to have a protective order entered as may be appropriate to conform to such orders of the Arbitrator.
5. **Hearing Days:** To effectuate the parties' goals, the hearing once commenced, will proceed from business day to business day until concluded, absent a showing of emergency circumstances.
6. **Award:** The Arbitrator shall within ten (10) days from the conclusion of any hearing issue its award. The award shall include an allocation of fees and costs pursuant to the Binding Arbitration Procedure paragraph herein. Any award providing for deferred payment shall include interest at the rate of ten (10%) percent per annum. The award is to be rendered in accordance with the Agreement and the laws of the State of Arizona.
7. **Scope of Award:** The Arbitrator shall be without authority to award punitive damages, and any such punitive damage award shall be void. The Arbitrator shall also be without authority to issue an award against any individual party in excess of \$500,000, exclusive of interest, arbitration fees, costs, and attorney's fees. If an award is made against any individual party in excess of \$50,000, exclusive of interest, arbitration fees, costs and attorneys' fees, it must be supported by written findings of fact, conclusions of law and statement as to how damages were calculated.
8. **Jurisdiction:** The Arbitrator shall not be bound for jurisdictional purposes by the amount asserted in any party's claim, but shall conduct a preliminary hearing into the question of jurisdiction upon application of any party at the earliest convenient time, but not later than the commencement of the arbitration hearing.
9. **Entry of Judgment:** Any party can make application to the Maricopa County Superior Court for confirmation of any award and for entry of judgment on it.
10. **Severance and Joinder:** To reduce the possibility of inconsistent adjudications, the Arbitrator, may at the request of any party, join and/or sever parties, and/or claims arising under other Agreements containing this ADR provision, and the Arbitrator may, on his own authority, join or sever parties and/or claims subject to this ADR process as they deem necessary for a just resolution of the dispute, consistent with the parties' goal of the prompt and efficient resolution of disputes. Nothing herein shall create the right by any party to assert claims against another party not recognized under the substantive law applicable to the dispute. The Arbitrator is not authorized to join to the proceeding parties not in privity with CITY.

**C. APPEAL TO MARICOPA COURTS:** Any party may appeal errors of law by the Arbitrator if, but only if, the errors arise in an award in excess of \$100,000; the exercise by the Arbitrator of any powers contrary to or inconsistent with the Agreement; or any of the grounds provided in A.R.S. 12-1512. Appeals shall be to the Maricopa County Superior Court within fifteen (15) days of entry of the award. The standard of review in such cases shall be that applicable to the consideration of a motion for

judgment notwithstanding the verdict, and the Maricopa County Superior Court shall have the authority to confirm, vacate, modify or remand an award appealed under this section.

- D. UNIFORM ARBITRATION ACT:** Except as otherwise provided herein, binding arbitration pursued under this provision shall be governed by the Uniform Arbitration Act as enacted in Arizona in A.R.S. 12-1501, et. seq.
- E. FEES AND COSTS:** Each party shall bear its own fees and costs in connection with any internal dispute resolution procedure. All fees and costs associated with any arbitration before the Arbitrator, including without limitation, the Arbitrator's fees, the prevailing party's attorneys' fees, expert witness fees and costs, will be paid by the non-prevailing party, except as provided for herein. The determination of prevailing and non-prevailing parties, and the appropriate allocation of fees and costs, will be included in the award by the Arbitrator.
- F. EQUITABLE LITIGATION:** Notwithstanding any other provision of ADR to the contrary, any party may petition the Maricopa County Superior Court for interim equitable relief as necessary to preserve the status quo and prevent immediate and irreparable harm to a party or to ongoing work pending resolution of a dispute pursuant to ADR provided for herein. No court may order any permanent injunctive relief except as may be necessary to enforce an order or award entered by the Arbitrator. The fees and costs incurred in connection with any such equitable proceeding shall be determined and assessed in pursuant to the Alternative Dispute Resolution provisional of this Agreement.
- 11. INDEMNIFICATION:** To the fullest extent permitted by law, CONTRACTOR shall defend, indemnify and hold harmless the City of Chandler, its Mayor and Council, appointed boards and commissions, officials, officers, employees individually and collectively; from and against all losses, claims, suits, actions, payments and judgments, demands, expenses, damages, including consequential damages and loss of productivity, attorney's fees, defense costs, or actions of any kind and nature relating to, arising out of, or alleged to have resulted from CONTRACTOR'S work or services.
