2. Council Meeting Date:

July 30, 2009

TO: MAYOR & COUNCIL

3. Date Prepared: June 25, 2009

THROUGH: CITY MANAGER

4. Requesting Department: Police

5. SUBJECT: Approve sole source purchase of maintenance and support for Police Works field report writing software from SunGard Public Sector, Inc., in an amount not to exceed \$136,302.41.

6. RECOMMENDATION: Recommend approval of sole source purchase of maintenance and support for Police Works field report writing software from SunGard Public Sector, Inc., in an amount not to exceed \$136,302.41.

7. HISTORICAL BACKGROUND/DISCUSSION: The Police Works field report writing software is currently installed on Police Department patrol vehicle Mobile Data Computers (MDC) and LAN computers, which total 397 licenses. In addition, SunGard Public Sector, Inc. also provides database administrator (DBA) assistance for the database that stores the data from police reports. Department personnel who write reports for accidents, field interviews, and all offense incident reports use Police Works field report writing software. This purchase will ensure the on-going maintenance, services and support. This service also includes upgrades to the Police Works field report writing software, services on the server and DBA services for the MS-SQL Server database that is currently used to store the data.

8. EVALUATION PROCESS: The maintenance and support for this report writing software and database server is available only through SunGard Public Sector, Inc. They are the sole developer and distributor of the Police Works field report writing software, as well as the sole support for the software and database server.

9. FINANCIAL IMPLICATIONS: Funding for these purchases will be from: 101.2060.0000.5419-General Fund, Police Communications, Other Equipment Maintenance.
