

**PURCHASING ITEM
FOR
COUNCIL AGENDA
Memo No. CA10-035**

1. Agenda Item Number:
30
2. Council Meeting Date:
August 27, 2009

TO: MAYOR & COUNCIL

3. Date Prepared: August 7, 2009

THROUGH: CITY MANAGER

4. Requesting Department: Fire Department

5. SUBJECT: Award an architectural design and construction administration services contract to Deutsch Architecture Group for Fire Station No. 1, to be located at 1475 E. Pecos Rd., Project No. FI0902-201, in an amount not to exceed \$464,555.

6. RECOMMENDATION: Staff recommends that Council award architectural design and construction administration services contract to Deutsch Architecture Group for Fire Station No. 1, to be located at 1475 E. Pecos Rd., Project No. FI0902-201, in an amount not to exceed \$464,555.

7. BACKGROUND/DISCUSSION: This contract is for architectural design and construction administration services contract for a new Fire Station No. 1 to be located at 1475 E. Pecos Road. The recently adopted Capital Improvement Program (FY 09/10) includes the design of a new fire station. This new station is the result of relocating the existing Fire Station No. 1 to address response needs of a growing area and to meet the need for an additional southeast fire station. The Fire Station No. 1 relocation project was the result of recommendations from a new Fire Department Standards of Response Coverage study completed during the Fire Department's Accreditation process and the Department Director's committee evaluating overall CIP projects for the City during the budget process. In the 2009 Standard of Response Coverage study, the Department has expanded the scope of planning to include National Fire Protection Association's Standard 1710. This standard has changed the response parameters for the Department, resulting in a change of fire station locations. This proposal relocates the current Fire Station No. 1 and eliminates one of the planned growth fire stations that were projected for the southeast portion of the City. The Department Director's CIP budget committee also came to the conclusion that if Fire Station No. 1 was relocated that the existing station could be used for other City purposes, thus benefiting several City departments. The Fire Department has applied for a stimulus grant under the American Recovery and Reinvestment Act for the construction of this station in an amount of 4.8 million dollars.

The fire station will be achieving a silver certification level within the Leadership in Energy and Environmental Design, LEED, version 3 2009 Green Building Rating System. Designing to LEED standards creates an environmentally friendly building and it also reduces future operating costs for the facility. Fire Station No. 1 will be the first fire station certified LEED in the City.

8. EVALUATION: The City's selection process was conducted in accordance with state law and established City policies and procedures. Staff solicited and received statement of qualifications from twenty-one (21) interested firms on June 10, 2009. The selection committee included the following members:

- Tom Carlson, Assistant Fire Chief
- Martin Perez, Project Manager
- Chris Lamm, Project Manager
- Brad Miller, Battalion Chief
- Jack Graham, Chandler Resident

9. FINANCIAL IMPLICATIONS:

FIRE STATION NO. 1 PROJECT NO. FI0902-201

MEMO NO. CA10-035

 PROJECT SITE

DESIGN CONSULTANT SERVICES CONTRACT

PROJECT TITLE: **FIRE STATION NO. 1**

PROJECT NO: **FI0902-201**

This Agreement is made and entered into by and between the City of Chandler, Arizona, a municipal Corporation, hereinafter called the CITY, and Bernard Deutsch Associates, Inc., dba Deutsch Architecture Group, an Arizona Corporation, hereinafter called DESIGN CONSULTANT.

WHEREAS, DESIGN CONSULTANT represents DESIGN CONSULTANT has the expertise and is qualified to perform the services described in this Agreement; and

WHEREAS, the Mayor and City Council/City Manager of the City of Chandler are authorized and empowered by the provisions of the City Charter to execute Agreements for Professional Services;

NOW THEREFORE, for and in consideration of the mutual covenants and conditions hereinafter contained, it is agreed by and between the CITY and DESIGN CONSULTANT, as follows:

1. DESCRIPTION OF PROJECT: The Project known as the FIRE STATION NO. 1 will be an approximately 13,000 square foot building. With site improvements it will occupy three acres located at 1475 E. Pecos Road, Chandler, Arizona. The Project is more specifically described in Exhibit A -1 attached hereto and incorporated herein by reference.

2. DEFINITIONS: Words used in this Agreement which are defined in CITY's General Conditions for Construction Contracts shall have the meaning stated therein. DESIGN CONSULTANT is the Project Designer as defined in said General Conditions.

3. SCOPE OF WORK: DESIGN CONSULTANT shall design the Project all as more specifically described in Exhibits A, A-1, A-2, A-3, and A-4 attached hereto and incorporated herein by reference.

4. PAYMENT SCHEDULE: For services described in paragraph 3 of this Agreement, the CITY shall pay DESIGN CONSULTANT a fee not to exceed a sum of Four Hundred Sixty Four Thousand Five Hundred Fifty Five dollars (\$464,555) in accordance with the fee schedule attached hereto as Exhibit B & Exhibit B-1 and made a part hereof by reference. Payment will be made monthly on the basis of progress reports. An Application and Certification for Payment Sheet must be provided. In addition, the following must also be included with each application for payment: a clear, detailed invoice reflecting items being billed for; a summary sheet showing percentage of work completed to date; amount/percent billed to date; current status of all tasks within a project; and any/all backup documentation supporting the above items. Work schedule updates shall also be included in the monthly progress payment requests.

5. PERIOD OF SERVICE:

A. Following receipt of a "Notice to Proceed" with the design work, DESIGN CONSULTANT shall complete the design and have all documents ready for bidding within Three Hundred Eighty Five (385) calendar days of the date indicated on the Notice to Proceed.

B. The Bid and Award period will be approximately 60 days. Following the General Contractors "Notice To Proceed" with construction of the Project, DESIGN CONSULTANT shall perform the construction administration portion of this contract for approximately 266 days.

C. DESIGN CONSULTANT shall prepare and deliver to CITY record documents within 60 days of the date of receipt of the red line drawings from CITY.

D. DESIGN CONSULTANT shall complete all services specified herein in accordance with the Production Schedule and progress milestones included in Exhibit A-3 attached herein. In the event delays are experienced beyond the control of DESIGN CONSULTANT, the completion date may be extended as mutually agreed upon by CITY and DESIGN CONSULTANT.

6. OPINIONS OF PROBABLE COSTS (ESTIMATES): Any opinions of probable project cost or probable construction cost provided by DESIGN CONSULTANT are made on the basis of information available to DESIGN CONSULTANT and on the basis of DESIGN CONSULTANT's experience and qualifications, and represents its best judgement as an experienced, licensed and qualified professional. However, since DESIGN CONSULTANT has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s) methods of determining prices, or over competitive bidding or market conditions, DESIGN CONSULTANT does not guarantee that proposals, bids or actual project or construction cost will not vary from opinions of probable cost DESIGN CONSULTANT prepares.

7. REPORTS & APPROVALS: All work shall be subject to the approval by CITY and each phase of the work will be submitted to CITY in accordance with schedule included in Exhibit A-3 and in the format prescribed by CITY. When requested by CITY, DESIGN CONSULTANT will attend Council meetings and provide finished documents including correspondence for Council action, supporting charts, graphs, drawings and colored slides of same.

8. STANDARDS OF PERFORMANCE:

A. This design contract has been awarded to DESIGN CONSULTANT based on their proposal that those personnel and consultants listed in Exhibit A-2 attached hereto will perform the portions of the work listed on said Exhibit A-2. DESIGN CONSULTANT shall not deviate nor substitute any of these team members without prior written approval by CITY.

B. DESIGN CONSULTANT shall be responsible for the technical accuracy of its services and documents resulting therefrom, and CITY shall not be responsible for discovering deficiencies therein. DESIGN CONSULTANT shall correct any such deficiencies without additional compensation or cost to CITY, except to the extent any such deficiency is directly attributable to deficiencies in CITY-furnished information.

C. DESIGN CONSULTANT shall be familiar with CITY's Standard Details and Specifications and other relevant CITY regulations. DESIGN CONSULTANT shall ensure there are no conflicts among the Contract Documents including, but not limited to, the CITY's General and Supplementary Conditions for Construction Contracts, the plans and specifications prepared by DESIGN CONSULTANT, any standard details or specifications incorporated therein by reference, and the Construction Contract.

D. Correction of Mistakes: DESIGN CONSULTANT shall be responsible for the completeness and accuracy of the work prepared or compiled under DESIGN CONSULTANT's obligation for this project and shall correct, at DESIGN CONSULTANT's expense, all errors or omissions therein which may be disclosed. Correction of errors disclosed and determined to exist during any construction of the

project on architectural or engineering drawings and specifications shall be accomplished by DESIGN CONSULTANT. The cost of the design necessary to correct those errors attributable to DESIGN CONSULTANT and any damage incurred by CITY as a result of additional construction costs caused by such engineering or architectural errors shall be chargeable to DESIGN CONSULTANT and shall not be considered a cost of the Work. The fact that CITY has reviewed or approved DESIGN CONSULTANT's work shall in no way relieve DESIGN CONSULTANT of any of its responsibilities.

9. INDEMNIFICATION

(a) For Professional Liability:

To the fullest extent permitted by law, DESIGN CONSULTANT shall defend, indemnify and hold harmless the City of Chandler, its agents, representatives, officers, directors, officials and employees, individually and collectively, (hereinafter CoC) from and against all losses, claims, damages, suits, actions, payments, judgments, demands, expenses, and costs, including but not limited to, attorney's fees, defense costs, court costs, and the cost of appellate proceedings, or actions of any kind and nature related to, arising out of, or alleged to have resulted from the errors, mistakes or omissions relating to professional services by DESIGN CONSULTANT, its employees, agents, or any tier of subcontractors in the performance of this Contract or of any other person for whose errors, mistakes or omissions DESIGN CONSULTANT may be legally liable. This indemnity shall not be construed to include losses, claims, damages, suits, or actions of any kind and nature, to the extent arising from or alleged to have resulted from the errors, mistakes or omissions of CoC (other than DESIGN CONSULTANT, its employees, agents, or any tier of subcontractors). The provisions of this paragraph shall survive termination of this Contract.

(b) For all Other Liabilities, Hazards and Exposures:

To the fullest extent permitted by law, DESIGN CONSULTANT shall defend, indemnify and hold harmless the City of Chandler, its agents, representatives, officers, directors, officials and employees, individually and collectively, (hereinafter CoC) from and against all losses, claims, damages, suits, actions, payments, judgments, demands, expenses, and costs, including but not limited to, attorney's fees, defense costs, court costs, and the cost of appellate proceedings, or actions of any kind and nature, wages or overtime compensation due employees in rendering service under this Contract and whether to any person or property, including natural resources and any claim made under the Fair Labor Standards Act or any other federal or state laws, related to, arising out of, or alleged to have resulted from the actions of DESIGN CONSULTANT and alleged to have been caused in whole or in part by any act or omission of DESIGN CONSULTANT, anyone directly or indirectly employed by them or anyone for whose acts DESIGN CONSULTANT may be legally liable, and from any claims or amounts arising or recovered under Workers' Compensation laws or any other law, bylaw, or ordinance, order or decree or any failure on the part of DESIGN CONSULTANT, its agents, employees or representatives to fulfill DESIGN CONSULTANT'S obligations under this Contract. This indemnity shall not be construed to include losses, claims, damages, suits, or actions of any kind and nature, to the extent arising from or alleged to have resulted from the errors, mistakes or omissions of CoC, (other than DESIGN CONSULTANT, its employees, agents, or any tier of subcontractors). The provisions of this paragraph shall survive termination of this Contract.

(c) Consequential Damages:

The parties intend that damages and/or costs and all other terms implying an amount tied to liability shall include consequential damages and loss of productivity limited to the total value of this contract in dollars as payable by the City of Chandler or twice the amount of aggregate insurance required by this Contract, whichever is greater.

(d) Insurance does not limit liability:

The amount and type of insurance coverage requirements set forth herein will in no way be construed as limiting the scope of the indemnity in this paragraph.

10. INSURANCE REQUIREMENTS

10.1 General Requirements:

- A DESIGN CONSULTANT, at its own expense, shall purchase and maintain insurance of the types and amounts required in this section, with companies possessing a current A.M. Best, Inc. rating of B++6, or better and legally authorized to do business in the State of Arizona with policies and forms satisfactory to CITY.
- B With the exception of professional liability policies, policies written on a "Claims made" basis are not acceptable without written permission from the City's Risk Manager.
- C All insurance required herein shall be maintained in full force and effect until all work or services required to be performed under the terms of this Agreement is satisfactorily completed and formally accepted. Failure to do so may, at the sole discretion of CITY, constitute a material breach of this Agreement and may result in termination of this contract.
- D If any of the insurance policies are not renewed prior to expiration, payments to the DESIGN CONSULTANT may be withheld until these requirements have been met, or at the option of the City, the City may pay the Renewal Premium and withhold such payments from any monies due the DESIGN CONSULTANT.
- E All insurance policies, except Workers' Compensation and Professional Liability required by this Agreement, and self-insured retention or deductible portions, shall name, to the fullest extent permitted by law for claims arising out of the performance of this contract, the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insureds.
- F DESIGN CONSULTANT's insurance shall be primary insurance over any insurance available to the CITY and as to any claims resulting from this contract, it being the intention of the parties that the insurance policies so effected shall protect both parties and be primary coverage for any and all losses covered by the described insurance.
- G The insurance policies, except Workers' Compensation and Professional Liability, shall contain a waiver of transfer rights of recovery (subrogation) against CITY, its agents, representatives, officers, directors, officials and employees for any claims arising out of DESIGN CONSULTANT's acts, errors, mistakes, omissions, work or service.
- H The insurance policies may provide coverage which contain deductibles or self-insured retentions. Such deductible and/or self-insured retentions shall be assumed by and be for the account of, and at the sole risk of DESIGN CONSULTANT. DESIGN CONSULTANT shall be solely responsible for the deductible and/or self-insured retention. The amounts of any self-insured retentions shall be noted on the Certificate of Insurance. CITY, at its option, may require DESIGN CONSULTANT to secure payment of such deductibles or self-insured retentions by a Surety Bond or an irrevocable and unconditional letter of credit. Self-insured retentions (SIR) in excess of \$25,000 will only be accepted with the permission of the Management Services Director/designee.

- I All policies and certificates shall contain an endorsement providing that the coverage afforded under such policies shall not be reduced, canceled or allowed to expire until at least thirty (30) days prior written notice has been given to CITY.
- J Information concerning reduction of coverage on account of revised limits or claims paid under the General Aggregate, or both, shall be furnished by the DESIGN CONSULTANT with reasonable promptness in accordance with the DESIGN CONSULTANT's information and belief.
- K In the event that claims in excess of the insured amounts provided herein, are filed by reason of any operations under this contract, the amount of excess of such claims, or any portion thereof, may be withheld from payment due or to become due the DESIGN CONSULTANT until such time as the DESIGN CONSULTANT shall furnish such additional security covering such claims as may be determined by the CITY.

10.2 Proof of Insurance - Certificates of Insurance

- A Prior to commencing work or services under this Agreement, DESIGN CONSULTANT shall furnish to CITY Certificates of Insurance, issued by DESIGN CONSULTANT's insurer(s), as evidence that policies providing the required coverages, conditions and limits required by this Agreement are in full force and effect and obtain from the City's Risk Management Division approval of such Certificates.
- B If a policy does expire during the life of this Agreement, a renewal certificate must be sent to the City of Chandler five (5) days prior to the expiration date.
- C All Certificates of Insurance shall identify the policies in effect on behalf of DESIGN CONSULTANT, their policy period(s), and limits of liability. Each Certificate shall include the job site and project number and title. Coverage shown on the Certificate of Insurance must coincide with the requirements in the text of the contract documents. Information required to be on the certificate of Insurance may be typed on the reverse of the Certificate and countersigned by an authorized representative of the insurance company.
- D CITY reserves the right to request and to receive, within 10 working days, certified copies of any or all of the herein required insurance policies and/or endorsements. CITY shall not be obligated, however, to review same or to advise DESIGN CONSULTANT of any deficiencies in such policies and endorsements, and such receipt shall not relieve DESIGN CONSULTANT from, or be deemed a waiver of CITY's right to insist on, strict fulfillment of DESIGN CONSULTANT's obligations under this Agreement.

10.3 Required Coverage

Such insurance shall protect DESIGN CONSULTANT from claims set forth below which may arise out of or result from the operations of DESIGN CONSULTANT under this Contract and for which DESIGN CONSULTANT may be legally liable, whether such operations be by the DESIGN CONSULTANT or by a Sub-consultant or subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable. Coverage under the policy will be at least as broad as Insurance Services Office, Inc., policy form CG00011093 or equivalent thereof, including but not limited to severability of interest and waiver of subrogation clauses.

- A Claims under workers' compensation, disability benefit and other similar employee benefit acts which are applicable to the Work to be performed;

- B Claims for damages because of bodily injury, occupational sickness or disease, or death of the Contractor's employees;
- C Claims for damages because of bodily injury, sickness or disease, or death of any person other than the Contractor's employees;
- D Claims for damages insured by usual personal injury liability coverage;
- E Claims for damages, other than to Work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom;
- F Claims for damages because of bodily injury, death of a person or property damage arising out of ownership, maintenance or use of a motor vehicle; Coverage will be at least as broad as Insurance Service Office, Inc., coverage Code "I" "any auto" policy form CA00011293 or equivalent thereof.
- G Claims for bodily injury or property damage arising out of completed operations;
- H Claims involving contractual liability insurance applicable to the Contractor's obligations under the Indemnification Agreement;
- I Claims for injury or damages in connection with one's professional services;
- J Claims involving construction projects while they are in progress. Such insurance shall include coverage for loading and off loading hazards. If any hazardous material, as defined by any local, state or federal authorities are to be transported, MCS 90 endorsement shall be included.

10.3.1 Commercial General Liability - Minimum Coverage Limits:

The Commercial General Liability insurance required herein shall be written for not less than \$1,000,000 limits of liability or ten percent (10%) of the Contract Price, whichever coverage is greater. Any combination between general liability and excess general liability alone amounting to a minimum of \$1,000,000 per occurrence (or 10% per occurrence) and an aggregate of \$2,000,000 (or 20% whichever is greater) in coverage will be acceptable. The Commercial General Liability additional insured endorsement shall be as broad as the Insurance Services, Inc's (ISO) Additional Insured, Form B, CG 20101001, and shall include coverage for DESIGN CONSULTANT's operations and products, and completed operations.

10.3.2 General Liability - Minimum Coverage Limits

The General Liability insurance required herein, including, Comprehensive Form, Premises-Operations, Explosion and Collapse, Underground Hazard, Products/Completed Operations, Contractual Insurance, Broad Form Property Damage, Independent Contractors, and Personal Injury shall be written for Bodily Injury and Property Damage Combined shall be written for not less than \$1,000,000 or 10% of the contract cost and with a \$2,000,000 aggregate.

10.3.3 Automobile Liability

DESIGN CONSULTANT shall maintain Commercial/Business Automobile Liability insurance with a combined single limit for bodily injury and property damage of not less than \$1,000,000 each occurrence

with respect to any owned, hired, and non-owned vehicles assigned to or used in performance of the DESIGN CONSULTANT's work. Coverage shall be at least as broad as coverage code 1, "any auto", (Insurance Service Office, Inc. Policy Form CA 00011293, or any replacements thereof). Such insurance shall include coverage for loading and off loading hazards if hazardous substances, materials or wastes are to be transported and a MCS 90 endorsement shall be included with coverage limits of \$5,000,000 per accident for bodily injury and property damage.

10.3.4 Worker's Compensation and Employer's Liability:

DESIGN CONSULTANT shall maintain Workers' Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction over DESIGN CONSULTANT's employees engaged in the performance of the work or services; and, Employer's Liability insurance of not less than \$1,000,000 for each accident, \$1,000,000 disease coverage for each employee, and \$1,000,000 disease policy limit. In case any work is subcontracted, DESIGN CONSULTANT will require the Subcontractor to provide Workers' Compensation and Employer's Liability to at least the same extent as required of DESIGN CONSULTANT.

10.3.5 Professional Liability:

DESIGN CONSULTANT shall maintain Professional Liability insurance covering acts, errors, mistakes and omissions arising out of the work or services performed by DESIGN CONSULTANT, or any person employed by DESIGN CONSULTANT, with a claims made policy limit of not less than \$1,000,000.

11. DISPUTE RESOLUTION:

A. Disputed Invoices. In the event of a disputed or contested invoice, only that portion so contested may be withheld from payment, and the undisputed portion will be paid.

B. Disputed Items. CITY may temporarily delete any disputed items contained in DESIGN CONSULTANT's invoice, including items disputed due to lack of supporting documentation, and pay the remaining amount of the invoice. CITY shall promptly notify DESIGN CONSULTANT of the dispute and request clarification and/or remedial action. CITY may withhold payment on all disputed items until the issues are resolved. After any dispute has been settled, DESIGN CONSULTANT shall include the disputed item on a subsequent regularly scheduled invoice or on a special invoice for the disputed item only.

C. Good Faith Negotiation. CITY and DESIGN CONSULTANT agree to negotiate all disputes between them in good faith prior to exercising their rights under law.

D. Binding Special Arbitration. All claims, disputes and other matters in question between CITY and DESIGN CONSULTANT arising out of, or relating to this Agreement, or the breach thereof (except for claims which have been resolved pursuant to paragraphs 9 or 12 A, B and C herein above shall be decided by binding, unappealable special arbitration, as described below, if the claim for compensation, costs or expenses, damages or reimbursement is equal to or less than \$50,000. Claims over \$50,000 shall have non-binding mediation as the first step to settling the dispute or claim.

E. Special Arbitration. All arbitration of claims shall be conducted in Chandler, Arizona, in accordance with the following rules:

- 1) Any time after the parties have attempted in good faith but without success to resolve one or more disputes, a party may notify the other in writing that they are at impasse (Notice of Impasse) and request immediate arbitration in accordance with the terms herein.
- 2) Within ten (10) days after the date of such Notice of Impasse, each party shall select an impartial intermediary, who shall, together, agree upon a third impartial person who will be the arbitrator. To be considered impartial an intermediary or arbitrator shall not have any previous or current relationship which would be considered a conflict of interest with either party, including, but not limited to, current or previous employment or contractual relationship, indebtedness or ownership interest.
- 3) The parties shall immediately cooperate with each other to draft together a short summary of the facts and a list of questions or issues to be resolved by the arbitrator. If the facts are in dispute, such disputed facts shall be listed as contentions by the party asserting them. In the event the parties are unable to agree upon a summary of the facts or a list of questions or issues, each party shall instead include a statement of facts and list of issues in that party's Position Paper submitted to the arbitrator. Such summary of facts and list of questions or issues shall be completed by the parties and submitted to the arbitrator within twenty (20) days of the date of the Notice of Impasse.
- 4) The parties shall cooperate to gather any documents and exhibits necessary to resolve the issues and provide them jointly to the arbitrator. In the event of a dispute between the parties regarding whether a document should be provided, the disputed document shall be submitted to the impartial intermediaries who will determine its appropriateness for submittal. Correspondence between the parties which discusses settlement or resolution of the issues shall be submitted. All such evidence shall be submitted to the arbitrator within twenty (20) days of the date of the Notice of Impasse.
- 5) Each party may submit a written Position Paper of no more than ten (10) pages, supporting or explaining that party's position and providing citations to relevant law. Any such Position Paper shall be submitted to the arbitrator within thirty (30) days of the date of the Notice of Impasse.
- 6) There shall be no hearing, no witnesses, no argument nor contact by the parties or their representatives with the arbitrator except for the joint submittals and each party's Position Paper.
- 7) The arbitrator may request additional information and may make any other orders necessary to resolve the entire matter.
- 8) The arbitrator shall issue a written decision resolving all the submitted issues within 30 days after receiving the Position Papers.

F. Nothing herein contained shall be so construed as to preclude DESIGN CONSULTANT or CITY from commencing a legal action in relation to claims in excess of \$50,000, but the sole legal remedy in relation to claims of \$50,000 or less shall be binding, unappealable special arbitration as described above.

12. **AMENDMENTS:** Whenever a change in the Scope of Work contemplated in this Agreement is determined to be necessary, the work will be performed in accordance with this Agreement provided, however, that BEFORE such work is started, an Amendment shall be executed by CITY and DESIGN CONSULTANT. Additions to, modifications of, or deletions from the project provided herein may be

made and the compensation to be paid to DESIGN CONSULTANT may be adjusted accordingly by mutual agreement of the contracting parties. It is agreed that no claim for extra work by DESIGN CONSULTANT will be allowed by CITY except as provided herein, nor shall DESIGN CONSULTANT do any work not covered by this Agreement unless such work is authorized through an executed amendment.

13. TERMINATION WITHOUT CAUSE: CITY may at any time and for any or no reason, at its convenience, terminate this Agreement or any part of the services to be rendered pursuant thereto by ten (10) day written notice to DESIGN CONSULTANT specifying the termination date. Immediately after receiving such notice, DESIGN CONSULTANT shall discontinue advancing the work under this Agreement and shall deliver to CITY all drawings, notes, calculations, sketches and other materials entirely or partially completed, together with all unused materials supplied by CITY.

DESIGN CONSULTANT shall receive as compensation in full for services performed to date of such termination, a fee for the percentage of work actually completed. This fee shall be a percentage of DESIGN CONSULTANT(S) fee described in this Agreement under paragraph 4 and shall be in an amount to be agreed mutually by DESIGN CONSULTANT and CITY. CITY shall make this final payment within sixty (60) days after DESIGN CONSULTANT has delivered the last of the partially completed items.

14. TERMINATION WITH CAUSE

This Agreement may be terminated by CITY for cause should the DESIGN CONSULTANT fail to perform any provision of this Agreement, including without limitation, for any of the following reasons:

- (a) DESIGN CONSULTANT abandons Work;
- (b) DESIGN CONSULTANT assigns or attempts to assign its rights or obligations under this Agreement or any part thereof to any third-party (without the prior written consent of CITY);
- (c) DESIGN CONSULTANT is adjudged bankrupt or insolvent, makes a general assignment for the benefit of creditors, has a trustee or receiver appointed for its property, or files a petition to take advantage of any debtor's act;
- (d) DESIGN CONSULTANT fails or refuses to perform any obligation under the Agreement, or fails to remedy such nonperformance within seven (7) days after its occurrence;
- (e) DESIGN CONSULTANT fails to comply with any applicable Laws and fails to remedy such nonperformance within seven (7) days after its occurrence;
- (f) DESIGN CONSULTANT fails to achieve the required dates for performance required pursuant to the Agreement.

The CITY'S right of termination for cause as set forth herein shall be in addition to, and not a limitation of, any and all other remedies available to CITY at law, in equity, or under the terms and provisions of this Agreement.

15. OWNERSHIP OF DOCUMENTS: All documents, including, but not limited to, preliminary designs, tracings, drawings, original mylars, estimates, field notes, investigations, design analysis and studies which are prepared in the performance of this Agreement are to be, and shall remain the property of CITY. DESIGN CONSULTANT shall furnish CITY, upon its request, originals or reproducible copies of technical specifications and copies of all other documents listed above. DESIGN CONSULTANT shall endorse, by his professional seal, all plans and engineering data furnished by it.

16. RE-USE OF DOCUMENTS: The parties agree the documents, drawings, specifications and designs, although the property of CITY, are prepared for this specific project and are not intended nor

represented by DESIGN CONSULTANT to be suitable for re-use for any other project. Any reuse without written verification or adaptation by DESIGN CONSULTANT for the specific purpose intended will be at CITY's sole risk and without liability or legal exposure to DESIGN CONSULTANT.

17. NO KICK-BACK CERTIFICATION: DESIGN CONSULTANT warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee; and that no member of the City Council or any employee of the CITY has any interest, financially or otherwise, in the DESIGN CONSULTANT firm.

For breach or violation of this warranty, CITY shall have the right to annul this Agreement without liability, or at its discretion to deduct from the Agreement Price or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

18. CONFLICT OF INTEREST: DESIGN CONSULTANT stipulates that its officers and employees do not now have a conflict of interest and it further agrees for itself, its officers and its employees that it will not contract for or accept employment for the performance of any work or services with any individual business, corporation or government unit that would create a conflict of interest in the performance of its obligations pursuant to this Agreement.

Pursuant to A.R.S. Section 38-511, CITY may cancel this Agreement within three (3) years after its execution, without penalty or further obligation by CITY if any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement on behalf of CITY is, at any time while this Agreement is in effect, an employee of any other party to this Agreement in any capacity, or a consultant to any other party of this Agreement with respect to the subject matter of this Agreement.

19. CONTROLLING LAW: The laws of the State of Arizona shall govern this agreement.

20. REQUIRED COMPLIANCE WITH ARIZONA PROCUREMENT LAW

Compliance with A.R.S. § 41-4401. Pursuant to the provisions of A.R.S. § 41-4401, the Design Consultant hereby warrants to the City that the Design Consultant and each of its subcontractors ("Subcontractors") will comply with all Federal Immigration laws and regulations that relate to the immigration status of their employees and the requirement to use E-Verify set forth in A.R.S. §23-214(A) (hereinafter "Design Consultant Immigration Warranty").

A breach of the Design Consultant Immigration Warranty (Exhibit C) shall constitute a material breach of this Contract that is subject to penalties up to and including termination of the contract.

The City retains the legal right to inspect the papers of any Design Consultant or Subcontractor employee who works on this Contract to ensure that the Design Consultant or Subcontractor is complying with the Design Consultant Immigration Warranty. The Design Consultant agrees to assist the City in the conduct of any such inspections.

The City may, at its sole discretion, conduct random verifications of the employment records of the Design Consultant and any Subcontractors to ensure compliance with Design Consultants Immigration Warranty. The Design Consultant agrees to assist the City in performing any such random verifications.

The provisions of this Article must be included in any contract the Design Consultant enters into with any and all of its subcontractors who provide services under this Contract or any subcontract. "Services" are defined as furnishing labor, time or effort in the State of Arizona by a Design Consultant or subcontractor. Services include construction or maintenance of any structure, building or transportation facility or improvement to real property.

The City may, at its sole discretion, conduct random verifications of the employment records of the Design Consultant and any Subcontractors to ensure compliance with Design Consultants Immigration Warranty. The Design Consultant agrees to assist the City in performing any such random verifications.

The provisions of this Article must be included in any contract the Design Consultant enters into with any and all of its subcontractors who provide services under this Contract or any subcontract. "Services" are defined as furnishing labor, time or effort in the State of Arizona by a Design Consultant or subcontractor. Services include construction or maintenance of any structure, building or transportation facility or improvement to real property.

In accordance with A.R.S. §35-393.06, the Design Consultant hereby certifies that the offeror does not have scrutinized business operations in Iran.

In accordance with A.R.S. §35-391.06, the Design Consultant hereby certifies that the offeror does not have scrutinized business operations in Sudan.

21. **NO ASSIGNMENT:** DESIGN CONSULTANT shall not assign, transfer, convey or subcontract this Agreement or the services to be rendered pursuant thereto without the prior written consent of CITY.

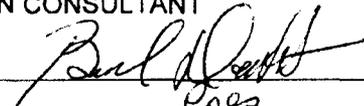

22. **NOTICES:** Any notice required under this Agreement shall be in writing, addressed to the appropriate party at its address on the signature page and given personally or by registered or certified mail postage prepaid, or by a commercial courier service. All notices shall be effective upon the date of receipt.

IN WITNESS WHEREOF, the parties have hereunto subscribed their names to this
day of 2009

DETAILED DESCRIPTION OF THE PROJECT AND DESIGN CONSULTANT SCOPE OF SERVICES

PROJECT TITLE: FIRE STATION NO. 1
PROJECT NO.: FI0902-201
Chandler, AZ.

I. PROJECT DESCRIPTION & SCOPE OF CONSTRUCTION:

Design consultant will provide services for the design, permitting, development of construction documents, and specified construction administration for the development of a Fire Station 1, located at 1475 E. Pecos Road, Chandler, Arizona, all as more specifically described herein below.

The facility design may include, but not be limited to, design and construction documents, technical bid specifications, soils and drainage reports and structural calculations. The exterior improvements may include: A more detailed description of City's concept is attached as Exhibit A-1.

The project design and construction is \$5,000,000. All design and construction of the project will be completed within this budget.

DESIGN CONSULTANT shall provide all design services for the Project including, but not limited to, normal landscape, civil, mechanical and electrical engineering services.

II ASSIGNMENT:

1. The design contract has been awarded to an architect based on their proposed personnel and specified consultants. Any deviations or substitutions of these team members must be pre-approved in writing by the Owner's representative. Those persons listed in Exhibit A-2 will perform those portions of the work listed therein.

III. PROJECT SCHEDULE:

2. DESIGN CONSULTANT shall perform the services within the times set forth in the Production Schedule attached hereto as Exhibit A-3 and made a part hereof by reference.
3. DESIGN CONSULTANT shall adhere to the Production Schedule described herein and such schedule may not be modified or deviated from without written consent of the CITY. DESIGN CONSULTANT shall revise and submit for review an updated schedule whenever it is demonstrated that the time for completion of the Project Design or of any of the partial completion points listed in the schedule is delayed by two weeks or more. Such adjusted schedule will include a written explanation stating the reasons for the change and a plan for getting back on schedule. The DESIGN CONSULTANT shall take all reasonable actions necessary to get the project back on schedule and City shall cooperate to assist DESIGN CONSULTANT.

IV. QUALITY CONTROL:

4. DESIGN CONSULTANT shall institute and comply with the Design Quality Control Plan attached hereto and made a part hereof by reference.
5. As a part of the project design DESIGN CONSULTANT shall develop a quality control plan for the entire construction phase. This Quality Control Plan shall establish what elements should and must be seen by each consultant during construction. Identify what is in the project, which will be required to have a UBC "special Inspection" by the design engineer.

V. PRELIMINARY RESEARCH:

As and for preliminary research before preparing the project design, DESIGN CONSULTANT shall:

6. Perform a Document Search for utility as-builts.
7. Perform a Document search for rights-of-way.
8. Perform a Document search for survey ties and benchmarks.
9. Perform a Document search for City policies, regulations, standards, design manuals, and requirements, etc relevant to project.
10. Research and/or obtain geotechnical reports and investigations, master plans, computer model data and field surveys.
11. Research all utility companies/agencies and acquire all available as-built and utility records.
12. Investigate existing conditions, make measured drawings, and verify accuracy of drawings or other information furnished by Owner.
13. Consultant shall provide a survey of the project area that includes complete topographical and property data of the immediate site. Design shall utilize established City of Chandler benchmarks and reference locations of benchmarks on the plans. Clearly define the benchmark location and elevation that will be utilized for construction of this facility.

VI. UTILITY/AGENCY COORDINATION:

14. Coordination with utility companies and agencies shall be in accordance with the latest version of the "Public Improvement Project Guide" (PIPG).
15. DESIGN CONSULTANT shall identify utility conflicts during the initial stages of the design process.
16. DESIGN CONSULTANT shall coordinate the design and installation of the utilities, which includes, but is not limited to, services for electric, communications, water, storm drainage, irrigation and sanitary systems, etc.
17. Easements for these utilities shall be identified early in the design stage of the project and necessary information provided to the CITY'S Real Estate Department to allow the CITY to complete acquisition during the design phase.
18. Engineers employed by DESIGN CONSULTANT shall provide the legal descriptions for the natural gas and electrical service easements.
19. DESIGN CONSULTANT shall submit preliminary plans, specifications, and design calculations to utilities/agencies for review and use during their design for their service improvements or any necessary relocations.
20. DESIGN CONSULTANT shall conduct utility meetings to coordinate relocations with utility/agency and establish relocation schedules.
21. DESIGN CONSULTANT shall follow-up with the final design submittal for utility construction and coordination with the bid documents.

22. DESIGN CONSULTANT shall incorporate the utility/agency private developer construction requirements into the bid documents.

VII. GEOTECHNICAL INVESTIGATION:

23. Consultant shall perform all soil and pavement borings necessary to complete their work.
24. Sub-surface soil conditions, established by the geotechnical investigations, shall be incorporated into the bid documents in a manner usable to the excavation and foundation bidding and construction.

VIII. PROGRAMMING:

25. DESIGN CONSULTANT shall meet with City staff to ascertain the requirements of the Project and shall arrive at a mutual understanding of such requirements.
26. DESIGN CONSULTANT shall perform a total of 4 Public Information meetings. These will include preparing exhibits, facilitating discussions and documenting meeting information exchange. The exhibits will include a simple site orientation plan, and one line building component plan(s). CITY will advertise and promote the meetings.
27. DESIGN CONSULTANT shall prepare a "Program" which will include:
- Establish construction budget
 - Complete documentation of site survey from preliminary work
 - Define new buildings space needs
 - Define new building space requirements and amenities necessary to accommodate planned activities in each space
 - Define site requirements
 - Create a matrix of spaces, sizes and amenities
28. Based on the mutually agreed-upon program, schedule and construction budget requirements, DESIGN CONSULTANT shall prepare, for approval by CITY, Schematic Design Documents consisting of drawings and other documents illustrating the scale and relationship of the Project components.

IX. SCHEMATIC DESIGN (30% Document Review):

When the design is approximately thirty percent complete, DESIGN CONSULTANT shall do the following:

29. Prepare a minimum of three (3) different single line concept drawing schemes, which depict the size and orientation of the project elements in relation to one another.
30. Present initial schemes to CITY and its representatives (to potentially include a contractor). Staff will collaborate with designers to manipulate the plans and mutually decide on the best scheme.
31. The final scheme shall incorporate CITY'S comments (and potentially a contractors' comments) and be cleaned up for reference and presentation to the City Council if requested.
32. Attend a City Council meeting and brief the City Council, which will include preparing exhibits, rendering(s), computer graphic "fly-around", displaying and explaining such exhibits etc., to the City Council and public while documenting meeting information exchange.
33. Attend any other City Board meeting and brief the Board, which will include preparing exhibits, renderings, computer graphic "fly-around", displaying and explaining such exhibits, etc., to Board members while documenting meeting information exchange.
34. Prepare vertical sections across the site and through the building.
35. Prepare single line elevation drawing(s) and a perspective sketch of the exterior.

36. Complete a drainage analysis and provide solutions to mitigate the runoff.
37. Identify all necessary offsite improvements such as: streets, utilities, irrigation, etc., and depict the scope in a schematic design plan.
38. Submit the project to the CITY for a Development Standards review.
39. Prepare a construction cost estimate for verification with the budget and re-design as necessary to re-align the design with the construction budget.
40. Submit to City's Project Manager for comment two complete drawing sets with drainage & structural calcs, one of which shall be reproducible.

X. DESIGN DEVELOPMENT (60% & 80% Document Review):

Based on the approved Schematic Design Documents and any adjustments authorized by CITY in the program, schedule or construction budget, DESIGN CONSULTANT shall prepare, for approval by CITY, Design Development Documents consisting of drawings and other documents to fix and describe the size and character of the Project as to architectural, structural, mechanical and electrical systems, materials and such other elements as may be appropriate. When the design is approximately sixty percent (60%) complete and again when the design is approximately eighty percent (80%) complete, DESIGN CONSULTANT shall do the following:

41. Allow and invite the Owner's Representative to attend the regular weekly design coordination meetings.
42. Develop a site plan. Design shall utilize established City of Chandler benchmarks and reference locations of benchmarks on the plans.
43. Collaborate with Owner to define their requirements for building systems.
44. Create an outline specification.
45. Prepare plans, elevations, sections, schedules and notes as required to fix and describe the project as to civil, architectural, structural, mechanical, electrical, and special systems.
46. Perform code reviews and implement requirements into the design documents.
47. Value Engineer the design cooperatively with the entire design team and CITY'S representatives. This effort will occur as early as effectively possible and consist of a focused meeting addressing: relationships of components, construction materials, and building systems.
48. Prepare a construction cost estimate for verification with the budget. Re-design as necessary to re-align the design with the construction budget.
49. Present a second briefing to Board that shall include preparing exhibits, renderings, computer graphic "fly-around", briefing Board members while documenting meeting information exchange.
50. Conduct a full document set (plans & specs) review in the presence of all consultants and CITY'S representatives and any other stakeholders.
51. Submit once to CITY'S Project Manager for comment two complete drawing sets, specifications, drainage & structural calcs, one of which will be reproducible. Include original redline drawings and comments received from previous review along with a review summary indicating action taken.
52. Schedule review meeting with plan check staff to discuss review comments. Clarify with the plan check staff what the design challenges are and decide the method in which they will be resolved.

XI. CONSTRUCTION DOCUMENTS (98% Document Review):

Based on the approved Design Development Documents and any further adjustments in the scope or quality of the Project or in the construction budget authorized by CITY, DESIGN CONSULTANT shall prepare, for approval by CITY, Construction Documents consisting of Drawings and Specifications setting forth in detail the requirements for the construction of the Project. When the design is approximately ninety eight percent (98%) complete DESIGN CONSULTANT shall do the following:

53. Prepare plans, elevations, sections, schedules, notes and specifications as required to be able to bid and construct the project in its entirety.
54. Cover sheet to be provided by CITY on diskette (AutoCAD 2004).
55. Provide the City of Chandler with a copy of the AutoCAD files. Each building system shall be "layered" so as to be able to isolate trades or engineering from architectural components or vice versa.
56. Conduct a full document set (plans & Specs) review in the presence of all consultants and CITY'S representatives.
57. Provide document coordination of work performed by separate contractors or by the CITY'S own forces (i.e.: systems furniture or exercise equipment provisions & installation, etc.).
58. Prepare a construction cost estimate for verification with the budget. Re-design as necessary to re-align the design with the construction budget.
59. Prepare bid alternates as necessary to assure budget can be met.
60. Submit to CITY'S Project Manager for comment two complete drawing sets, specifications, drainage & structural calcs, one of which will be reproducible. Include original redline drawings and comments received from previous review along with a review summary indicating action taken.

XII. BID & AWARD (100% Documents):

61. Submit bid documents to Development Services for building permit. All plans, calculations and specifications will be stamped. The specifications will be 8-1/2" x 11" and in electronic format on diskette in Microsoft Word 98. Plans will be black line prints as well as on diskette Auto CAD release 14 or R2000. Include original redline drawings and comments received from previous review along with a review summary indicating action taken.
62. Pick-up plan review final comments and prepare stamped Mylar documents for reproduction. CITY will have the bid sets reproduced from these Mylar's.
63. Assist CITY in the preparation of the Bid Form.
64. Attend and participate at the pre-bid conference for the purpose of answering technical questions from potential bidders.
65. Assist CITY in the evaluation of "substitutions and or-equals" and make a recommendation to accept or decline.
66. Prepare addenda for review and approval by CITY. CITY will distribute.
67. If bids are 10% over or under the "engineers estimate", Consultant will be required to provide a detailed evaluation explaining differences. Then the documents will be modified and re-bid at no additional cost to CITY.

XIII. CONSTRUCTION ADMINISTRATION:

During the Construction phase of the Project DESIGN CONSULTANT shall do the following:

Note: A City staff member will be designated as the Project Manager and as CITY'S REPRESENTATIVE and will perform those functions listed in the City's General Conditions for Construction Contracts as duties of the CITY REP. The CITY REP will take the lead role as Construction Administrator. The DESIGN CONSULTANT will be designated the Project Designer and shall perform those functions listed in the City's General Conditions for Construction Contracts as duties of the Project Designer, but shall also perform the following functions: (Designers Construction Administrator role is defined below.)

68. Attend and participate in the pre-construction conference for the purposes of establishing lines of communication, project protocol as well as answering design questions.

69. Assist CITY with the review and improvements on contractor's CPM schedule, and then make a recommendation regarding approval.
70. Assist Owner with the review and approval of the Contractor's initial "Schedule of Values" and then make a recommendation regarding approval.
71. Assist Owner in the review of the Contractors "value engineering" suggestions and then make a recommendation.
72. Evaluate contractor claims and disputes between CITY and contractor and provide a written determination to CITY within seven (7) days of the date such matter is submitted to DESIGN CONSULTANT.
73. In the event of a claim or dispute by contractor, interpret the requirements of the Contract Documents and judge the acceptability of the Work thereunder. Make written recommendations to the City on all claims of the Contractor related to; the acceptability of the work, or the interpretation of the requirements of the Contract Documents pertaining to the execution and progress of the work, or additional work as deemed necessary by the City (within 7 days).
74. Respond to RFI's and issue necessary interpretations and clarifications of the contract documents (within 36 hours).
75. Develop and administer a quality control program for the purpose of evaluating the contractor's work and documenting unacceptable construction.
76. Supervise inspection forces and field office staff.
77. Receive, evaluate, confirm/reject, log and return product data submittals as often as necessary (within 7 days).
78. Receive, log, review and approve/disapprove Shop Drawings, calculations, samples, and test results (within 10 days).
79. Construct a color/sample board of approved finishes submittals.
80. Perform site visits at a rate of 8-10 hours per week during construction. During these visits, produce "field reports" documenting progress and issues. This effort does not include and is independent of special inspections.
81. Participate in weekly field management meetings.
82. Perform "UBC Special Inspections" as required.
83. Evaluate and verify payment applications, with the Owner, based on designer's on-site observations, data and schedule. Make a recommendation regarding approval.
84. Conduct with City an inspection to determine if project is substantially complete. Substantial completion inspection is to determine if the work is completed to the standard required by the contract documents. Prepare a preliminary punch list and provide to City.
85. Conduct with City a final inspection to assist City to develop the final punch list and assist in final re-inspection.
86. DESIGN CONSULTANT shall determine when the Project is complete and recommend, in writing, to CITY, acceptance of the Project but only after DESIGN CONSULTANT has performed a final inspection which confirms that the contractor has fulfilled all obligations under their contract and is entitled to final payment. Such a recommendation is DESIGN CONSULTANT's written notice to City and Contractor that the work is complete and the Project is acceptable.
87. Receive, review and approve/disapprove Operations & Maintenance manuals (within 2 weeks).

XIV. POST CONSTRUCTION:

88. Design Consultant shall prepare and deliver to CITY, record drawings of the constructed work on 4 mil Mylar, together with complete electronic files for the Project in AutoCAD 2004. As-built information will be obtained from redlined drawings prepared by the contractor. Design Consultant shall provide to CITY six (6) electronic copies (CD-ROM) of the drawings in AutoCAD 2004 for CITY and for distribution to affected utilities.

**EXHIBIT A-1
DETAILED DESCRIPTION OF CITY'S CONCEPT**

The City of Chandler Fire Station No. 1, Project No. FI0902-201 is to be located on approximately 3 acres at 1475 E. Pecos Road. The project delivery method of Fire Station No. 1 is a Design-Bid-Build. The construction budget for this project is approximately \$5,000,000.

Designer shall plan for a minimum of four (4) public and stake holder meetings, understand and coordinate with the required City plan review processes, follow all City standards, and interface and coordinate with all outside agencies and required permitting. The City will require National Environmental Policy Act, NEPA, categorical exclusions and all utility clearances and coordination within the design scope of work.

The Fire Station No. 1 project consists of an approximately 13,000 square foot building containing three (3) 75-foot long apparatus bays and an additional apparatus bay for a department's battalion chief's response vehicle. The station shall also include individual dorms, individualized bathrooms with showers, kitchen area, day room area, dining room area, study room, laundry areas, one for apparatus rags and one for clothes/uniforms, captains' quarters, janitor and storage closets, mechanical room, CAD room, entryway foyer with American with Disabilities Act, ADA, bathroom, exercise room, decontamination room, galley area for supplies, turnout room, workshop, and fire riser room.

This station will also include quarters for a department's battalion chief to work and respond from. This area will include two (2) additional sleeping areas, two (2) small office areas, bathroom and the additional apparatus bay previously identified. The final design will be developed through twenty-six, 26, programming committee meetings consisting of the Designer and the City.

The Designer shall provide necessary design and construction documents, technical and bid specifications, soils and drainage reports and structural calculations. The Designer shall provide all technical support required during the bid process and construction administration phases, including but not limited to attending and participating in the pre-bid meeting, post-bid evaluation, and pre-construction meeting. In addition, the Designer shall respond to bid questions, prepare and provide addenda to the City, and review substitution requests as necessary. As part of the construction administration portion of the contract, the Designer shall attend a minimum of forty-five, 45, Owner-Architect-Contractor meetings, review and approve all submittals, provide structural inspections, work progress inspections, certified as-built drawings, and coordinate project closeout.

The proposed architecture and engineering design shall be compatible with the surrounding architectural aesthetics and developed with Public and City input. The building materials shall be concrete masonry unit (CMU) exterior walls, concrete slab on grade, wood or steel truss/joist floor and roof structure, and built-up or sloped metal roof system as predicated by building design process.

The project shall include telephone, audio/video system, access control and security systems, computer network/data system, dispatch monitoring system, cable TV, closed circuit television (CCTV), energy management system, emergency generator/power, fire alarm/enunciator system, full fire protection, bulk fuel and emergency traffic signal design. Coordinate design with the existing water treatment entryway is required.

This building will also meet, at a minimum, LEED® Silver certification.

CONNECTION OF EXISTING FIRE PROTECTION SYSTEM

The consultant shall provide the City of Chandler Fire Marshall a copy of 30% and 90% design documents for review. The cover letter to the Fire Marshall shall request a review for all building fire protection connections to existing, new, or replaced water lines. When water lines of any size are included in the scope of work the consultant is responsible for obtaining information on all existing fire protection systems which could potentially be connected to the water line in the scope of work, and is responsible for the connection, reconnection, and identification of the fire protection system.

EXHIBIT A-2 DESIGN TEAM AND THEIR ASSIGNMENTS

DESIGN CONSULTANT'S DESIGN TEAM AND THEIR ASSIGNMENTS ARE AS FOLLOWS:

DEUTSCH ARCHITECTURE GROUP:

Client Advocate: The Client Advocate works with the City of Chandler representatives to set and execute a vision, assuring quality service throughout every phase of the project's life. He also works with the City in the selection of the General Contractor and works with the Team to achieve the desired cost results during the Design Phase.

Client Advocate: Bernie Deutsch

Project Director/ Designer: The Project Director/ Designer provides senior guidance to the team. Dave will be designing and reviewing the construction documents throughout all phases to ensure quality and will be copied and aware of all day-to-day project occurrences. He can always be contacted and is knowledgeable about the intricacies of the project if the Project Manager is unavailable. Jaime Kurry is currently on maternity leave.

Project Director/ Architect: David Calcaterra

Project Manager/ Architect: The Project Manager/ Architect is the daily point of contact throughout the entire project. She will build a vision for the station along with the client, and execute the documents to reflect the vision. Dawn will coordinate the Teams activity to achieve the set budget, and will communicate with the team throughout the entire process to ensure all team members are knowledgeable and informed. She will generate conference notes to reflect all decisions made during the design phases, and will review the documents to ensure compliance with the notes.

Project Manager/ Designer: Dawn K. Brown, AIA IIDA LEED® AP

SIMPLY STRUCTURAL, INC:

Simply Structural will be providing the structural engineering services for the project.

ENTELLUS, INC:

Entellus will be providing the civil engineering. They will coordinate curb cuts and apparatus turning radii as well as provide appropriate grading and drainage plans and all civil engineering services to meet CITY submittal requirements.

PETER BASSO ASSOCIATES:

PBA will provide the mechanical, electrical, and plumbing design, including fire sprinkler and fire alarm plans.

VOLLMER AND ASSOCIATES:

Vollmer and Associates will provide landscape architecture. They will coordinate with civil and architectural to meet CITY requirements.

RIDER LEVETT BUCKNALL

Rider Levett Bucknall will provide cost estimate services. They will coordinate with the design team to meet project requirements and deadlines.

EXHIBIT A-3 PRODUCTION SCHEDULE

Milestone Tasks / Deliverables

385 Days - Estimated Duration

Schematic Design (SD) Phase:

3 weeks

Schematic Design documents including Architectural and limited Engineering based on fire station No. 10 program with the addition of the Battalion Chief quarters. Preliminary site plan/floor plan schemes with one scheme to be developed. Provide prints of site plan, floor plan, exterior building elevations, building section, general project information and coordination with the City and Fire Departments. Client design/review meetings and all required coordination/ interface with related City Departments.

Design Development (DD) Phase:

4 weeks

Design Development documents based on the approved Schematic Design documents including all Architectural, Structural, Mechanical/ Plumbing, Electrical, Fire Protection Documents, Civil Engineering, Landscape Architecture Documents, LEED (goal: Silver) requirements and coordination with the City and Fire Departments. Client design/review meetings and all required coordination/ interface with related City Departments. Topographic survey, geotechnical report.

Construction Documents (CD) Phase:

6 weeks

Construction Documents based on the approved Design Development documents including all Architectural, Structural, Mechanical/ Plumbing, Electrical (including Emergency Power, Fire Alarm System, Telephone/ Data rough-in, Audio/Video systems rough-in, Security/ Access Controls systems), Civil Engineering, Landscape Architecture, LEED (goal: Silver) design submittal and coordination with the City and Fire Departments as required for City of Chandler Plan Review Permit process. Client design/review meetings and all required coordination/interface with related City Departments.

Construction Administration (CA) Phase:

9.5 months*

Weekly site visits/meetings for 9.5-month* construction duration 45 Architect's Site Visits/Project Meetings, special structural inspection (per allowance) as required by the City of Chandler/Building Codes, 4 Mechanical/Plumbing Engineering site visits/project meetings w/ reports, 4 Electrical Engineering site visits/project meetings, 2 Civil Engineering site visits/project meetings, 4 Landscape Architecture site visits/project meetings, Certification of Payment Requests, Clarifications, assistance with Change Orders/Proposal Requests, shop Drawing Review and Punch-List Inspections to establish Substantial Completion & Final Acceptance and construction LEED (goal: Silver) submittal.

* Totally dependent on selected contractor

As-Built Drawings (AB) Phase:

4 weeks

As-built reproducible drawings depicting Architectural, Structural, M/P/E, Civil and Landscape construction field modifications as documented by the Contractor via annotated record drawings.

EXHIBIT A-4 QUALITY CONTROL PLAN

DESIGN CONSULTANT Quality Assurance Program ensures our commitment to operational and product quality. Our employees are dedicated to implementing the program on each product and service that is produced by our firm. We consider documentation and communication critical to the success of our projects.

Quality Control is a continuous process at DESIGN CONSULTANT, from the initial Client contact through the project warranty period. We have several prepared checklists used by the design team from schematics through project completion, as well as complete documentation and communication among team members for the duration of the project.

Documentation and communication is critical. Success is achieved through communication between project leaders and production staff. Meetings are documented in the form of conference notes. The notes are back-checked to insure the work conforms to your expectations, budget, as well as to our technical standards. Conference notes are distributed to each member of the team. Milestone document reviews are also required for the entire team.

DESIGN CONSULTANT Quality Assurance Program is a "proactive" strategy, which minimizes errors that could result in costly changes. In the second phase, the Quality Assurance Process provides a second review to detect any issues missed prior to the construction phase. All concerns at this point are fully addressed and resolved. This involves a separate review from an in-house architect not involved with the project. This architect provides a "second set" of eyes prior to releasing the documents for the City review.

To expedite the Quality Assurance Program, our staff of project architects, project managers, drafters, and administrative services, carries out project documentation in a fully automated, networked office environment.

**EXHIBIT B
FEE SCHEDULE**

**PROJECT TITLE: FIRE STATION NO. 1
PROJECT NO. FI0902-201
Chandler, AZ.**

For services described in paragraph 3 of this Agreement, the CITY shall pay DESIGN CONSULTANT a fee not to exceed the sum of Four Hundred Sixty Four Thousand Five Hundred Fifty Five dollars (\$464,555) in accordance with the schedule set forth in exhibits B-1 and attached hereto and incorporated herein by reference.

1. **PAYMENT SCHEDULE:** Payments to Design Consultant will be made in accordance with the fee schedule attached as Exhibit B-1 and will be based on the production schedule shown in Exhibit A-3.
2. The fee shown on the attached fee schedule, Exhibit B-1 is the total fee and includes "reimbursables".
3. Payment will be made monthly on the basis of progress reports and deliverables. Work schedule updates will be included in the monthly progress payment requests.
4. An application and certification for payment must be provided by Design Consultant. Such application must provide a clear, detailed invoice reflecting all items billed for. The summary sheet will show percentage of work completed to date, previous payment invoiced/received and current fee requested.
5. Such application shall also include any/all backup documentation (i.e.: receipts, invoices, logs, etc) supporting reimbursable expenses and consultant fees.

**EXHIBIT B-1
FEE SCHEDULE**

FI0902-201	FS #1	Comment
Planning & Design	Included	
LEED® - Silver	Included	Leadership in Environmental & Engineering Design.
Fire Protection & Fire Alarm Design	Included	
ALTA Survey	Included	American Land Title Association Survey
TOPO Survey	Included	Topographic Survey required for real estate
Legal Description	Included	
Pot Hole	Included	Used to located and identify utilities
Re-plat	Included	Used to separate MUD property from Fire Dept. Property. Real estate requirement.
Bulk Fuel Design	Included	Fuel storage for fire trucks.
SD Cost Estimate	Included	Schematic Design / documents
DD Cost Estimate	Included	Development Design / documents
CD Cost Estimate	Included	Construction Design / documents
As-Builts	Included	The as-built condition after construction.
BASE DESIGN FEE	\$323,932	
Construction Admin	\$92,263	Construction administration during construction.
 Base Total	 \$416,195	
 Additional Services		
Traffic Signal	\$11,385	Allowance – adding new traffic signal
Special Inspect x30	\$7,500	Allowance – structural inspections
Solar Design 150KV	\$9,200	Allowance for solar – KV = kilovolt = 1000 V
Reimbursables	\$20,275	Allowance
 SUBTOTAL	 \$464,555	

EXHIBIT C

Contractor Immigration Warranty
To Be Completed by Contractor Prior to Execution of Contract

A.R.S. § 41-4401 requires as a condition of your contract verification of compliance by the contractor and subcontractors with the Federal Immigration and Nationality Act (FINA), all other Federal immigration laws and regulations, and A.R.S. § 23-214 related to the immigration status of its employees.

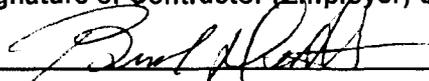

By completing and signing this form the contractor shall attest that it and all subcontractors performing work under the cited contract meet all conditions contained herein.

Project Number/Division: FI0902-201, Fire Station 1
Name (as listed in the contract): Bernard Deutsch Associates, Inc.
Street Name and Number: 4600 E. Indian School Rd.
City: Phoenix, AZ 85018

I hereby attest that:

1. The contractor complies with the Federal Immigration and Nationality Act (FINA), all other Federal immigration laws and regulations, and A.R.S. § 23-214 related to the immigration status of those employees performing work under this contract;
2. All subcontractors performing work under this contract comply with the Federal Immigration and Nationality Act (FINA), all other Federal immigration laws and regulations, and A.R.S. § 23-214 related to the immigration status of their employees; and
3. The contractor has identified all contractor and subcontractor employees who perform work under the contract and has verified compliance with Federal Immigration and Nationality Act (FINA), all other Federal immigration laws and regulations, and A.R.S. § 23-214.

Signature of Contractor (Employer) or Authorized Designee:
