                      JEFF KURTZ, ASSISTANT PLANNING & DEVELOPMENT DIRECTOR  
                      KEVIN MAYO, ACTING PLANNING MANAGER

**FROM:**            JODIE M. NOVAK, MEP, SENIOR CITY PLANNER

**SUBJECT:**        UP09-0024 RED WHITE AND BREW

**Request:**            Approval of a time extension for a Use Permit to sell liquor as permitted under a Series 12 Restaurant License for on-premise consumption indoors and within an outdoor patio at an existing restaurant within the Chandler Heights Marketplace commercial center

**Location:**           4850 South Gilbert Road, Building D at the northwest corner of Chandler Heights and Gilbert Roads

**Applicant:**           Arizona Liquor Industry Consultants

**RECOMMENDATION**

The application requests approval of a time extension to sell liquor, as permitted under a Series 12 Restaurant License, for on-premise consumption indoors and within an outdoor patio. Planning Commission and Staff, finding consistency with the General Plan and PAD zoning, recommend approval.

**BACKGROUND**

The restaurant is located at the northeast corner of the Chandler Heights Marketplace shopping center, which is anchored by a Bashas' grocery. The restaurant was granted a liquor Use Permit, Series 12 license, in February 2007 with no time limit. A Series 12 is considered a "restaurant license," which allows the on-site sale of beer, wine, and spirits for on-site consumption. Under a Series 12 license, the establishment derives at least forty (40) percent of its gross revenue from

the sale of food. In June 2008, a separate liquor Use Permit was approved to allow for live entertainment indoors and/or on the outside patio in conjunction with a Series 12 liquor license. This Use Permit included a one-year time limit condition.

The application requests approval of a liquor Use Permit with live entertainment without a time limit. The live entertainment is not changing from the previous approval which includes live jazz and blues music approximately 2 to 3 times per month indoors and/or on the outside patio. Music starts at approximately 6 p.m. typically during the week and possibly weekends. There will be no dancing, stages, DJ, or other live entertainment. The floor plan notates the locations where live entertainment can occur.

The restaurant's hours of operation are seven days a week from 11 a.m. to 10 p.m. The restaurant occupies all of Building D and is approximately 6,000 square feet in size. As previously approved, the interior dining area seats approximately 152 persons. The dining area is approximately 921 square feet with 90 seats. The interior bar area is approximately 859 square feet in size with 62 seats. The outdoor dining area seats approximately 44 persons and is approximately 970 square feet in size. The total seating capacity is approximately 196 seats. The application conveys there may less seating now.

The outdoor patio is located on the restaurant's northeast side adjacent to a covered common pedestrian seating area. The outdoor dining area utilizes half of the existing outdoor patio area, which was intended for outdoor dining use. The patio is accessed from the restaurant's dining area. The patio is cordoned off with rail fencing. The patio does not affect the use of the common pedestrian area and provides appropriate passing space for pedestrians adjacent to the patio. The rest of the common pedestrian area remains unoccupied at this time.

Planning Commission and Staff are of the opinion that the addition of live entertainment in conjunction with an existing Series 12 Restaurant License for liquor sales and service is compatible with the area. The music is proposed a few times a month. There are no residences abutting the site. There's a single-family residential subdivision directly east of the restaurant and the patio across Gilbert Road. Staff is not aware of any concerns over the past year or opposition to the current application request. Planning Commission and Staff recommend keeping a previous condition that live entertainment on the outdoor patio shall not occur past 10 p.m.

#### **PUBLIC / NEIGHBORHOOD NOTIFICATION**

- The request was noticed in accordance with the requirements of the Chandler Zoning Code.
- The applicant's neighborhood meeting was held on July 30, 2009. There were no attendees at the meeting other than the applicant.
- The Police Department has been informed of the application and has responded with no issues or concerns.
- Staff is not aware of any neighborhood opposition or concerns with this request.

**PLANNING COMMISSION VOTE REPORT**

Motion to Approve.

In Favor: 6    Opposed: 0    Absent: 1 (McClendon)

**RECOMMENDED ACTION**

Planning Commission and Staff, upon finding consistency with the General Plan and PAD zoning, recommend approval of UP09-0024 RED WHITE AND BREW Use Permit, subject to the following conditions:

1. Expansion, modification, or relocation beyond the approved exhibits (Site Plan, Floor Plan, and Narrative) shall void the Use Permit and require new Use Permit re-application and approval.
2. Any substantial change in the floor plan to include such items as, but not limited to, additional bar serving area or additional entertainment related uses shall require re-application and approval of the Use Permit.
3. The Use Permit is non-transferable to other restaurant locations.
4. No noise shall be emitted so that it exceeds the general level of noise emitted by uses outside the premises of the business and as not to disturb adjacent businesses and residential areas.
5. No live entertainment/music on the outdoor dining patio area after 10 p.m.
6. The site and outdoor patio shall be maintained in a clean and orderly manner.

**PROPOSED MOTION**

Move to approve Use Permit UP09-0024 RED WHITE AND BREW, subject to the conditions recommended by Planning Commission and Staff.
