DATE: NOVEMBER 5, 2009

TO: MAYOR AND CITY COUNCIL

THRU: W. MARK PENTZ, CITY MANAGER *WMP*
 PATRICK MCDERMOTT, ASSISTANT CITY MANAGER
 JEFF KURTZ, ASSISTANT PLANNING & DEVELOPMENT DIRECTOR
 KEVIN MAYO, ACTING PLANNING MANAGER *KM*

FROM: ERIK SWANSON, CITY PLANNER *ES*

SUBJECT: LUP09-1004 JUICE

Request: Use Permit approval to allow the sale of alcohol (Series 12 Restaurant License) for on-premise consumption only within a new restaurant

Location: 2475 W. Queen Creek Road, Ste. 1,
 Southwest corner of Queen Creek and Dobson Roads

Applicant: Brian Anderson, Whitneybell Perry Inc.

RECOMMENDATION

The request is for Use Permit approval to allow the sale of alcohol (Series 12 Restaurant License) for on-premise consumption only within a new restaurant. Planning Commission and Staff, upon finding consistency with the General Plan and PAD zoning, recommend approval with conditions.

BACKGROUND

The subject site is located west of the southwest corner of Queen Creek and Dobson Roads, within the Downtown Ocotillo commercial shopping center. The subject site is located in a suite within an inline shops space. Queen Creek Road is directly north of the site. Parking fields are located east and south of the site. West, adjacent to the restaurant are vacant shop spaces.

The subject site is an approximate 2,180 square foot suite occupying the eastern half of an approximate 7,000 square foot inline shops building. The dining and bar areas total

approximately 1,430 square feet and can accommodate 104 patrons. The kitchen area is approximately 307 square feet. Two separate outdoor patios are provided; one patio is located west of the main entrance on the south side of the building, and the second patio is located east of the main entrance on the south side of the building and wraps around the eastern face of the building. The patios combined are approximately 729 square feet and can accommodate approximately 40 patrons.

In order to accommodate the outdoor patios a pedestrian walkway will be enclosed. However, as part of the patio design the pedestrian walkway was shifted south of the patios and takes up a portion of seven parking stalls. The parking stalls will be eliminated and the concrete patio extended. With the extended walkway the restaurant has the ability to provide a valet parking drop-off area in front of the restaurant. The subject site requires 27 parking stalls, 71 are currently provided. Staff is in support of extending the patio area and eliminating the parking stalls to allow for a valet drive-up area citing that adequate parking for the site is maintained.

The restaurant will be open seven days a week from 11 a.m. to 10 p.m., and is estimating a need for 15-18 employees.

A Series 12 Restaurant License allows the on-site sale of beer, wine, and spirits for on-site consumption only. The establishment must derive at least 40 percent of its gross revenue from the sale of food and non-alcoholic beverages
