

Green Building Program Questionnaire

The City of Chandler, Arizona is considering the creation of a Green Building Program to encourage energy efficient and environmentally responsible development. As an active member of Chandler's development community, please complete this survey to help us gauge the level of interest in a Green Building Program. Thank you in advance for giving us your input. **Please return this survey in the enclosed envelope by January 12th, 2007.**

1. Are you familiar with the Green Building Program? (Circle answer) Yes No

2. What will most likely encourage you to participate in a Green Building Program?

(Check one or more boxes)

Financial
Reward

Builder/Development
Recognition by the City

Standards Alternatives

Other (Write in space below)

3. Please rank the following Green Building subjects in order of their importance to you as 1 being the most important and 5 being the least important:

_____ Energy Efficiency (utilizing alternative energy sources and highly insulating materials, optimizing energy performance through site planning and building design)

_____ Materials and Resources (use of recycled and/or regional materials in structure, storage and collection of recyclables,)

_____ Indoor Environmental Quality (Increased ventilation, low-emitting materials, daylight and views)

_____ Water Conservation (water use reduction through appliances and faucets, grey water reuse, low-water landscaping)

_____ Sustainable Site Planning (site selection, mixed use, alternative transportation, development density and community connectivity)

4. In which land use(s) should the City encourage green building? Please rank the following land uses in order of importance with 1 being the most important and 5 being the least important:

_____ Commercial

_____ Public (Government)

_____ Office (Corporate headquarters and garden office)

_____ Residential

_____ Institutional/Quasi-Public
(Hospitals, schools, churches,
non-profit orgs)

_____ Industrial (manufacturers,
business park, warehouse
and distribution)

(Continued on other side)

5. Please circle the answer that most accurately describes your view.

	1 Strongly Agree	2 Agree	3 Neutral	4 Disagree	5 Strongly Disagree	6 Do not know
A. There is a need for a Green Building Program in Chandler.	1	2	3	4	5	6
B. I have worked on green building development(s) in the past.	1	2	3	4	5	6
C. I would be more likely to work on a green building development in Chandler if a Green Building Program were in plan.	1	2	3	4	5	6
D. I may work on a green building development in Chandler whether or not a Green Building Program is adopted.	1	2	3	4	5	6
E. Green building is an important practice that should be encouraged by the City of Chandler.	1	2	3	4	5	6
F. I am certified under a green building authority (i.e. LEED).	1	2	3	4	5	6

6. Please provide any additional comments about your experience working with cities that have a Green Building Program, or if you wish to identify potential problems or deterrents to building green.

7. If you are interested in serving on a Green Building Program taskforce, provide your contact information below.
