- If two teams tie for a position in the standings whichever team defeated the other during the regular season will then receive the higher position in the standings.
- If three or more teams tie for the same position, then whichever team had the best record among the teams that were tied will then have the higher position in the standings.
- If all teams that are tied have identical win/loss records against each other, then a run differential formula from the head to head season games will be used.
- If teams are still tied after the above criteria, then total runs/points scored for the season will be used.
