

For Our City and the City of Chandler's Neighborhood Resources Department are asking for your help from May 6 to 15, 2011

Let's Pull Together

Residents, neighborhood organizations, churches and business groups are encouraged to volunteer to identify properties with overgrown weeds and make arrangements to pull them out. Weeds that are left unattended are not only an eyesore, but they can also become a fire hazard.

Individuals or groups interested in taking an active role in this project are asked to register with Judy Ramos, Neighborhood Program Coordinator, by calling 480-782-4348 or sending an email to judy.ramos@chandleraz.gov

Also, if you are a Chandler resident and you know of vacant home with excessive weeds in the front yard, please call Judy Ramos.
