

Temporary Runway Closure

Runway 4L/22R is closed for off-airport construction effective August 17 at 0600L until August 21 at 1700L. The construction is located northeast of the approach end of RWY 22R.

Per standards and practices, the RWY 4L/22R lights are deactivated during the closure and the 'X' closure markers are placed at the runway ends.

Pilots who are based at, or planning to travel to, Chandler Municipal Airport are reminded to check for Notices to Airmen (NOTAM) as part of their flight planning procedures. The FAA's NOTAM webpage can be found at: <https://pilotweb.nas.faa.gov/PilotWeb/>. Please note that the Air Traffic Control Tower is open daily from 0600L to 2100L.

If you have any questions regarding this closure, please contact Chandler Airport Operations at 480-782-3540.
