

Sign Information for Candidates

The City of Chandler's sign regulations are designed to encourage the creation of an attractive appearance throughout Chandler, while eliminating signs that may contribute to visual clutter. The regulations balance the need to protect the public safety and welfare, the need for a well-maintained and attractive community, the need for adequate identification for land uses, and preservation of expression protected under the First Amendment.

Prior to May 23, 2022

Chandler City Code Chapter 39 regulations will be enforced for all types of temporary signs posted on any dates that fall outside of May 23, 2022 through Nov. 23, 2022, which is the enforcement exempt election season.

Code Enforcement will contact candidates with signs that are in violation of the Chandler City Sign Code and provide the candidate 24 hours to remove the sign. Subsequent violations will result in the removal of signs by Code Enforcement.

May 23, 2022 through November 23, 2022

Beginning 71 days prior to the Primary Election date and until 15 days following the General Election date, as long as state law requirements are met (ARS §16-1019):

- no enforcement action will be taken on signs in the rights-of-way, or
- signs on commercial properties placed with the permission of the property owner.

May 23, 2022 - 71 days before the 2022 Primary Election
Nov. 18, 2022 - 15 days after the 2022 General Election
