

Tenant Anti-displacement and Relocation Assistance Plan

This tenant Anti-displacement and Relocation Assistance Plan is prepared by the City of Chandler in accordance with the Housing and Community Development Act of 1974, as amended; and HUD regulations at 24 CFR 42.325 and is applicable to public housing tenants.

Minimizing Displacement

The City of Chandler is committed to a policy to make all reasonable efforts to ensure that activities undertaken through the use of Community Development Block Grant (CDBG) and/or other federal funding will not cause unnecessary displacement or relocation. Such federally funded programs will be administered in such a manner that careful consideration is given during the planning phase with regard to avoiding displacement. Involuntary displacement shall be reserved as a last resort action necessitated only when no other alternative is available and when the activity is determined necessary in order to carry out a specific goal or objective that is of benefit to the public. In this case, community development and housing programs will be planned in a manner which avoids displacement of households or business.

However, "voluntary" relocation (temporary or permanent) may be necessary in order to achieve a benefit to public housing (such as housing rehabilitation or reconstruction). As it pertains to the City's Public Housing, CDBG, HOME and NSP programs, the U.S. Department of Housing and Urban Development Handbook 1378, shall be adopted in its entirety as a part of this policy.

Temporary Relocation Assistance Policy

Temporary Relocation Assistance Overview

Families residing in Chandler Public Housing may be asked to temporarily or permanently relocate for reasons that may include maintenance, capital improvements, or on a case-by-case basis for emergency purposes. This list is not all inclusive.

This policy will discuss the types of moves and responsibilities for costs, as well as limitations on costs paid by the city of Chandler.

Moving Costs

Self-Move: A self-move means that the temporarily displaced household will be responsible for the physical move of their furnishings and personal property. The self-move payment will be in accordance with the attached 2012 Uniform Relocation Assistance and Real Property Acquisition for Federal and Federally Assisted Programs Fixed Residential Move Cost Schedule published by the Federal Highway Administration. ** Note: The move assistance may not exceed the levels indicated for the average number of furnished rooms referenced in the Residential Moving Expense and Dislocation Allowance Payment Schedule for the State of Arizona.

Commercial Move: The City will procure the services of a licensed bonded moving company to move the tenant's household furnishings under this voluntary agreement when a self-move is not a viable option.

Packing and Unpacking Assistance: The City of Chandler will discuss relocation assistance options with the tenant and determine whether packing and unpacking services performed by a commercial moving company is necessary to accomplish the move.

Storage of Household Furnishings: The cost of storage for the tenant's furnishings will be provided when the City determines that storage is necessary for the housing rehabilitation work to occur.

Rental Assistance

The City of Chandler will provide up to \$_____per month (variable depending upon suitable unit) in rental assistance for the period of time the home/unit is being rehabilitated, or when the home/unit is habitable, whichever is shorter. The City will provide one referral to a suitable unit. The temporary replacement unit selected by the homeowner must pass a Housing Quality Standards inspection (HQS) performed by the City of Chandler Housing Rehab Specialist. The City of Chandler will NOT provide rental assistance for a unit that does NOT meet HQS requirements and rental assistance will NOT be provided for homeowners that temporarily relocate with family members.

Temporary relocation assistance expenses (rental assistance, moving costs, and storage) are paid by the City of Chandler and are not the tenant's responsibility.

Because the project is funded by HUD you will be protected by a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA).
