RE: Housing Inspections for Section 8, TBRA, and Affordable Housing Programs

Dear Housing Participant:

The Housing and Redevelopment Division has continued to provide services during the COVID-19 pandemic with modifications to keep a safe environment for our families, staff, and vendors.

During this time, we have contracted with a vendor, HOM, Inc., to conduct biennial inspections. In the near future, you may receive an inspection notification from HOM, Inc., or interact with one of their employees. There will be instructions on the letter notifying you of the inspection, how to notify their office to reschedule the appointment due to COVID exposure, and the precautions that will be taken during the inspection to keep everyone safe.

Please notify our office if you have any questions about the inspection. Our main office phone number is 480-782-3200. You may also contact your housing specialist directly.

Respectfully,
Amy Jacobson
