Dear Landlord,

I am writing to let you know that we have many families in Chandler seeking quality affordable housing options. Please consider participating in the Housing Choice Voucher – (HVC) program as a landlord!

It is becoming more and more difficult for low to moderate income families to find places to live in our community. We currently have over 100 families with Housing Choice Vouchers (Section 8) searching for housing and have the capacity to add more. However, there are not enough affordable places for them to rent. We are in need of more landlords willing to participate in our program.

The HCV Program is a rental assistance program funded by the U.S. Department of Housing and Urban Development (HUD), and administered locally by City of Chandler Housing and Redevelopment Division. The success of the program depends on our partnership and ability to contract with owner's landlords and property managers who provide a decent, safe, and sanitary rental unit to the HCV participants. Many families that rent in the City of Chandler depend on owners like you, who are willing to participate.

We are committed to provide quality customer service to landlords, building relationships so your rental experience with HCV Participant is seamless and beneficial for everyone. Our experienced, professional housing team work hard to house and support the families on our program and the landlords that provide housing.

I am pleased to have a team members dedicated to working with new and prospective landlords. If you would like more information about our program please visit <https://www.chandleraz.gov/affordablehousing> or contact, Lilia Gonzalez at lilia.sanchez-gonzalez@chandleraz.gov or 480 782-3248. Please reach out to her with any questions you may have, and any units available to rent.

Sincerely,

Amy Jacobson
