PUBLIC HEARING

5. Fiscal Year 2022-2023 Annual Action Plan including Community Development Block Grant (CDBG) Funding Recommendations.

Chair Alcalá opened the public hearing at 6:13 p.m. and introduced Community Development and Resources Supervisor Karin Bishop for a presentation. Ms. Bishop provided an overview of the Annual Action Plan process, the purpose of CDBG funds, and the CDBG funding recommendations and planned activities to address the Five-Year Consolidated Plan goals that were approved by the Chandler City Council on June 25, 2020. Ms. Bishop explained that the Fiscal Year 2022-2023 Annual Action Plan is the third year of the Five-Year Consolidated Plan. Ms. Bishop stated that the United States Department of Housing and Urban Development (HUD) requires a 30-day public comment period and two public hearings. She said public comments are being accepted beginning Monday, March 28, 2022, through Friday, April 29, 2022, by mail, phone, or email at community.development@chandleraz.gov. Ms. Bishop stated that tonight's public hearing was the second of the two public hearings being held to ensure opportunity for public input.

Chair Alcalá asked if there were any comments from the public. Chandler resident, Linda Sawyer voiced her concerns regarding the increase of crime in her neighborhood. She stated that the police department is understaffed and not able to immediately respond. She shared an incident where police were not able to respond until the next day and had asked for video of the incident. Ms. Sawyer stated that people in the programs being discussed are not being treated and are simply being dropped off in neighborhoods. She also shared her discontent with being given only 3 minutes to speak regarding her concerns with the funding being allocated. She said as a constituent she was concerned with the lack of Code Enforcement in neighborhoods. Ms. Sawyer asked where she could receive answers since she took the time to be at tonight's meeting.

Chief Executive Officer Jacki Taylor from Save the Family thanked the Commission and expressed her appreciation for the City's partnership. Ms. Taylor explained the CDBG funding that her organization receives supports the Case Management program. The Case Management program works with families to secure jobs and provide other support services. She shared that her organization is seeing unprecedented numbers of individuals experiencing homelessness. She indicated that at the time the organization submitted its application for funding, there were approximately 26 affordable housing units for every 100 households. Now, the number of affordable housing units has dropped to 18 for every 100 households. Ms. Taylor explained that her organization is committed to helping families find housing stability and that it is more important now than ever before.

There were no other comments from members of the public. Chair Alcalá closed the public hearing at 6:31 p.m.

6. Fiscal Year 2022-2023 HOME Investment Partnerships Program (HOME) Funding Recommendations.

Chair Alcalá opened the public hearing at 6:31 p.m. and asked Ms. Bishop for an overview of the Fiscal Year 2022-2023 HOME Investment Partnerships Program (HOME) Funding Recommendations. Ms. Bishop described the purpose of the HOME funds and the City of Chandler's involvement in the Maricopa County HOME Consortium. Ms. Bishop provided an overview of the HOME funding recommendations that will be incorporated into the Maricopa County HOME Consortium's Annual Action Plan for Fiscal Year 2022-2023. Ms. Bishop stated that HUD requires a 30-day public comment period and two public hearings. She said public comments are being accepted beginning Monday, March 28, 2022, through Friday, April 29, 2022, by mail, phone, or email at community.development@chandleraz.gov. Ms. Bishop stated that tonight's public hearing was the second of the two public hearings being held to ensure opportunity for public input.

Chair Alcalá asked if there were any comments from the public. Chief Executive Officer Jacki Taylor from ARM of Save the Family shared that for the last 30 years, the organization's mission has been to develop and maintain affordable housing. Ms. Taylor explained that a single mother with children cannot afford a place to live in the current market and has an increased chance of experiencing homelessness. She shared that ARM of Save the Family currently has 15 units in Chandler and conducts monthly inspections and follows federal standards.

Chandler resident, Monica Henry, 1330 N. Brentwood Place, Chandler, AZ 85224, commented that she attended the meeting to observe the process. She asked if there was a forum where residents can ask questions and have their questions addressed. Community Resources Manager, Riann Balch explained that staff can respond at the Chair's request. If the information was not readily available, the Chair can request staff to follow-up.

Resident Linda Sawyer thanked Ms. Henry for her question. Ms. Sawyer expressed concern about only being able to speak at certain times. She said she should have the opportunity to speak to every slide of the presentations. Ms. Sawyer asked if staff members are directed to respond directly to residents, how will other members of the public access those answers. She further explained that these programs do not address the impact they have on the community.

There were no other comments from the public. Chair Alcalá closed the public hearing at 6:45 p.m.

BRIEFING

7. Community Development Block Grant Funding Update.

Ms. Bishop informed the Commission that the City had not yet received the HUD allocation for Fiscal Year 2022-2023. She explained that the City received a notification from the National Community Development Association (NCDA), a national membership organization for community development professionals, informing the City that on March 11, 2022, President

Biden signed a bill imposing a last-minute reduction in CDBG funds by 4.5% from last year. Ms. Bishop informed the Commission that the contingency plans developed for CDBG will be applied as necessary once the HUD allocation is released. There has been no communication about a potential reduction in HOME funds.

8. Update to General Fund Application Assignment.

Chair Alcala introduced Community Resources Manager Riann Balch to provide an update on the General Fund application assignments. Ms. Balch informed the Commission that two changes were made to the application review assignments to more appropriately fit the purview of the subcommittees. Specifically, the application of City Help Inc. – DBA East Valley Dream Center was moved from the Special Populations Subcommittee to the Youth Subcommittee, and the Salvation Army – Community Outreach and Engagement for Vulnerable Populations to Move Beyond Barriers was moved from the Youth Subcommittee to the Basic Needs Subcommittee. She explained that questions of the applicants had already been asked by previously assigned subcommittees and each organization’s responses could be found in ZoomGrants. Ms. Balch informed the Commission that the applications are now available for review.

ACTION AGENDA

6. Development of HHSC Initial Recommendation and Contingency Plan for General Fund Allocations for Fiscal Year 2022-2023 to City Council.

Chair Alcala introduced Community Resources Manager Riann Balch, who provided an overview of the Fiscal Year 2022-2023 General Fund initial funding recommendations and contingency plans made by the Basic Needs, Special Populations, and Youth Subcommittees. She explained that the purpose of this action item is for the HHSC to make one recommendation to include a contingency plan for all applications. General Fund applicants will be notified of initial recommendations, and a public hearing will be conducted on May 11, 2022, at the next Regular HHSC Meeting. General Fund final recommendations and contingency plans for Fiscal Year 2022-2023 will go to City Council for approval on June 23, 2022.

Chair Alcala recognized the subcommittees for their thorough evaluation of the proposals. The Commission discussed the recommendations made by the subcommittees and developed a combined recommendation and contingency plan as reflected in Attachment A. Should funds in an amount over what is identified in the contingency column become available, an additional recommendation will be forwarded to City Council for approval.

Chair Alcala asked if any members of the public would like to speak. Chandler resident, Leslie Minkus, 3372 E. Gemini Ct, Chandler, AZ 85249, said this is the first time he has attended a meeting of this Commission and that he had six items he would like information on:

1. A map of all homeless shelter locations in Chandler.
2. Statistics of the number of homeless individuals that have addictions.
3. The number of homeless persons who are U.S. citizens, illegal aliens, terrorists, or have criminal records.
4. The process or procedures used to transition homeless individuals to productive citizens.
5. The sources of funding used for homeless services and what percentage of that funding is from taxpayers.
6. How funding is distributed within an agency providing homeless services and the number of participants.

Chandler resident, Linda Sawyer, 1158 W. Linda Lane, Chandler, AZ 85224, said she was concerned that the funding from General Funds is going to homeless services and not traditional neighborhoods. She stated she is unable to get her alley lit because a great deal of funding goes to homeless services, making it unsafe for residents. Ms. Sawyer also felt that many of the programs being funded with state and federal funds were duplicated services. She said anyone can go to the State of Arizona for medical and dental services, so she doesn't know why the City of Chandler

funded the CARE Center Children's Medical and Dental Clinic, Dignity Health Foundation's Dental Clinic or Mission of Mercy. She stated further that the Mesa United Way's VITA Program is a duplication of services and that most funds go to homeless programs, which create problems for Chandler residents.

Additionally, Ms. Sawyer expressed that the April 11, 2022, HHSC Basic Needs Subcommittee meeting minutes were incorrect. She stated that she asked for a copy of the funding allocation spreadsheet during the meeting and that this was not reflected in the minutes. She also stated that she has not received the spreadsheet and asked what the next steps are to obtain it. She further indicated that she requested an email of all program metrics and the number of people served through the funding and has not received that either. City Attorney Kelly Schwab informed Ms. Sawyer that she would need to file a public records request for any information she is requesting. Ms. Schwab explained further that the City can only provide records they have on file, and that the City does not have access to information collected by outside agencies. On her public comment card Ms. Sawyer asked if committee members live in Chandler and recommended that residents have decision making participation for program funding. There were no other comments from members of the public.

Motion: Commissioner Mattisson made a motion to approve the General Fund Initial Recommendations for Fiscal Year 2022-2023, including the Contingency Plan. Commissioner Hardy seconded the motion.

Discussion: None.

Results: Motion passed 7-0.

HHSC Memorandum

Neighborhood Resources - Memo No. NR22-016

Date: May 11, 2022

To: Housing and Human Services Commission

From: Riann Balch, Community Resources Manager *RB*

Subject: Public Hearing on Fiscal Year 2022-2023 General Fund Allocations Initial Recommendations

Background:

The current General Funds Allocation Process, which was originally adopted in 2010, was updated and approved once again on September 12, 2019, via Resolution No. 5314, following a comprehensive, Community Wide Needs Assessment (2019 CNA). The 2019 CNA identified the following funding priorities:

Target Populations	Top Areas of Needs
People experiencing homelessness and/or housing crisis	Housing for all incomes
Households with low-and moderate income	Behavioral health
Seniors who are isolated or have low-income	Homelessness
Vulnerable youth	Better communications
People living with mental health and/or substance use disorders	Transportation
People living with physical and intellectual disabilities	Social Isolation
	Food insecurity

Discussion:

On April 27, 2022, the Housing and Human Services Commission (HHSC) developed initial funding recommendations for the Fiscal Year (FY) 2022-2023 General Fund allocations to support the provision of human services programs in the Chandler community.

The total amount available is \$1,088,056, which is comparable to the City's historic yearly General Fund allocation. Funding is, however, \$737,712 less than the previous fiscal year due to additional one-time American Rescue Plan Act (ARPA) funds that were made available. Of note, fifty-four applications were received totaling \$2,908,496 in requests. Ten HHSC Commissioners and twelve additional Chandler residents participated in the evaluation process.

Memo No. NR22-016

Attached is a chart detailing initial recommendations (Appendix A) and a document further describing programs and services recommended for funding (Appendix B). Additionally, the chart of initial recommendations (Appendix A) includes the HHSC's recommendations for the award of additional funds, referred to as a contingency plan, should new funds to support human service activities become available for implementation in FY 22/23. Should funds in an amount over what is identified in the contingency column become available, an additional recommendation will be forwarded to City Council for approval.

The HHSC's final recommendations will be sent to the Mayor and Council for consideration on June 23, 2022.

Date: May 11, 2022
To: Housing and Human Services Commission
From: Riann Balch, Community Resources Manager *RB*
Subject: Fiscal Year 2022-2023 General Fund Allocations Initial Recommendations

Proposed Motion:

Staff recommends the Housing and Human Services Commission to approve the Fiscal Year 2022-2023 General Fund Recommendations and Contingency Plan.

Background:

The current General Funds Allocation Process, which was originally adopted in 2010, was updated and approved once again on September 12, 2019, via Resolution No. 5314, following a comprehensive, Community Wide Needs Assessment (2019 CNA). The 2019 CNA identified the following funding priorities:

Target Populations	Top Areas of Needs
People experiencing homelessness and/or housing crisis	Housing for all incomes
Households with low-and moderate income	Behavioral health
Seniors who are isolated or have low-income	Homelessness
Vulnerable youth	Better communications
People living with mental health and/or substance use disorders	Transportation
People living with physical and intellectual disabilities	Social Isolation
	Food insecurity

Discussion:

On April 27, 2022, the Housing and Human Services Commission (HHSC) developed initial funding recommendations for the Fiscal Year (FY) 2022-2023 General Fund allocations to support the provision of human services programs in the Chandler community.

The total amount available is \$1,088,056, which is comparable to the City's historic yearly General Fund allocation. Funding is, however, \$737,712 less than the previous fiscal year due to additional one-time American Rescue Plan Act (ARPA) funds that were made available. Of note, fifty-four applications were received totaling \$2,908,496 in requests. Ten

The HHSC's final recommendations will be sent to the Mayor and Council for consideration on June 23, 2022.

From: Karin Bishop, Community Development and Resources Supervisor *KB*

Subject: Approval of the Fiscal Year 2022-2023 Annual Action Plan including Community Development Block Grant (CDBG) Funding Recommendations and Contingency Plan.

Proposed Motion: Staff recommends the Housing and Human Services Commission approve the Fiscal Year 2022-2023 Annual Action Plan including Community Development Block Grant (CDBG) Funding Recommendations and Contingency Plan.

Background: Each year, the City of Chandler receives federal CDBG funding, administered by the United States Department of Housing and Urban Development (HUD), to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for persons with low- and moderate-income. Funds support a wide range of community development activities directed toward revitalizing neighborhoods, economic development, and providing improved community facilities and services.

As a prerequisite for receiving CDBG funding, the City of Chandler is required to prepare and submit an Annual Action Plan that serves as the formal application for the use of entitlement funds that are received by the City of Chandler. The Annual Action Plan defines the one-year activities in relationship to the five-year goals and objectives of the 2020-2025 Consolidated Plan approved by City Council on June 25, 2020.

In compliance with HUD regulations and the Citizen Participation Plan, the City held a 30-day public comment period regarding the draft Fiscal Year 2022-2023 Annual Action Plan, which includes the Housing and Human Services Commission's initial funding recommendations and contingency plans for CDBG that will be applied once HUD releases

its annual allocations for Fiscal Year 2022-2023. The public comment period began Monday, March 28, 2022, and ended Friday, April 29, 2022. In addition, two public hearings were held on February 9, 2022, and on April 6, 2022, to ensure multiple opportunities for input from the community regarding the draft Fiscal Year 2022-2023 Annual Action Plan. Attached are the public comments that were received during the public comment period and will be included in the finalized report submitted to HUD. The draft Fiscal Year 2022-2023 Annual Action Plan is available for review on the City's website at:

<https://www.chandleraz.gov/residents/neighborhood-resources/community-development/plans-and-reports>.

A hardcopy of the report is also available for review at the Neighborhood Resources Department.

Discussion: To date, HUD has not released the Fiscal Year 2022-2023 CDBG annual allocation. The HHSC funding recommendations for CDBG in Fiscal Year 2022-2023 are based on the prior year award of \$1,468,384.

Subject: Approval of the Fiscal Year 2022-2023 HOME Investment Partnerships Program (HOME) Funding Recommendations and Contingency Plan.

Proposed Motion: Staff recommends the Housing and Human Services Commission approve the Fiscal Year 2022-2023 HOME Investment Partnerships Program (HOME) Funding Recommendations and Contingency Plan.

Background: Each year, the City of Chandler receives federal HOME funding, administered by the United States Department of Housing and Urban Development (HUD), through the Maricopa County HOME Consortium. Eligible HOME activities include building, buying, and/or rehabilitating affordable housing for rent or homeownership or providing direct rental assistance to individuals with low- and moderate-income. HOME-funded activities proposed by the City are included in Maricopa County's Consolidated Plan and Annual Action Plan submitted to HUD.

In compliance with HUD regulations and the Citizen Participation Plan, the City held a 30-day public comment period regarding the Housing and Human Services Commission's initial funding recommendations and contingency plans for HOME that are included in the draft Maricopa County Fiscal Year 2022-2023 Annual Action Plan. The contingency plan will be applied once HUD releases its annual allocations for Fiscal Year 2022-2023. The public comment period began Monday, March 28, 2022, and ended Friday, April 29, 2022. In addition, two public hearings were held on February 9, 2022, and on April 6, 2022, to ensure multiple opportunities for input from the community regarding the HOME funding recommendations and contingency plans. Attached are the public comments that were received during the public comment period. The draft Maricopa County Fiscal Year 2022-2023 Annual Action Plan is available for review on the City's website at:

Discussion: To date, HUD has not released the Fiscal Year 2022-2023 HOME annual allocation. The HHSC funding recommendations for HOME in Fiscal Year 2022-2023 are based on the prior year award of \$409,881.

- 1) In an unscheduled appearance, Chandler resident, Linda Sawyer, 1158 W. Linda Lane, Chandler, AZ 85224, asked that the Commission consider the effects the approved programs have on traditional neighborhoods not supported by an HOA. She shared her concerns with the traffic these programs bring into the neighborhoods, individuals rummaging through the trash, and sleeping in the alleys. Ms. Sawyer asked the Commission to do their due diligence to ensure that neighborhoods are protected, especially with the police department's staffing shortages and inability to provide extra patrol.

**Housing and Human Services Commission Meeting – CDBG Public Hearing
235 South Arizona Avenue, Chandler, AZ 85225 (in-person and virtually)**

- 1) Chandler resident, Linda Sawyer voiced her concerns regarding the increase of crime in her neighborhood. She stated that the police department is understaffed and not able to immediately respond. She shared an incident where police were not able to respond until the next day and had asked for video of the incident. Ms. Sawyer stated that people in the programs being discussed are not being treated and are simply being dropped off in neighborhoods. She also shared her discontent with being given only 3 minutes to speak regarding her concerns with the funding being allocated. She said as a constituent she was concerned with the lack of Code Enforcement in neighborhoods. Ms. Sawyer asked where she could receive answers since she took the time to be at tonight's meeting.
- 2) Chief Executive Officer Jacki Taylor from Save the Family thanked the Commission and expressed her appreciation for the City's partnership. Ms. Taylor explained the CDBG funding that her organization receives supports the Case Management program. The Case Management program works with families to secure jobs and provide other support services. She shared that her organization is seeing unprecedented numbers of individuals experiencing homelessness. She indicated that at the time the organization submitted its application for funding, there were approximately 26 affordable housing units for every 100 households. Now, the number of affordable housing units has dropped to 18 for every 100 households. Ms. Taylor explained that her organization is committed to helping families find housing stability and that it is more important now than ever before.

**Housing and Human Services Commission Meeting – HOME Public Hearing
235 South Arizona Avenue, Chandler, AZ 85225 (in-person and virtually)**

- 1) Chief Executive Officer Jacki Taylor from ARM of Save the Family shared that for the last 30 years, the organization's mission has been to develop and maintain affordable housing. Ms. Taylor explained that a single mother with children cannot afford a place to live in the current market and has an increased chance of experiencing homelessness. She shared that ARM of Save the Family currently has 15 units in Chandler and conducts monthly inspections and follows federal standards.
- 2) Chandler resident, Monica Henry, 1330 N. Brentwood Place, Chandler, AZ 85224, commented that she attended the meeting to observe the process. She asked if there was a forum where residents can ask questions and have their questions addressed. Community Resources Manager, Riann Balch explained that staff can respond at the Chair's request. If the information was not readily available, the Chair can request staff to follow-up.

- 3) Resident Linda Sawyer thanked Ms. Henry for her question. Ms. Sawyer expressed concern about only being able to speak at certain times. She said she should have the opportunity to speak to every slide of the presentations. Ms. Sawyer asked if staff members are directed to respond directly to residents, how will other members of the public access those answers. She further explained that these programs do not address the impact they have on the community.
