

On May 17<sup>th</sup>, 2022, the City of Chandler Library Board will formally consider the elimination of overdue library fines. The City of Chandler recognizes that library fines create a barrier for many citizens who rely on the library for its free access to books, technology, Internet access and other invaluable services. Equitable access for all is a pillar of library service, and in proposing the elimination of fines, Library Administration and City of Chandler leadership strive to encourage all citizens to benefit from the many resources available at Chandler Public Library. Replacement fees for lost or damaged material remain in place.

The chart below specifies which fines are to be voted for elimination at the May 17, 2022 Library Board meeting.

Books	\$0.20 / day
Audio Books	\$0.20 / day
