## Methods to Cast a Vote in the Primary Election

---

### PERMANENT EARLY VOTING LIST (PEVL) – REGISTERED INDEPENDENT VOTERS

All PEVL voters will receive a postcard in the mail starting May 6.

- On the postcard registered Independent voters must indicate if they would prefer to receive the ballot for the: Democrat race, or Republican race, or City of Chandler issues only ballot
- Drop the postcard in the mail and the ballot you've requested will be mailed to you.

Registered Independent voters on the PEVL who do not choose a ballot and then mail the postcard back, will not receive a Primary Election ballot.

City of Chandler measures will appear on the ballot for both parties, so all Chandler voters will be able to vote on City issues and City Council candidates.

For more information call Maricopa County Elections Department at 602-506-1511.
