Access to knowledge is our passion. When it comes to educational and career aspirations for individuals with disabilities, we don't want anything to stand in the way. We believe every person, regardless of ability, has valuable strengths, infinite capacity to learn and the potential to make important contributions to our community. That's why we're proud to offer the Mayor's Committee for People with Disabilities Scholarship Program to assist individuals in making the most of their talents as they pursue education and promising careers.
