Applicant's Signature			

1. Mobile home may be taken to the site; however, you must obtain a zoning clearance and State installation permit prior to set-up.
2. Include two (2) copies of a plot plan and show distance to lot lines and adjacent mobile homes, awnings, fences, streets, drives, or any structures.
3. Show existing or proposed storage sheds.
4. Show proposed awnings and include size, type of construction and setbacks. Include awnings on the mobile home permit only if they are part of the installation contract and are pre-engineered/manufactured.

You must call:

1. **City of Chandler Site Development at 480-782-3061 for an inspection of setbacks; and**
2. **Arizona State Office of Manufactured Housing at 602-364-1003 for mobile home set-up inspection.**
