2024 CITY OF CHANDLER BENEFITS GUIDE

for retirees & their families

A Message from the City Manager:

Taking care of those who have served our community is paramount to the success of our city. That's why the City of Chandler offers a comprehensive benefits package to support the health of our retirees. The City of Chandler's medical plan is a self-funded trust made up of a combination of city dollars and employee/retiree contributions. This fund pays all claims and expenses associated with the medical and prescription drug plans. Continuing the approach initiated last year to stabilize the fund, the city has made a second \$5 million contribution to the trust while spreading rate increases over multiple years and implementing plan design changes. Effective January 1, 2024, there will be an 8% increase to medical premium rates for the Red, Blue, and White plans, representing a monthly difference ranging from \$44.48 to \$160.75.

We've also made some changes to our dental and vision plans:

- For dental coverage, implants not bound by two teeth will now be covered.
- Vision coverage will see a premium increase of \$0.01 \$0.04, which increases the frame and contact lenses allowance while reducing your total out-of-pocket cost.

Team Chandler is strong because of our incredible employees, retirees and all their families. Thank you for working together to take care of yourselves, live a healthy lifestyle, and keep our healthcare trust sustainable for the future.e.

Sincerely,

Josh Wright City Manager

The City of Chandler provides our retirees with medical, dental, vision and group term life insurance benefits. This guide provides a summary of your benefit options. Remember, you may not be eligible for all the benefits outlined in this guide. Retirees are only eligible for the benefit plans for which they are currently enrolled.

Please review this guide carefully; talk it over with your family. Compare your options; then make the best decision for you and your family.

BENEFITS INFORMATION ONLINE!

Retirees and their families can get the latest benefits information and resources at **chandleraz.gov/benefits**.

Benefits Eligibility

Our plans are on a calendar year and are effective from January 1 to December 31. New retirees are eligible for benefits the first of the month following their employment termination date.

Once you make your benefit elections, your next opportunity to make changes will be during annual Open Enrollment, unless you have a qualifying life event. Please see Qualifying Life Events on page 3 for more details.

ELIGIBLE DEPENDENTS

The following are eligible dependents that may enroll in City of Chandler's benefits. Please see CM-51 (Proof of Dependent Status for the City of Chandler Health Plans) for required documentation.

- Your legally married spouse
- A child/young adult under the age of 26 (until the end of the month of their 26th birthday), which includes the retiree's natural child, stepchild (when the parent is legally married to the eligible retiree), legally adopted child, or child under legal custody or legal guardianship of the retiree
- Children who are the subject of a valid Qualified Medical Child Support Order (QMCSO) as determined by Human Resources
- An unmarried disabled child of an eligible retiree who has reached age 26, primarily supported by the retiree and incapable of sustaining employment by reason of mental or physical disability- see Human Resources for more details.

Qualifying Life Events

MAKING CHANGES TO YOUR COVERAGE

According to IRS rules, you are allowed to make certain benefit changes during the plan year only if you experience a qualifying life event. To make a change, you must notify Human Resources within 31 calendar days of the event.

Examples of qualifying life events include:

- Becoming Medicare-eligible
- Marriage, divorce, death of spouse or annulment
- Birth, death, adoption or placement for adoption of a child
- Change in employment status for you, your spouse, or your dependent
- Change in dependent eligibility due to age
- Become eligible or lose coverage under Medicaid or Children's Health Insurance Program Reauthorization Act (CHIPRA).

Depending on the type of event, you must provide proof of the event. Benefit changes must be consistent with the qualifying life event. See CM-53 (Benefit Plan Mid- Year/Special Enrollment Changes) on **chandleraz.gov/benefits** for your individual situation and required documentation.

FOR NEW BABIES AND ALL OTHER DEPENDENTS – DO NOT WAIT to notify the City of Chandler until you have the required proof of dependent verification documentation, or your dependent(s) may be denied coverage. The required documents can be provided when you receive them. Please notify Human Resources by emailing **retiree.benefits@chandleraz.gov** or calling **480-782-2371**.

If you have questions, see the benefits Administrative Regulations for additional benefit details and information on **chandleraz.gov/benefits**.

Medical Benefits

The City of Chandler has a variety of plans with unique features. We offer three medical plan options to choose from. When it comes to selecting a medical plan, you should choose what works best for you and your family.

Our Medical plans are offered through the Blue Cross Blue Shield of Arizona network. Generally, if you choose a plan with a higher deductible and coinsurance, your monthly premium may be smaller. Consider your family's overall health situation and finances in order to choose the plan that's right for you.

This is a brief overview of the major differences of our three plan options.

PLAN QUALITIES

	RED PLAN	BLUE PLAN	WHITE PLAN		
Cost	Highest monthly premium, but lower deductible and some copays	Low monthly premium, but higher deductible than the Red Plan	Lowest monthly premium in 2024, but highest deductible		
Flexibility to choose doctorsSame level of flexibility to choose doctors using the BCBS of Arizona network. Als coverage with the BCBS Blue Card.			Arizona network. Also receive out of state		
Prescription drugs			You pay the full cost of prescription drugs until you satisfy the deductible, then you pay a copay when you fill a prescription with an in-network pharmacy. For out- of-network pharmacy description cost, please referred to the SBC's.		
In-network pro- vider advantage					
Protection	All three plans provide protection at different out-of-pocket maximums per plan to protect you in case you and your family have unusually large health care expenses in a single plan year — if you reach the out- of-pocket maximum, the plan will pay the rest of your covered charges for the remainder of the year.				

COORDINATION OF BENEFITS (COB)

When another commercial carrier/administrator is the primary payer and BCBSAZ is the secondary payer:

The combined payments by the primary payer and BCBSAZ will not exceed the greater of the primary payer or BCBSAZ's allowed amount. BCBSAZ's payment will be the higher allowed amount minus the amount paid by the primary payer, not to exceed what BCBSAZ would have paid as the primary payer.

Retirees will be responsible for the difference between the higher allowed amount and the total of BCBSAZ and the primary payer's payments if the provider is an in-network provider.

Retirees will be responsible for the difference between the provider's billed charges and the total of BCBSAZ and the primary payer's payments if the provider is out-of-network (except for emergency services). **NOTE: This does not apply when the primary payer is Medicare**.

PREVENTIVE CARE

Preventive care services are covered at 100 percent on all the City's medical plans as long as in-network providers are used. Preventive care services are recommended by the US Preventive Service Task Force (USPSTF) and may change from year to year. For current covered preventive services, please review your benefit booklet on your **azblue.com** portal or at the US Preventive Services Taskforce **uspreventiveservicestaskforce.org**.

ALWAYS LOOK FOR AN IN-NETWORK PROVIDER

With all plans you can use in-network and out-of-network providers, but your costs will be lower when you stay in-network. To find doctors, hospitals and other healthcare providers in the BC/BS of Arizona network, use the Find a Doctor tool at **azblue.com/individualsandfamilies/find-a-doctor**.

MEDICAL PLAN COVERAGE & RATES

NOTE: This information is a general overview of coverage for **in-network providers** only. Please make sure you verify the provider is in-network before scheduling an appointment. For **out-of-network** coverage and more details regarding each service, please make sure you review the Summary of Benefits Coverage (SBCs) for each plan located on Chanweb or **chandleraz.gov/benefits**.

Additional Medical Care Options

BLUECARE ANYWHERE - TELEHEALTHSM

Most of us don't have time to be sick. If you are a member of the City's Blue Cross/Blue Shield of Arizona medical plan you will have access, anytime and anywhere, to remote medical, counseling or psychiatry services. Virtual visits are available 24/7 for common illness, aches and pains and medications and/or counseling/ psychiatry concerns. A key benefit of BlueCare AnywhereSM is convenience. Virtual visits do not replace your annual physical or regular visits with your doctor.

MOBILE APP: To sign up for Telehealth, wisit BlueCareAnywhereAZ.com or download the mobile app and select a provider. Telehealth should not be used

for emergencies. In an identified or probable emergency, the virtual visit provider will direct the patient to seek emergency care and you would not be charged for that remote visit.

TELEMEDICINE

A telemedicine visit is a virtual doctor's visit that happens using your computer, tablet, or mobile device. It's a good way to get non-emergency care without going to the doctor's office. Check with your regular PCP or any other in-network BCBSAZ provider to see if they offer telemedicine visits. If your PCP isn't available or doesn't offer telemedicine visits, you can use BlueCare AnywhereSM.

GET DAILY SUPPORT FOR YOUR HEALTH & PARENTHOOD JOURNEY

Blue Cross[®] Blue Shield[®] of Arizona offers a suite of resources to support our retirees and their families throughout the entire parenthood journey. You will have access to expert content, health insights tailored to your unique needs, and unlimited oneon-one health coaching with a dedicated well-being team of experts.

MOBILE APP: Access online or download the Sharecare app to select the program that is right for you. You will have access to relevant and personalized information

that can help you stay healthy, meet your wellness goals by completing challenges, coaching and other wellness programs, including the Pregnancy Rewards program. Also, you can enroll in the fertility, pregnancy, or parenting program to find out how to get a \$100 gift card reward.

NURSE ON CALL

Get immediate answers to your health questions from an experienced, registered nurse, anytime, day or night.

Call 866–422–2729 or start a chat online by logging in to your **azblue.com** account and choosing Nurse on Call under Health & Wellness.

Dental Benefits

To help you stay on top of your dental health, the City offers you and your eligible dependents comprehensive dental coverage through Delta Dental of Arizona. Here are some important points to remember about how the plan works:

GREATER SAVINGS

You may visit any network dentist, but you will save the most money by visiting a PPO dentist.

Dental Changes for 2024

No change to rates, but a couple plan improvements:

- Implants will no longer have the requirement to be bound by teeth on each side.
- Assignment of Benefits will be allowed for members who receive services from an out-ofnetwork provider. This will allow the member to decide if they want Delta Dental to reimburse/ pay them or the dental provider. Note that your cost share will still be higher for Out-of-Network providers.

PREAUTHORIZATION & BALANCE BILLING

Be sure to get any service over \$250 preauthorized by Delta Dental of Arizona before you proceed. Otherwise, you may not be covered.

If you are not covered, you may be billed for the balance of what the plan does not cover. This is called "balance billing." Consider the following before obtaining a service:

- Make sure the provider and facility are a part of the PPO or Premier Network. If you're not sure, call the provider or Delta Dental of Arizona directly.
- Find out the cost for a service and how much the plan will cover. This will help you determine whether or not you will be billed later.

MOBILE APP: Easily access a full range of tools and resources with the Delta Dental mobile app. You can register by using your member ID (SS#). Access Mobile ID Card, view your coverage and claims, find a dentist, use the dental care cost estimator, LifeSmile Score, toothbrush timer and more.
