2-26.4.G 33-5 Ord No.1628	1.1 (a) iii	Modified	Copies – per page	No Change	General public making copies at the Library	Black & White: \$0.10 per page Color: \$0.25 per page	Black & White: \$0.15 per page Color: \$0.50 per page	In May 2022, the Library Board lowered copy and print fees due to a drop in toner costs—color prints from \$1.00 to \$0.25 and black-and-white from \$0.25 to \$0.10. We now propose a modest fee increase to reflect growing demand and resource use. Patron expectations for “copy center” services have increased, leading to frequent large print jobs (500–1,500 pages) and requests for staff help with tasks like copying, sorting, and stapling. This strains staff capacity, wears down equipment, and drives up paper costs, with some users consuming multiple reams	FedEx/Kinkos: \$0.21 B&W \$0.50 Color Mesa Public Library: \$0.20 B&W \$1.00 Color Maricopa County Library District: \$0.25 B&W \$0.70 Color Scottsdale Public Library: \$0.25 B&W \$0.75 Color Tempe Public Library: \$0.20 B&W \$0.75 Color
