**Date:** February 5, 2026

**To:** Mayor and Council

**Thru:** John Pombier, City Manager  
Dawn Lang, Deputy City Manager | CFO *DW*

**From:** Matt Dunbar, Budget & Policy Director *MD*

**Subject:** Fiscal Year (FY) 2026-27 Resident Budget Survey

The Budget Division recently completed the annual Resident Budget Survey as one of the steps taken toward the preparation of the FY 2026-27 Budget. The data collected from this survey will be very useful as the new year's budget is developed. Six basic demographic/general satisfaction questions formed the core of the survey this year, followed by two optional funding priority exercises and eight additional questions centered on the Council Strategic Framework Focus Areas. Residents could also submit free-form comments regarding the Focus Areas.

The survey was open from November 24, 2025, to January 16, 2026, and was available on the City's website and in paper form for those without access to a computer. The electronic and printed versions of the survey were available in English, Spanish, and Mandarin. The Communication and Public Affairs Department (CAPA) promoted the survey through the City's website, CityScope, press releases, and all social media platforms. In addition, staff sent targeted emails to groups (city boards and commissions, recreation center users, and library users), with reminders to take the survey, and created signage and postcards with QR codes for the survey at recreation centers and libraries. The total participation was 1,479 completed surveys with 1,961 comments, compared to the 1,343 completed surveys with 2,474 comments in the prior year.

Attachment 1 provides a blank copy of the survey, a summarization of residents' responses to the first seven questions, a five-year history of the five main budget survey questions, and the responses to the Focus Area questions with written resident comments. Please note the comments are listed exactly as written, with only personal identifying information removed where found; the comments have not been edited for spelling, capitalization, punctuation, or language. Additionally, an AI summary of high-level topics has been provided for each focus area category as well.

The survey is a key part of the public input aspect of preparing the proposed budget for FY 2026-27. Opportunities for public input or discussion on the proposed budget will also include Council

work sessions, the Budget Briefing to Council on May 1<sup>st</sup> and Council meetings and Public Hearings where the proposed budget will be considered and ultimately adopted on June 11<sup>th</sup>. Public input is always welcomed by contacting staff or council members directly.

The survey results have been distributed to all department/division directors and will be available online at [chandleraz.gov/budget](http://chandleraz.gov/budget).

37	Better communication with citizens. Listen to the citizens.	12/22/2025 3:09 PM
38	Different street planner. Terrible large sidewalks that stick out causing danger, stupid double lines on Frye Rd east of McQueen that are confusing. If they are for parking, mark it. Some cars drive in the inside lanes. That's where the white sidewalks are. You can make a right turn going north at that intersection. And, our cudesac paving used to be smooth until changed materials last. It's so bad that we carry the dirty paving crumbs into the driveway then carry them into the house. They've come out to fix twice but still the same. And, because parents have to line up for several blocks. They park in front of the mailboxes making it inconvenient to get my mail at that time so I have to come when it's not convenient for me & my walking cane.	12/20/2025 5:14 PM

51	More police presence	12/12/2025 6:57 AM
52	The community feral cat population and the volunteers that help with TNR get NO help from the city. The contract you have with Saving One Life for the surgeries are not even fulfilling the contract by doing all the services they are contracted to do. They are a non-profit located in Gilbert. Why are we giving money to a business not even located in Chandler? Volunteers and other non-profits work tirelessly to help control the population but no incentive is given to continue our work. We are unpaid, over worked, emotionally stressed and not supported by the city. The city is putting money into a non-profit that doesn't give back to the community of Chandler.	12/11/2025 4:48 PM

57	Wild spaces	12/8/2025 7:34 AM
58	Extend Chandler FLEX so it covers ALL of Chandler. We live outside of the area covered by FLEX. My husband uses a wheel chair and would like to go to the Senior Center or Tumbleweed for socializing, but he is not able to because FLEX isn't available to him. He is isolated. 66	Improving the bike lanes in the city	12/3/2025 3:39 PM
67	1. Chandler Blvd between McQueen and the railroad tracks is a disgrace-the City should be ashamed of the condition of that stretch of road! When is the City going to remove existing pavement and repave? 2. The corner of Superstion Drive and Chandler Blvd needs to have a traffic light installed due to heavy traffic flow. It is difficult to make a right hand turn onto Chandler Blvd because: (a) if someone is making a left hand turn, they have to pull so far forward in order to see past the blockwall fence, it blocks people from seeing the road to make a righthand turn; (b) it's almost impossible to make a lefthand turn due to visibility problems seeing past the block walls.	12/3/2025 10:57 AM
68	Street pedestrian crossings, neighborhood speed road bumps	12/3/2025 6:34 AM

9	Od Harris does not support our police force in Chandler and should resign. He is making it difficult for police to do their job. Our Chandler police are great	1/15/2026 1:34 PM
10	Appreciate red light & speed cameras at problematic intersections	1/14/2026 5:30 PM
11	Rude fire fighter ambulance driver wouldn't put on a face mask before assisting my 85 yr old dad with Parkinson dementia. He thought he was running things on my property. He learned you do that to a 35 year Navy Veteran from Memphis, Tennessee. Police are kind enough, but those damn loud vehicles have got to stop! All day, all night. Isn't there a law against that?	1/14/2026 5:23 PM
12	I see only one wrong as of recently and that is that the police department and certain services could use more training for mental health crisis moments instead of their usual shoot first worry about it later In the years I have lived in chandler it was been worse cop shooting ratio than the city I lived in in northern CA...	1/14/2026 10:16 AM
13	Need more neighborhood patrolling. Kids doing wheelies racing motorized bike, cutting off drivers etc it's dangerous	1/13/2026 9:05 PM
14	Too few police officers monitoring traffic, crazy drivers, speeding, inattentive drivers, etc. Some of the worst drivers I've seen are on the streets of Chandler.	1/13/2026 4:52 PM
15	Keep up the great response times	1/13/2026 4:31 PM
16	i feel like they're trying to get more and more money from taxpayers ... and then retire and go to work for security at ASU for example	1/13/2026 11:31 AM
17	Not a Chandler specific problem, but I have a general distrust of police	1/13/2026 9:02 AM
18	Training is a priority, especially for dealing with people facing mental health challenges. And tactics training focused on de-escalation techniques. AND DO NOT SUPPORT OR PARTICIPATE IN ICE ACTIVITIES IN THE COMMUNITY. PROTECT OUR PEOPLE. ALL OUR PEOPLE.	1/12/2026 9:26 PM
19	911 dispatch staffing needs to be addressed.	1/12/2026 8:51 PM
20	I would like to see more outreach to the community. I would like to see Police Officers speak at schools speaking about bicycle safety and e-bike safety. I would like to see more enforcement on traffic violations. I see a lot of red-light running, speeding, aggressive driving that is being ignored.	1/12/2026 4:56 PM

21	Protect us from ICE and ban fireworks	1/12/2026 2:06 PM
22	Let police officers do their job without the city review looking over their shoulder and arm chair quarterbacking their decisions.	1/11/2026 7:12 PM
23	The most important issue now is protecting community from the tyrannical federal Trump government - if police will commit to that, I will support them	1/11/2026 8:05 AM

25	My observation seems ok I have not had to use services to rate it.	1/10/2026 12:01 PM
26	We need more enforcement of traffic laws- full stop this needs to be a priority. The amount of speeding vehicles and intersection collisions is out of control and I have not see a person pulled over for a violation in years. Make our streets safer please!	1/10/2026 8:22 AM
27	I believe that most officers and public servants are good but I also believe there are members of every dept nationwide that have may need to be re-evaluated for poor behavior that has gone unchecked.	1/9/2026 11:01 PM
28	Traffic control is lacking. Queen creek is a drag race central. All day our neighborhood hears cars flying. Called and complained and nothing has been done. 60-65 is the suggested speed limit on Queen creek just west of Gilbert. There has been more accidents than ever before due to the lack of traffic enforcement and neighborhood speed bumps request being denied as it does not meet high requirements.	1/9/2026 6:22 AM
29	Feel safe In south Chandler. Too many homeless in other parts.	1/8/2026 9:05 PM
30	I recently completed PD Citizens Academy and learned so much about PD and operations. Given I have that knowledge, I feel very safe within the community. Other than citizens academy, add additional education workshops/ classes for self- defense, emergency planning, etc.	1/8/2026 6:15 PM
31	Not sure what they are doing.	1/8/2026 5:39 PM
32	My only safety concern is the speed of motorists on our Chandler roadways. I live in a community along Riggs Road and the speed of vehicles is constantly 10-15 MPH over the posted speed limits.	1/8/2026 9:09 AM
33	Firefighters are not political. But law enforcement is a slippery slope. But i have not had a bad experience with officers yet but I have not experienced any directly positive either so I'm neutral on it.	1/8/2026 7:22 AM
34	Police should be protectors, not predators. Police should go after criminals, not focus on generating ticket revenue via commuters trying to get to work or their kids to school who make minor traffic infractions.	1/8/2026 7:15 AM
35	Minimize kids on e bikes	1/8/2026 4:56 AM
36	Rarely see the police - do they still patrol neighborhoods? Would be nice to see a more proactive presence	1/8/2026 4:11 AM
37	I only know what I see and I don't get out much. I don't look at news or sm to get local news because too much speculation and gossip but I see a lot of police out and blocking streets and such a police presence in the streets and I don't know why but think it must mean we have a lot more terrible crime happening then when I moved here 25 years ago. I'm really glad my children have all grown up.	1/8/2026 1:20 AM
38	Reallocating resources from the police to more specialized agencies would help. Cops have too much on their plate to effectively do their job	1/7/2026 11:55 PM
39	Need to get all the kids on e-bikes off atreets	1/7/2026 9:40 PM
40	Stop all the street racing at all hours of the night	1/7/2026 9:20 PM
41	Traffic is terrible. The red light runners should go to jail the right turn cars that roll the red lights. Not near enough police at intersections these people need to go to traffic school after paying a fine that hurts	1/7/2026 7:36 PM

43	When in crisis, people don't think clearly. We need police officers trained in helping people with compassion.	1/7/2026 12:04 PM
44	chandler dispatch is rude	1/7/2026 11:30 AM
45	When I said I feel "neutral" about public safety, it's all linked to people who seem to have mental health issues who are harassing me in my neighborhood. That needs addressed through mental health programs, community outreach, social services, etc. I am NOT asking for more armed officers, patrols, etc.	1/7/2026 11:25 AM
46	Chandler needs to enforce citizen use of fireworks.	1/7/2026 8:45 AM
47	Satisfied with performance	1/7/2026 8:34 AM
48	I called because a homeless person was soliciting for money at the edge of my neighborhood. Police said it isn't illegal. This makes me feel unsafe and that they don't care. Perhaps my zip code 85225 isn't a priority for services.	1/7/2026 8:29 AM
49	I've seen some very dilapidated city vehicles, especially at the fire department. Overall community safety is pretty good though, but an update to community safety equipment is needed.	1/7/2026 8:20 AM
50	I've yet to feel unsafe	1/7/2026 6:28 AM
51	NA	1/7/2026 6:00 AM
52	Chandler police pulled me over the day after I moved here from out of state with an old car. My car didn't have a current registration and I was in the process of getting a quote to get it fixed. The cop told me about the temporary registration and gave me a warning. Nice guy, helped me figure out the system so I could comply with the law rather than just punishing me arbitrarily.	1/7/2026 12:19 AM
53	Ray road and 101 has a lot of panhandlers. I do see police every now and then come by and have them move on. We could see more of that.	1/6/2026 10:00 PM
54	Police have been great and responsive. My only concern has been hearing more loud noise, especially late at night, and more traffic. I would want to make sure they have the resources to address that along with everything else.	1/6/2026 9:28 PM

59	The city is doing an admirable job	1/6/2026 11:35 AM
60	I feel the first responders in Chandler all around are gray and very responsive. I would not at this point need to improve anything with them besides continued their funding and make sure the money goes in the right direction.	1/6/2026 11:26 AM
61	Drive around and witness speeding, red light running, lack of turn signal use...no cops to be seen. If you do by chance see a cop and they witness the above offenses, they are just ignored. But boy you do see 4 or 5 police cars respond for hours on a minor traffic accident. Waste of resources.	1/6/2026 10:39 AM
62	It's fine as is. I would prefer not to see more money dumped into it as compared to other programs.	1/6/2026 5:51 AM
63	All interactions with and observations of PD have been favorable	1/5/2026 10:42 PM

66	Streets are unsafe due to speed, redlight runners including late left hand turns with no enforcement of hands-free driving	1/5/2026 6:50 AM
67	It's been less safe lately in the neighborhood and parks. I'm worried for unstable people to harm the kids.	1/5/2026 2:18 AM

77	I keep finding homeless people sleeping at my kids park in the mornings so I cant take them to the park	1/3/2026 10:22 PM
78	I think that there's some public transportation options, but that the outer limit is Riggs Road. I live just a few blocks south of Riggs and would love to be able to use these options, so expanded area would be beneficial	1/3/2026 7:34 PM
79	They could do more to patrol speeders, especially in communities with a main thoroughfare like Fox Crossing (Sandpiper Rd). The speed limit is 35 and majority of drivers seem to be excessively driving faster	1/3/2026 6:29 PM

91	I feel like more traffic patrol is needed. Too many speeders and entitled people racing around disturbing the peace. Sounds like NASCAR out here in my neighborhood in the late evenings!!!	1/1/2026 2:30 PM
92	Having motorcycle cops hiding behind bushes and nailing safe drivers going slightly over the speed limit for revenue generation is cowardly and slimy when there are other things they could be doing to keep the city safe. Or, if that's all they are needed for, there can be fewer of them on the payroll, because that does nothing for the promotion of safety. Same with stoplight/speed cameras. Useless when the average person is safely going 10-15 over in 45s, and 20+ over on the 101/202.	1/1/2026 11:47 AM
93	I have always had good experiences with public service departments.	1/1/2026 9:11 AM

100	The bikes in downtown are great.	12/30/2025 9:12 PM
101	The City should get rid of anonymous reports of parking violations and allow for the accused to discuss the situation with the accuser. We have brought our travel trailer home, on several occasions, and even though we comply with all the parking rules, we have had the PD or neighborhood services called on us in as little as 1.5 hours. This is unnecessary use of their time and is beyond frustrating that this keeps happening—we have never been cited.	12/30/2025 8:53 PM
102	The negotiated benefits for fire and police personnel are absurd. Check the overtime, take home cars, and integrity of these folks. Greedy and lazy.	12/30/2025 5:07 PM
103	I think the city does a very good job with Community Safety. I would like to see more traffic law enforcement - although I understand funding may be challenging - which is a safety issue for everyone. I'd also like to see an end to the street racing/revving on Chandler Blvd between Loop 101 and Dobson Rd between midnight and 2 AM on most weekend nights.	12/30/2025 3:37 PM
104	Please continue to have police ride bicycles through older neighborhoods to show their presence. They are always polite to talk to, and they bring a sense of security.	12/30/2025 1:40 PM
105	We need more police officers	12/29/2025 8:49 PM
106	They do a poor job of controlling criminal speeding on surface streets	12/28/2025 11:56 PM
107	Too many apartments, lowers quality of life for everyone	12/28/2025 3:49 PM
108	I want to ensure community safety efforts are centered in empathy and desire to help. Particularly with homelessness and police calls involving potential mental health crisis, ensure that we are not simply jailing people to remove the appearance of a problem. Instead focus funding on helping SOLVE the problem for the community members at risk.	12/28/2025 12:15 PM
109	My family and I have lived in Chandler for 30+ yrs. At one time, We had to call Chandler Police multiple times over several months for the same reason. Chandler Police were always prompt, polite, helpful and responsive. They are one of the Top Rated Responders in my opinion and I value them and their service tremendously.	12/28/2025 8:25 AM
110	Waymos are unsafe	12/28/2025 1:38 AM
111	Police need constant mental health training. They need to remember that they are employees / serving the people who pay their paycheck. Fundamental. They need to have humility and kindness for individuals who are challenging.	12/27/2025 12:36 PM
112	I recently moved to Chandler. I would hope community resource officers were available to residents	12/27/2025 12:17 PM

114	PD and FD are top tier. From someone who has been around and experienced other public safety entities I can attest to the level of service and competence provided by these departments is second to none.	12/27/2025 6:35 AM
115	Appreciate their supervision on road work	12/26/2025 10:16 PM

Chandler police should be interacting with residents. Train them better or get rid of the bad ones.

123	We need more officers.	12/23/2025 10:41 PM
124	I feel the city is doing good regarding community safety. Chandler is a safe place to live. There is crime everywhere but I never feel like any area of Chandler is crime ridden.	12/23/2025 8:51 PM
125	I have encountered overbearing and racist police officers from Chandler PD over the past 20 yrs. They are few and far between, but continued training and high standards should be maintained.	12/23/2025 6:48 PM

131	Need crackdown on speeders, reckless drivers and red light runners. I hear cars racing at night from my home.	12/22/2025 4:32 PM
132	Need to see more officers in our neighborhoods. Need additional Park Rangers. Once new laws are passed, the public should be updated at council meetings with regards to the enforcement of the new laws. The chicken ordinance was passed by the council. There is no assistance to the public to address issues related to the chicken ordinance. We had a rooster running around our neighborhood. We called the city and were refereed to other resources outside the city. No one good help. After 2 weeks the rooster finally disappeared. This was very poor planning on the part of the city. These issues should of been worked out prior to passing the ordinance. I wonder if the city is even tracking these issues.	12/22/2025 3:50 PM

139	I live across the street from a drug house that has been raided but everyone was released same day. Chandler PD comes by multiple times a day and sometimes even sits on the side of my house to watch them. Us and them want them gone but due to legislation there is only so much they can do, but I appreciate the constant vigil.n	12/21/2025 6:24 PM
140	I am newer to the area so unaware of specific efforts of community safety, but overall so far I have felt safe in my chandler communities.	12/21/2025 4:33 PM
141	Police and Fire department provide excellent professional services	12/21/2025 1:26 PM
142	They're running around in F150 trucks and these huge suvs. They don't do anything other than intimidate people. Where is the help? Where is the community service?	12/21/2025 9:24 AM

they have been officers that made my feel like I'm was just a hassle and unless, unworthy as I was getting harassed in a DV situation. And I am LEO myself, I've played a role in protecting this community and felt very less than and slightly disgruntled as an employee for some time.

145	Would like to see more regulation and enforcement of "e-bikes/ scooters" and keeping them off sidewalks and in bike lanes	12/20/2025 9:09 PM

148	Please consider focusing on the bigger issues in community safety including homelessness and crime. Both of the traffic tickets I have received on AZ ave. went far beyond the initial fees and predictably affected my insurance rates. As a senior, this really impacts my fixed income. One ticket was about not wearing my safety belt and almost thrown out of court d/t how the ticket was issued in the first place. My handicap tag hanging on my rearview was apparently obstructing my view??? The other ticket was given the DAY after the state law changed about holding your cell phone while driving. Wasn't talking wasn't texting, but listening to a YouTube video that was hard to hear as I was passing City Hall on my way home from grocery shopping. No warnings just a ticket! I know you can do much better Chandler police!	12/19/2025 9:39 PM
149	This is the safest city ive lived in, with understanding police. They actually talk to you.	12/19/2025 10:35 AM
150	Enforce people under the influence (pot, drugs, alcohol, distracted drivers). Why should no smokers have to breathe in pot? You can't call the non emergency number anymore because no one answers at the Police Department (accidents, fights, etc.)	12/18/2025 5:07 PM

160	More patrol in older neighborhoods and enforce loud speeding vehicle laws.	12/16/2025 5:31 AM
161	I see a consistent amount of patrol in uptown Chandler.	12/15/2025 9:48 PM
162	Please check 1270 East Ivanhoe St. north of Sanborn school. 4 times a day a school bus stops in an undesignated area to drop off or pick up preschoolers. Parents park in no loading areas. Kids cross the street with no guard. Parents triple park and block the street. They park in driveways. It is an accident waiting to happen. There is a bus loading zone a few feet east, but the bus doesn't use it! In 35 years, this area has NEVER been a bus pick up- drop off area. Again, 4 times a day this is happening.	12/15/2025 9:21 PM
163	Red light running is out of control. We need more red light runner cameras in intersections.	12/15/2025 6:49 PM
164	Water sould be cheaper	12/15/2025 10:06 AM
165	We have great FD and PD. Relations between the 2 are strong. Give PD all the resources and support. Let's never get like LA, Portland, Chicago Ny etc. keep kicking ass and keep us safe. Thanks	12/15/2025 6:49 AM

FY 2026-27 City of Chandler Resident Budget Survey

166	We need more random patrols in neighborhoods in the night times to help crack down on the tweakers and drug dealers.	12/15/2025 1:44 AM
167	Generally good, though traffic enforcement could improvement. Traffic is rather lawlessness between slow and fast, some highly speeding, others driving slow but not pulling over, people turning out into far lanes, and other miscellaneous infractions.	12/14/2025 7:37 PM
168	I feel safe at home.	12/14/2025 11:17 AM
169	I feel safe in the community I'm in constantly seeing patrol vehicles driving which is reassuring	12/14/2025 4:28 AM
170	Everytime I'm driving, I see police cars. To me, that means if I had an emergency, someone would be there to help quickly.	12/13/2025 11:00 PM
171	Haven't had an issue where I've needed to call the cops. But i always see police and fire around when needed.	12/13/2025 7:28 PM
172	I see patrol vehicles driving in the communities	12/13/2025 11:17 AM
173	Every officer I've ever encountered has been wonderful. Sometimes it could be just in passing on the streets, in line at a fast food place, or at an event.	12/13/2025 8:37 AM
174	I would like to see Chandler PD in more community settings where we can interact with them more, as public safety officers. Right now it's hard to ignore the undercurrent of fear with regards to police overreach, and the only way to combat that is to connect individually in a low-stakes environment. Also, hire more female officers.	12/13/2025 8:19 AM
175	need more center turning lane. otherwise caused a lot of car accidents,especially during left turn.	12/13/2025 7:39 AM
176	Police need to focus neighborhoods where drugs are known to be around and clean those areas out.	12/13/2025 2:37 AM
177	Better roads and bike lanes	12/12/2025 10:35 PM
178	I'm on a county island so we have to deal with mcso and their response times can be terrible	12/12/2025 9:45 PM
179	Defiantly better than 10 years ago. I love the increase in people and building and downtown.	12/12/2025 4:35 AM
180	I think things are fine	12/11/2025 10:51 PM
181	For me, Chandler feels like a safe place. I believe this has more to do with the community, infrastructure, and other social and environmental factors rather than policing.	12/11/2025 5:31 PM
182	Most of the Chandler Police I have dealt with completely ignore complaints about drug activity in residential neighborhoods. We are given a lot of "lip" service and promises they will keep an eye on things. They don't. The neighborhood watch program is nearly non-existent. The lead for our neighborhood doesn't call back or reply to messages. Again, seems to be a lot of "lip" service.	12/11/2025 5:10 PM
183	There's no price gouging or rent control laws that help to keep people from losing homes. Vouchers don't keep price down.	12/11/2025 10:54 AM
184	Road safety.	12/11/2025 3:45 AM
185	Cops don't follow basic road rules. Use blinkers	12/10/2025 10:08 PM
186	Protect us against environmental impact ( stealing our water)and price increases in electricity. No data centers. Choose our community, not trump	12/10/2025 3:13 PM
187	I once called non emergency, concerned about a male homeless person, walking on the road full with incoming traffic, dispatcher lady laughed at my concern. lets just say, i wont be "concerned" since my call was not taken seriously.	12/10/2025 12:57 PM
188	Police are visible and approachable in communities on bikes and patrol vehicles.	12/10/2025 8:50 AM
189	Need to have annual programs to educate the public on bicycle and motorized bicycle safety - have at public parks with some incentive or add to the GAIN events	12/9/2025 9:50 PM
190	We had a quick response to a neighborhood noise complaint, which was reassuring. The force wasn't stretched so thin they couldn't respond to more minor issues.	12/9/2025 8:43 PM

FY 2026-27 City of Chandler Resident Budget Survey

191	I don't have any, but they should make sure that they continue funding for fire and police that follow with the growth of the city	12/9/2025 2:29 PM
192	I haven't been living in Chandler for that long to notice any improvements	12/9/2025 2:23 PM
193	Police need to engage federal immigration enforcement program 287(g). Clean up AZ Ave south section to fwy. Too many illegals hanging out there for decades. Plus crime area just south of downtown to Germann Ave. drugs and crime.	12/9/2025 10:43 AM
194	More police need to be patrolling for speeders and red light runners. See a lot more cars parked at construction sites.	12/9/2025 1:12 AM
195	Na	12/8/2025 10:51 PM
196	Better traffic control. Police to actually police.	12/8/2025 10:03 PM
197	We've had cops in our neighborhood a few times. They've seemed polite enough but there haven't been any issues to really judge	12/8/2025 5:21 PM
198	Ive seen sketchy behavior in areas not previously seen - such as the parking area around Panera and Ihop. Homeless near Caines. Boys on electric scooters riding down Alma School between Riggs and Queen Creek and at Snedigar by skate park. I rarely see Chandler PD near Sun Lakes. I'd like to see more as the rest of Chandler is encroaching on us.	12/8/2025 8:12 AM
199	Seems to be a safe area	12/8/2025 3:42 AM
200	NA	12/8/2025 12:00 AM
201	Bike pathways with barriers between roads and the bike paths are essential	12/7/2025 11:27 PM
202	The city needs to address the E-bike problem	12/7/2025 9:23 PM
203	I have a neighbor that's been selling and doing drugs.....for over two decades. The police have done nothing when called.	12/7/2025 4:20 PM
204	maybe worry about real crimes instead of targeting homeless people and teenagers	12/7/2025 1:24 PM
205	Should be more public about stance on ice	12/7/2025 11:49 AM
206	I've never had to engage with Chandler police or fire, so I really don't know. I hope I can trust them when needed. However, I am gaining a general distrust, and a bit of unease, of all police services because of Trump administration programs.	12/7/2025 10:10 AM
207	Better control of racing and exhaust noise levels in traffic.	12/7/2025 7:58 AM
208	I see a bit more homeless people recently near downtown and that isn't good.	12/7/2025 12:05 AM
209	Concerned when having to call 911 that people don't get caring attention.	12/6/2025 9:10 PM
210	Please DO NOT install Flock cameras in this city! They are incredibly unsafe and prone to abuse!	12/6/2025 12:21 PM
211	The bloated police funding only compares to the bloated bellies of the police officers. Train them on constitutional rights.	12/6/2025 10:49 AM
212	Community involvement within our public safety depts is main priority, the fire dept needs to know our communities too, we see police helping but I feel our fire dept needs to beinvolv3d within communities too, have them share fire safety instead of sitting and waiting in stations for calls, they can be out there meeting the communities to help prevent some calls.	12/6/2025 10:34 AM
213	I feel very safe in my community and I love the Chandler Fire and Police departments. I think that there could be enhanced safety monitoring on the roads, especially Price Road where it merges with incoming highway traffic. The traffic on Price Road should yield but people never do and it is very dangerous. Yield signs should be changed to stop signs and it should get monitored. Would also be an opportunity for revenue (tickets).	12/5/2025 6:19 PM
214	A full staffed PD relieves stress on the job, which should decrease escalation of officer interaction. However, high density housing environments always seem to have higher crime rates. And city officials have become experts at blaming previous administrations. It's unacceptable.	12/5/2025 5:14 PM
215	I would rather see homeless people living safely in our parks than the violent crimes that take	12/5/2025 3:12 PM

	place near my home daily.	
216	More emphasis is required for funding and deployment of police in our community. The focus needs to be keeping residents and visitors safe on the streets	12/4/2025 3:49 PM
217	Roads need to be repaved. Dobson road between Queen Creek and Germann is especially bad as you allow large trucks from the Intel project to use Dobson when they should only be using Price road. Price road is mostly industrial and Dobson road is mostly family neighborhoods and the degradation of the road over the past few years on Dobson has made it very noisy.	12/4/2025 1:28 PM
218	I have called the non-emergency line and have received prompt response.	12/4/2025 9:12 AM
219	Need more speed limit reinforcement	12/4/2025 9:05 AM
220	Listening to citizens	12/4/2025 8:24 AM
221	Seleccionar bien las fechas y horas de trabajo en las calles para evitar tanto tráfico	12/3/2025 10:26 PM
222	Community safety definitely needs improvement. Especially in our Downtown parking garages. Loitering and loud vehicles racing throughout these parking facilities every single day is ruining the quality of life while putting the safety of pedestrians at MAJOR risk.	12/3/2025 3:22 PM
223	I can see the City is making consistent efforts to improve community safety. The response times to issues reported through the app or by phone have improved, and neighborhoods feel cleaner and better maintained. I appreciate the increased attention to lighting, landscaping, and street repairs, which all help make our community feel safer.	12/3/2025 11:16 AM
224	We need to continue to fund nd maintain our police and fire departments. We are SO lucky to have such a great group. I've never felt unserved when I've had to call or interact with them.	12/3/2025 9:45 AM
225	The city has shown multiple ways fire and police safety through community engagement programs	12/3/2025 6:37 AM
226	There has been a marked difference in how the police and fire departments are visible throughout the city and it is appreciated	12/3/2025 1:52 AM
227	I have had to call the police for a non emergency trespass. They were relatively timely but a social worker would've been better equipped for the situation	12/2/2025 10:14 PM
228	NA	12/2/2025 10:03 PM
229	Should continue hiring efforts to add officers	12/2/2025 7:01 PM
230	I have not any personal interaction with the CPD but I have seen them in numerous situations around town and I have no reason to believe there's a problem.	12/2/2025 3:05 PM
231	Not sure. Maybe there should be an open house so we al can learn about police and fire	12/2/2025 2:40 PM
232	Had reported 2-3 incidents regarding intruders and noise of community pool usage to the Chandler Police but never received their responses to it.	12/2/2025 12:56 PM
233	We need traffic police and also the police should follow the traffic laws they are supposed to uphold.	12/2/2025 10:51 AM
234	No improvements needed	12/2/2025 6:59 AM
235	Work with Chandler unified to have crossing guards when they have buses. Children getting hit crossing after attending tutoring at Bogle isn't okay.	12/1/2025 7:32 PM
236	Never see them patrolling Clemente ranch, always see them around ocotillo and Fulton ranch	12/1/2025 5:47 PM
237	Quick response but had a rude FD guy respond who was flat out wrong about a medical situation.	12/1/2025 7:29 AM
238	Show of heavy Police presence in DT Chandler is nice but very little to no traffic enforcement elsewhere unless there is an auto accident, or an incident that has already taken place.	11/30/2025 8:37 PM
239	I'm pretty new to Chandler, but I don't worry about emergency services in Tempe Chandler Mesa and Gilbert, and trust they're about as good as it gets.	11/30/2025 6:59 PM
240	More patrols, especially when residents have reported growing trends (like juvenile theft of Ring doorbells in Crestview Chateau, or juveniles attempting to kick in front doors or garage	11/30/2025 5:48 PM

243	Recently had paramedics come to my house for my wife. They were excellent. Unfortunatly my wife passed 3 days later in the ICU, but I really appreciate Chandler Fire.	11/29/2025 9:02 PM
244	There are too many accidents on Germann/hartford. We need a light there. Don't survey the corner during summer or winter breaks when school is not in session. Try surveying during first week of a school semester	11/29/2025 2:51 AM
245	Please continue using drones in public safety. It's the future of public safety, solving crimes faster and keeping officers safe.	11/28/2025 10:11 PM
246	More traffic signals. More attention to vagrancy and youth programs.	11/28/2025 10:20 AM
247	Provide more use of force training.	11/27/2025 3:31 PM
248	Chandler police are very responsive and helpful	11/26/2025 10:31 PM
249	If they support ICE, I do not trust them.	11/26/2025 6:48 PM
250	The City is doing a decent job, but let's remember that every new apartment complex will require MORE Community Safety resources.	11/26/2025 6:38 PM
251	No idea	11/26/2025 6:34 PM
252	The police need more training on de-escalation and trigger discipline. Chandler police are involved in police involved shootings way too much	11/26/2025 4:13 PM
253	More lighting at night in areas	11/26/2025 6:26 AM
254	Chandler PD and FD have done a fantastic job supporting our San Marcos Community	11/25/2025 8:45 PM
255	I see police patrols and visibility. Some speeding issues are being monitored	11/25/2025 8:16 PM
256	I personally received great service from EMTs the day they had to come to my house.	11/25/2025 7:55 PM
257	N?A	11/25/2025 6:15 PM
258	CPD is present in numbers at all scheduled public events. CPD is frequently visible during incidental drives around town CPD offers a very nice vacation watch program which we use a few times each year.	11/25/2025 3:01 PM
259	I am very concerned about ICE entering our safe and beautiful community. I trust in our police department and Chandler and condemn any community who allows the unlawful activity of ICE to enter their neighborhoods.	11/25/2025 2:57 PM
260	need better pick up and drop off zones at schools. blocking traffic is not safe.	11/25/2025 1:57 PM
261	I live near several dangerous intersections: Ocotillo/ Gilbert, Gilbert/ Chandler Heights, as well as people traveling at high rates of speed down Gilbert Rd. And running red lights. Never is anyone pulled over, and these intersections need to be redesigned.	11/25/2025 12:34 PM
262	I believe Chandler has done well in Community safety efforts, and have seen improvements over the 18 years I have lived here.	11/25/2025 8:11 AM
263	Great. Police and fire have responded fast. Keep crime out of our city. No leniency.	11/25/2025 7:03 AM
264	Very good	11/24/2025 11:54 PM
265	we have great men and women who serve in public safety in our city	11/24/2025 6:05 PM

1	Add light rail connection! This is not 1950s! We need light rail to connect to other parts of valley! We are isolated here!	1/20/2026 11:33 AM
2	why are not connected to the light rail?	1/20/2026 11:25 AM
3	I cannot think of the name right now but the white vans that teens can use to get to school, home, and the library are amazing. Every one I know in other towns gets jealous when I talk about them.	1/16/2026 8:04 PM
4	It would be nice to have mass transit come this way	1/16/2026 7:46 AM
5	Ok	1/16/2026 7:41 AM
6	Don't see or know of any city actions on Connectivity	1/15/2026 9:56 PM

10	Need to expand the Flex program and areas of coverage	1/15/2026 9:25 AM

12	Appreciate red light & speed cameras at problematic intersections	1/14/2026 5:30 PM
13	No sidewalks out of Sun Lakes. My wife is stranded because of it. She doesn't drive and can't even walk to take the bus. Her satisfaction in life has decreased due to being on a senior citizen island with no escape. Help? Bring a bus route out.make a sidewalk. And, the corner at RIGGS AND ALMA SCHOOL is DANGEROUS! Too fast!	1/14/2026 5:23 PM
14	Chandler Flex is great just wish it extended to more parts of Chandler.	1/14/2026 10:11 AM
15	Convert sidewalks to multiuse paths	1/14/2026 7:22 AM
16	ChandlerFlex is a wonderful program; it'd be even better if the service area was larger and the partnership with Waymo was actually explained to customer service reps, drivers, and customers--go figure!	1/14/2026 3:54 AM
17	I don't see any efforts in intermodal transportation and working to simplify routes and reduce travel times. Bus routes are confusing, big buses for few passengers, need to invest in smaller capacity buses. Need better connectivity with regional buses for things like sporting events at ball parks across the valley, i.e. express buses to attend Spring training in west Valley venues.	1/13/2026 4:52 PM
18	more Flex transit rides ... to and from wider areas in Chandler	1/13/2026 11:31 AM
19	Roads are maintained very well and the ongoing improvements are obvious	1/13/2026 9:02 AM
20	Eliminate some height restrictions on building, especially near freeways, industrial areas and downtown. Density and transportation options improve economic vitality and social connections.	1/12/2026 9:26 PM
21	Need to do something about speeding and red light runners on Gilbert and speeding kids on motorcycles thinking they are ebikes.	1/12/2026 5:47 PM
22	Better signage before work begins	1/11/2026 7:12 PM
23	Improve mass transport options lolle busses and bike lanes	1/11/2026 1:45 PM

26	Na	1/9/2026 11:01 PM
27	lower cost of public transport	1/9/2026 7:23 AM
28	There is many ways to get around we would like to stop static lights being put up every 500 feet that are not timed. But there is never anyone at bus stops and kids seem to just run around on e bikes so no need for more transportation.	1/9/2026 6:22 AM
29	Lots of bike lanes	1/8/2026 9:05 PM
30	To improve use of alternative transportation such as bikes and electric scooters, streets need large cracks filled. Some feeder and neighborhood streets are uncomfortable and almost dangerous to ride or scooter on with huge cracks every few feet.	1/8/2026 7:12 PM
31	No issues I'm aware of. No comment at this time.	1/8/2026 6:15 PM
32	Way too much attention here	1/8/2026 1:29 PM
33	Ongoing street improvements seem to be well planned and performed timely.	1/8/2026 9:09 AM
34	I'm from Portland where tri met system you can get about anywhere with 10 minute wait times to reliable bus and rail options. I love waymo out here. But the lack of options seems to force the traffic and individual cars on the roads. Would like to see a more connected more reliable timely alternative.	1/8/2026 7:22 AM
35	Please give up on the idea of extending light rail to Chandler. It is ridiculously expensive, completely inflexible as to route, and will take up a valuable road lane. Buses are much more flexible and cost-effective if you need mass transit.	1/8/2026 7:15 AM
36	I think we have quite a bit especially compared to other cities	1/8/2026 1:20 AM
37	I'm really grateful to have a bus stop nearby and live in an area with decent bus coverage. But it still takes me 1.5 hrs one way to get to the doctor I need. Which is wild because I only spend 20 minutes on the actual bus. Walking isn't too bad, but I would love to see more pedestrian friendly infrastructure around where I live (more crosswalks, hog lights for crosswalks, shade along major streets) Better protected bike lanes would be amazing. Maybe with some metal poles to discourage cars from running bikes off the road?	1/7/2026 11:55 PM

94	Chandler Flex is good but its still a car taking up space/crwating traffic and not allowing for multiple people to travel in a timely manner. The congestion in downtown is insane and getting increasingly worse, there has to be a better plan for the downtown area.	12/31/2025 2:36 AM

100	Chandler has done a very nice job with maintaining and enhancing transit-related services and options. The one area where I believe Chandler has not given much attention to, and appears to be hesitant to consider is light rail mass transit extending into the Chandler area. It does not need to be extended into central Chandler causing mass disruption to arterial roads, but Chandler should at least consider providing a city-edge light rail stop, maybe on western or northern side of city near established park and ride areas, for chandler residents to access rail services to other parts of the metropolitan areas served by light rail. The closest rail stop is in downtown Mesa.	12/30/2025 1:40 PM
101	Some streets are noticeably worse than Tempe, however my experience is Chandler has a rotation and proactively resurfaces roads. Not sure why some are in disrepair right now. There also shouldn't be lights that never turn green. It's especially a problem at Desert Breeze and Rural where cars miss the light and end up blocking cars because they are going straight towards Intel.	12/29/2025 10:20 AM

102	There are streets that have been uneven for years, just filling in asphalt cracks doesn't cut it after a while; more right of ways would be beneficial to lessen collisions and potential accidents; and traffic lights exiting certain minor roads to major ones would be helpful as it is hard to cross three lanes of traffic to make a left in certain areas. Doing a flashing yellow on double turn lanes to me is a problem, I've seen several times where the outer turn tries to cross but can't see passed the opposite direction traffic coming, seen many near misses.	12/29/2025 9:22 AM

145	Many left turn arrows are so fast they only fit 2 or 3 cars out of the many that are in the left turn lanes. Longer arrows would help with congestion, as well as lagging left turns instead of leading left turns. It is also common to get stopped at every red light, making travel times longer. Revisiting light timing at major intersections may help. The offset left turn lanes really help with improved visibility and make turning safer.	12/16/2025 12:43 PM
146	I think providing more transportation options would help the city feel a little more connected. Much of Chandler is sprawling, and then a small downtown area. It would be nice if the downtown area was more of a "hub" for all the surrounding areas. Also, a lot of people I talk to are excited about Tumbleweed park. More activities in that area could also create a more community feeling to the various neighborhoods through Chandler.	12/16/2025 9:55 AM

150	The Frye bike path project seems like a waste of money. The route has light traffic and the safety enhanced bikes lanes are not needed and better served on busier roads.	12/15/2025 5:56 PM
151	Chandler should work with adjacent cities to maintain contiguity of bike lanes, a bike lane that disappears and reappears is one that I don't use, and just go on the sidewalk, and I see other cyclists do the same. Also, bike lanes are more often full of wood screws and glass than in California.	12/15/2025 11:21 AM

207	Better bikes lames	12/4/2025 6:22 AM
208	There is way too much street construction disrupting my commute	12/4/2025 4:52 AM
209	Please provide more accessible public transit!	12/3/2025 8:00 PM
210	Safer bike lanes	12/3/2025 3:43 PM
211	No more bicycle lanes.	12/3/2025 3:22 PM
212	The only thing I ever see of the city is the quality of streets and the landscaping of islands and along the streets. Stop putting palo verde trees in for the grow too fast then die leading to sparse looking landscaping.	12/3/2025 2:20 PM
213	Investing in streets, transit, and mobility options is important for maintaining a high quality of life. Improved transportation infrastructure reduces accidents, supports local businesses, and ensures all residents including seniors, students, and those without cars have safe and reliable ways to get around.	12/3/2025 11:16 AM
214	Light rail would be a total disaster (crime, deterioration, expense). Please fix all broken / chipped neighborhood sidewalks and repair open / broken utility boxes located in City right-of-way along street sidewalks.	12/3/2025 10:37 AM
215	I DO NOT want to see the light rail in our community. We do a great job it's the FLEX and Waymo along with the normal bus services	12/3/2025 9:45 AM
216	Expanding streets is often the worst answer to crowding and the city should consider other options in certain areas such as roundabouts	12/3/2025 1:52 AM
217	Specifically transit. My nearest bus stop is 1.2 miles, the nearest store is 1 mile one way, anything else has to be a drive.	12/2/2025 10:14 PM
218	NA	12/2/2025 10:03 PM
219	Would like to see Chandler Flex service area expanded and an additional traffic signal installed on Tumbleweed and Germann - Hancock school safety issue	12/2/2025 7:01 PM
220	I feel like we need more stoplights, LESS ROAD CONSTRUCTION (esp concurrently), and more mass transit options, including Chandler Flex. Please expand the boundaries and times where Chandler Flex is available.	12/2/2025 6:54 PM
221	Please ensure all pedestrian walk path along the streets are available and not obstructed during construction.	12/2/2025 12:56 PM
222	We don't want to become Gilbert paying over a thousand dollars a month for water and trash.	12/2/2025 10:51 AM
223	The streets are only going to get busier. Public transit will be quite important.	12/2/2025 6:59 AM
224	Protected bike lanes, pedestrian paths, walk ability	12/1/2025 11:09 AM
225	Connectivity is fine.	12/1/2025 7:29 AM
226	Waymo is amazing. I'm happy Chandler agreed to be a part of their pilot program	11/30/2025 8:37 PM
227	I'd love some light rail/better bus lines running north and south. I make use of Waymo because it's usually cheap, but the door dash dots are a menace to the Waymos because the Dots have blue lights like a responding emergency vehicle. Safe bicycle commuter paths are appealing, but tbh not sure I'd use it most of the year because of the weather.	11/30/2025 6:59 PM
228	Better light timing at critical/dangerous intersections (Riggs & Gilbert; Riggs & Val Vista; Gilbert and Occotillo).	11/30/2025 5:48 PM
229	Improved mobility and connectivity makes life easy, and it would be good for the people and environment. More low priced connectivity options ( in all means even if it Network, transportation etc.)etc. need to be implemented for the future of the community.	11/30/2025 1:19 PM

FY 2026-27 City of Chandler Resident Budget Survey

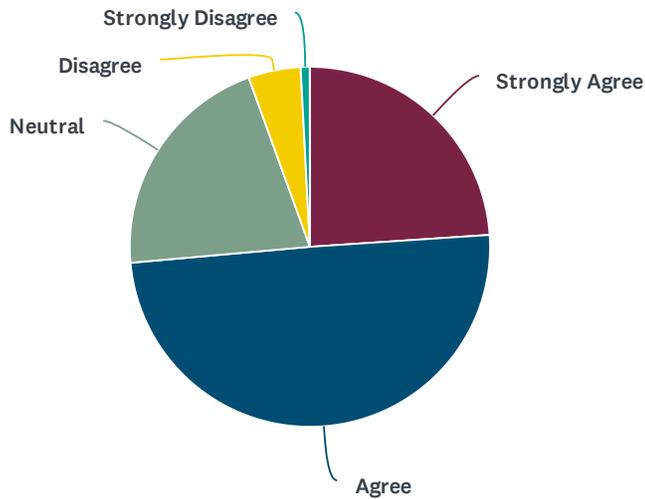

230	For me I just need roads, and that's all in order	11/29/2025 4:11 PM
231	Chandler is a very car centric city with limited variety in modes of transportation. Anything to improve variety in transit options and improve walkability/bikeability would be appreciated.	11/29/2025 9:39 AM
232	The city streets have become seriously overcrowded due to all the apartment complexes that have been allowed to be built.	11/29/2025 6:58 AM
233	Enforce the no parking zone into our neighborhoods. The school traffic on Pleasant/hartford clogs our entryway passage	11/29/2025 2:51 AM
234	Thank you for removing damaged brickwork in roadways. Keep it up, the median on Alma School, just north of Ray needs to go to.	11/28/2025 10:11 PM
235	Need to become electric cart/chair friendly for those who can't drive a car.	11/28/2025 2:32 PM
236	Overall, it seems to be doing a good job. There's been a lot of growth and therefore a lot of construction and improvements. We still need a traffic light at Hartford and Germann. There have been fatal accidents there and many near misses.	11/28/2025 10:20 AM
237	Any electric bikes/scooter should require permits and licensed operators. So many kids on these in the roads.	11/28/2025 1:13 AM
238	Provide transparency on social media.	11/27/2025 3:31 PM
239	Chandler Blvd, Ray Rd paving	11/27/2025 3:04 PM

242	Improving bike lanes	11/26/2025 6:26 AM
243	To assist in economical development on Arizona Avenue I believe the city should consider light rail transit	11/25/2025 8:45 PM
244	I like the Flex option and some new protected bike lanes from canal to downtown. I wish there were more safe pedestrian/ bike travel to tumbleweed ( north of busy 202)	11/25/2025 8:16 PM
245	I think it could look into way to improve pedestrian and bicyclists safety on Ray Rd along Alma School and Arizona Avenue. I have seen too many incidents in the past.	11/25/2025 7:55 PM
246	STOP WASTING MONEY on services few use	11/25/2025 6:15 PM
247	Let us know when and where construction will be.	11/25/2025 4:54 PM
248	Not aware of any efforts. Don't need these community transit options.	11/25/2025 3:01 PM
249	Safer streets = less accidents!	11/25/2025 2:57 PM
250	I don't see any issues with the above topic in Chandler.	11/25/2025 2:31 PM
251	Bike lanes are not necessary.	11/25/2025 1:57 PM
252	The intersections for pedestrian- kids and bikes- to cross are extremely unsafe along Gilbert Rd. They are not well lit, too narrow, and the cars need to stop farther back.	11/25/2025 12:34 PM
253	Love our clean streets and all the downtown parking. You drive through the west valley and it's a night and day difference.	11/25/2025 7:03 AM
254	The flex system is a good example of alterative means of transportation	11/24/2025 6:05 PM
255	Help people fell safe and happy to live in Chandler	11/24/2025 5:31 PM
256	n/a	11/24/2025 5:08 PM
257	Making more bike lanes, more bus routes and add services like Chandler Flex	11/24/2025 11:47 AM
258	Running buses when only one rider is a waste of tax payer dollars	11/24/2025 10:13 AM
259	Resurfacing residenial streets and major roadways is important.	11/24/2025 9:26 AM

8	Don't understand how you can put a Costco at an already over crowded intersection	1/15/2026 5:26 AM
9	Appreciate that Chandler did NOT approve a cloud storage facility. I feel that planning to meet current & future residential water requirements should be prioritized over high water usage businesses. Additionally, residents should not have to pay for business's utilities.	1/14/2026 5:30 PM
10	Concerned about the water and any toxins in air or water from Intel. That thing is larger than Chandler itself. Like the Winchester house, you know? The building never ends.	1/14/2026 5:23 PM
11	Keep down town safe. Free of vagrancy so it feels safe to go	1/13/2026 9:05 PM
12	Too few owners own most of the downtown properties. They constantly raise rents forcing shops and restaurants to move out. It's primarily a "drinking" destination downtown, few shops remain. Geared towards "younger" patrons. Little interest downtown for "seniors".	1/13/2026 4:52 PM
13	Less industrial along main corridors and no ai data centers please!	1/13/2026 4:31 PM

20	No company is going into the warehouses that have been built on McQueen, so that was a waste. The next ones on Az Ave will probably be the same. The airport functions well. Adding jets which are louder is going to destroy our neighborhood in The Trails.	1/9/2026 6:22 AM

high cost of housing, two still live at home with us (those two single and employed) and we are providing rental assistance to the other two (those two are employed, married, and have children). I have noticed there are a fair number of three-generation families living in my neighborhood, which would also indicate financial stress in housing for others besides just my family.

25	There's a wide range of jobs available throughout Chandler. The gigs I work are rarely in Chandler though. Maybe it would be worth promoting apps like insta work and gig smart?	1/7/2026 11:55 PM
26	Depends on how much additional traffic and distracted drivers it brings to my neighborhood. Also stop all the fast food restaurants and warehouses and bring in places that most adults can actually enjoy	1/7/2026 9:20 PM
27	The lack of job openings in Chandler.	1/7/2026 2:53 PM

30	Somewhat satisfied	1/7/2026 8:34 AM
31	There have been recent blockages of major companies coming into Chandler due to the public, thinking there is a water and power shortage. Even if there is then Chandler needs to improve our water and power source so that these companies can continue to come in and grow the local economy and provide job opportunity.	1/7/2026 8:20 AM

40	We don't need a Starbucks on every corner, The airport is primarily for rich recreational aircraft and has no economic benefit except for leasing hanger space and selling plane fuel. 45	Improve gas stations, older neighborhood near downtown and smoke shops areas or move them further. Sketchy people come by those and hang around. Making families feel unsafe.	1/5/2026 2:18 AM
46	I live very close and I would love to see this airport thrive	1/5/2026 12:32 AM
47	Do not want to see the same issues at Chandler airport as is being experienced in surrounding areas with schools. Too many helicopters already fly too low. Why can't helicopters follow the 101 rather than fly low over neighborhoods.	1/4/2026 10:45 PM

71	Needs to be careful allowing larger stores to build near similar stores. Appreciated being careful what built around airports. Would love more attention in Alma School/Warner area. That Walmart needs more police attention.	12/29/2025 10:20 AM
72	I think it is a good spot for economic development and employment if done correctly. There are spots that are congested already so traffic flow and parking need to be addressed. Parking lots are also not ideally planned, it is difficult in some locations in the area of the airport to park and walk to your destination as customers fly by without paying attention. The light on Cooper will need to be extended for left turns eastbound as traffic comes flying westbound and the light is quite short	12/29/2025 9:22 AM

87	This an important issue for our city but keep the large apartment building to a minimum. You will ruin our city if Chandlers loses its character.	12/22/2025 3:50 PM
88	The Chandler Mall, the many small businesses, the variety of businesses make Chandler a good place to live.	12/22/2025 12:06 PM

91	I live nearby and support expanded growth of the Chandler Airport	12/21/2025 1:26 PM
92	Please remove the unnecessary air parks and municipal air fields like we're in 2025. We don't need a freaking airport inside the city. It just causes way too much risk thinking about all the crazy people out there and all the rich people with their money they don't care about the city or the people that inside of it that's why they're causing all their plain air pollution and the noise. We can't even sit outside without a stupid plane flying overhead. Do these people that own these planes actually live in Chandler????	12/21/2025 9:24 AM

126	The city should be more engaged in educating the public on the economic benefits of extending the Chandler airport runway, so that we can accommodate bigger planes. The public is not aware of the excellent financial federal and state funding, that makes our tax dollars go further, for this purpose. 131	Well, I like economic development but not at the cost of lives or comfort. The heavy training and air traffic overhead at Sun Lakes is HORRID! These planes are too, too low! Not all, but a few every day it seems. Were getting it from the air force, mesa, Chandler, and Phoenix. It never stops 24 hours a day. Its not fair to us. 150	It's important for the City to use the Airport and Airpark area to support economic development. It brings in new businesses, creates employment opportunities, and helps keep Chandler competitive and financially stable.	12/3/2025 11:16 AM

161	If the City of Chandler is making plans to use the airport as a big money maker it will be at the expense of your higher income bracket community. Ocotillo has become a non-stop flight path for small planes. The increased volume is ridiculous & not right. Helicopters are also flying over my home now. Enough!	11/30/2025 8:37 PM
162	All of Chandler's big employers seem to either not be hiring, have outdated views on remote work especially during extreme weather (heat, storms, hot storms) and too few employers have any kind of covered parking. If the city really wants lots of cars on the road going to certain areas then create solar panel covered parking lots and covered parking with white canopies. Where that's not possible plant native trees to shade cars and lots nothings is worse that a hot drive to work followed by a daily grind, topped off by getting a sunburn on your five minutes walk to a car full of deadly heat in a parking lot of traffic fumes from everyone sitting and trying to cool their car. There are lots of blueprints out there for a future forward desert community, and yet Chandler seems to be a big flat parking lot with fake lakes (not shaded by trees to prevent evaporation) for those who can afford fake bodies of water. There are occasional buildings in those parking lots that don't seem to do anything to make the parking lots or surrounding areas cooler.	11/30/2025 6:59 PM

- Major Themes Include: Residents strongly value Chandler as a place to raise families, but widely report that housing costs especially rents are unsustainable for young families, middle-income households, seniors, and essential workers, with calls for more affordable single-family homes, townhomes, condos, and “missing middle” options rather than luxury apartments.

---

## **5. Apartments, Density & Overdevelopment (260 responses)**

---

## **6. Blight, Property Maintenance & Vacant Lots (190 responses)**

- Major Themes Include: Residents appreciate efforts to keep neighborhoods clean, but express concern about overgrown lots, deteriorating homes, broken sidewalks, unmaintained alleys, illegal dumping, abandoned shopping centers, and properties that remain out of compliance for long periods without enforcement.

---

## **8. Homelessness & Compassionate Responses (120 responses)**

- Major Themes Include: Residents express concern about homelessness impacts on parks, bus stops, and neighborhoods, with many supporting compassionate, coordinated solutions, such as alternative housing options and social services rather than repeated displacement without long-term outcomes.

- Major Themes Include: Residents value opportunities to engage with the city such as academies, clean-up days, and reporting tools but request clearer communication about code rules, reporting options, election sign enforcement, neighborhood resources, and a greater emphasis on education and assistance over punitive enforcement.

21	Don't love all the apartments going up	1/8/2026 9:05 PM
22	There needs to be more code enforcement especially in non HOA neighborhoods. Having campers and large commercial vehicle parked on streets is unsightly. Parking them on driveways where they stick out and bock the sidewalk is a access issue.	1/8/2026 7:12 PM
23	No comment as I don't have much knowledge in this area. That being said, it would be nice to have a physical location for homeless to go when they are asked to leave parks overnight. Shuffling them down the street to the next beat doesn't help the situation much on either end.	1/8/2026 6:15 PM
24	I live in a gated private community in Chandler so my recent experience in local housing	1/8/2026 9:09 AM

## FY 2026-27 City of Chandler Resident Budget Survey

diversification and code enforcement outside our private community is limited but my observations are that diversity of housing is sufficient and that code enforcement is performed adequately.

25	These don't drop the score, but they keep it from being a "perfect, flawless" situation: Some older neighborhoods get slower attention Homelessness spillover from Tempe/Mesa is increasing slightly in retail areas Code enforcement is sometimes dependent on resident complaints But overall, Chandler does better than most Valley cities.	1/8/2026 7:22 AM
26	If I make a specific complaint, Code Enforcement will come out and give the violator a fix-it ticket. If I don't complain, Code Enforcement won't do anything and the problem (whatever it happens to be) will linger.	1/8/2026 7:15 AM
27	Housing is still too expensive!! But it has gone down a bit (thankfully). My husband works as an engineer and I am an independent contractor but we are barely able to save any money with how high rent is, even in our one bed one bath apartment. We're considering moving cities so we can actually build savings	1/7/2026 11:55 PM

31	I'm seeing a lot more graffiti locally, though that might just be a sign of the faltering economy, etc.	1/7/2026 11:25 AM
32	Too much high density housing. Everywhere I look I see pop up apartment complexes....more drain on resources and stress on infrastructure. You're messing up a nice city with this.	1/7/2026 8:45 AM
33	No complaints on this.	1/7/2026 8:34 AM
34	Code enforcement is ridiculous. They ignore blatant violations in certain neighborhoods and in others they unfairly pick on minor issues and harass home owners with unfair demands. The entire department needs to be investigated.	1/7/2026 8:29 AM
35	Recently, my neighborhood was repaved however, intersection lines were never painted, and I told code enforcement, but was never got called back or received any information.	1/7/2026 8:20 AM
36	Encourage more social connections and volunteer opportunities.	1/7/2026 6:04 AM
37	Thank you for voting down data center that would affect local neighbors	1/7/2026 6:00 AM
38	My street need to be repaved it is falling apart and all the debree is being picked up and pushed in my drive.	1/6/2026 10:00 PM
39	It's okay, but am worried about starting to see maybe a little more trash around, hearing more noise, and knowing that a large amount of new housing is being built nearby and with the difficulty getting onto major streets sometimes because of design and how busy they are, I am nervous about quality of life going down in the next few years. I feel like focusing on making more bike-friendly streets and the like maybe aren't the best direction. I'd want to have left green arrows and ways to regulate traffic that don't rely on the city not being busy. I am a little worried about traffic and would want to focus on mitigating that with actual roads and adequate parking, rather than popular new city solutions like roundabouts. It gets too hot here to try to act on solutions that work better in more temperate cities.	1/6/2026 9:28 PM
40	Chandler needs more affordable housing options for middle income, low income and very low income.	1/6/2026 9:05 PM
41	No code enforcement at all. Vehicles parked on sidewalks, grass, dirt, anywhere. Trash piled up. Cars racing through neighborhoods. Speed limits not enforced in neighborhoods. Aggressive dogs not dealt with.	1/6/2026 7:15 PM
42	Ray/Rural is a busy area and somewhat of a corridor. More can be done to keep it clean and maintained up to the city's standards. Bus stops should not smell and be free of people living on them. Some of the property owners located on the corner can be a lot timelier in cleaning up weeds and debris. It an important area it makes the city look raggedy when it's raggedy.	1/6/2026 3:32 PM
43	Need more low starter home places. Not rentals. Not apartments. Small family	1/6/2026 3:24 PM

44	Neighborhoods are thriving	1/6/2026 11:35 AM
45	When we first located here, Chandler was awesome... Over the last 10 years you have watched it fall apart. The growth has been not planned out the enforcement for the signs, the homeless, the graffiti needs to be the main focus to make our city look inviting... Just needs a little circling back around to get on those departments	1/6/2026 11:26 AM
46	Drive around just about and neighborhood and see the how poorly the properties and the common areas are being maintained...despite the ever increasing HOA fees. Start enforcing codes and building inspections. Pick a neighborhood and surge inspectors in for a day to write tickets. Pretty soon the other areas will get the hint. Also, stop approving the huge apartment complexes. The infrastructure can't handle the increased traffic. Make the developers improve the roads and sewers BEFORE approving building. It's done in other parts of the country; ya developers won't make as much money but the taxpayer won't be stuck with the cost and inconvenience of the project after the fact.	1/6/2026 10:39 AM

88	There is one area that needs attention regarding neighborhoods. I would like to see Chandler take the lead valley-wide with providing a more strictly enforced ban and citation regarding aerial exploding fireworks. Many of our friends and neighbors throughout Chandler constantly criticize Chandler for doing little to prevent and cite constant, often the same households, from firing off illegal aerial fireworks. It's a war zone-like outside during the holidays that seems to be getting worse over the years. This affects the quality of living in Chandler.	12/30/2025 1:40 PM
89	I realize the rain has made it difficult to clean and cut weeds but certain areas are totally overgrown.	12/30/2025 5:35 AM
90	Chandler should have more space in front of apartments and require larger space for emergency vehicles in some housing developments. A car could crash into these units (no buffer space) and narrow alleys without proper driveways equals problem if fires occur.	12/29/2025 10:20 AM

91	Enough with the apartments going up, they are ruining the tone of Chandler, are too expensive, and have many vacant apartments. 124	Last I checked, nice and affordable housing for seniors in Chandler was very limited! Personally, I cannot afford to live in some of the more resort like senior living places found elsewhere like in Sun City for example. I don't require the fancy resort like atmosphere given that I live on my limited income. Just a nice friendly and safe place with a pool would be nice! :) Also I once spoke to the department in charge of inspecting property maintenance and found out they can only inspect exteriors not interiors! My concern was with a renter who was renting from what I call an out-of-state slumlord. Collects rent every month but never invests in basic improvements! This neighbor lived with a 4 ft wide hole in her wall underneath her kitchen sink, and did not have air conditioning among other things! Incredibly sad and apparently unenforceable!	12/19/2025 9:39 PM

There is seemingly little opportunities to own townhomes as a younger resident who can afford to move out of an apartment, but has no need for a full-lot single family home. 136	This is where the city made mistakes. You are ruining this neighborhoods by stacking apts by apts by more apts. It looks awful , creates crime , overcrowded schools. Young people don't want to maintain a house and learn to pay bills. No more apts. My area was suppose to be commercial and someone signed off to change to apts. Now they share our parks and lakes and don't pay assoc fees , our parks are trashed and there are pedos in the apts. That's the cities fault. I sound like a grumpy person but it sucks now surrounded by apts. It was suppose to be all houses ,	12/15/2025 6:49 AM

138	Proliferation of ratty commercial signs has greatly increased. I can submit complaints; but, 2-3 weeks later more signs will pop up. Then the city has periods when no signs are removed, e.g. before elections. Those planting commercial signs seems to know this, as commercial signs increase greatly when political signs are up.	12/14/2025 7:37 PM

Yet when the city comes, they dont address the other issues on the street (ex: bad parking, trailers on the rocks, cars facing the wrong way.) The city needs to let the people who call often that they are wasting our money for dumb things.	12/13/2025 7:28 PM

213	Chandler services have really slid. Lots of neighbors have campers with tenants living in them in yards and driveways. Run down inoperable vehicles parked for months in the neighborhood. Homes overgrown on the sidewalks and in disrepair.	11/28/2025 1:13 AM
214	Provide how the additional money from traffic lights are spent.	11/27/2025 3:31 PM
215	Water valve replacement, light pole painting.	11/27/2025 3:04 PM
216	Don't know. HOA controls us. We dont need low income housing	11/26/2025 6:34 PM
217	It's a waste of public time and money spent on code enforcement	11/26/2025 4:13 PM
218	I do not want more apartments or pockets of townhouses. I hate the multi family SARDINE housing.... Just put in more parks, common ground, open areas pleeeaaase	11/26/2025 6:26 AM
219	I think the city needs to do better in terms of self enforcement of vacant lots, and lots that have are not being maintained. I also think the multi family developments need to higher class.	11/25/2025 8:45 PM
220	Some arterial busy roads going to freeways have unfinished spaces which look dirty	11/25/2025 8:16 PM

224	I'd like to see more people get pulled over for tailgating and speeding.	11/25/2025 2:57 PM
225	Please continue to preserve what keeps Chandler unique and NOT change the zoning or add more apartments or start high rises, to please outsiders wanting to make this like the place they left in the name of "updating or modernizing". There's a reason people move here in the first place. If they want big city they can move back to one!	11/25/2025 2:31 PM
226	Chandler is not well kept. And often, I feel that although something is a city violation they push it off on the HOAs. I called about house with 2 political flags hanging from their roof—(gigantic — so large thy covered multiple windows) - nothing was done. This house was allowed to keep their flag, even though they weren't in their yard.	11/25/2025 12:34 PM
227	See my comment on data centers. Also, we don't need "affordable housing". There are cheaper places to live. Investors don't keep up these apartment complexes over the long term, and the quality of tenants degrades over time. Look at any higher end complex after 20 years. Low income = crime. We are the Scottsdale for families. Can't live here? There are other options. Keep the status.	11/25/2025 7:03 AM
228	We need to make sure we protect our traditional neighborhoods from blight	11/24/2025 6:05 PM

7	More parks would be helpful	1/15/2026 11:07 AM

9	Anoriza park on Kyrene north of 202 Santan could use some maintenance work	1/14/2026 5:30 PM
10	Impressed with our parks. Enjoy Veteran's and also Snedigar. Snedigar needs improvements that will get very costly if not health with now. Put in a star gazing apparatus like gilbert has at their park.	1/14/2026 5:23 PM
11	Love the new pickle ball courts in tumbleweed!!! I would love for more courts in Chandler since tumbleweed is a little far from us. Chandler also has some wonderful playgrounds for my kids. I don't know if it's an issue for anyone but we absolutely hate playgrounds that have sand. The soft rubber is the best, and mulch is second option.	1/14/2026 9:38 AM
12	Some parks could be modernized and improved especially playgrounds	1/13/2026 4:31 PM
13	Program more outdoor activities at neighborhood Parks ... including Yoga outdoors	1/13/2026 11:31 AM
14	We have parks but many seem pretty basic - having more splash pads and disability friendly areas like Gilbert Regional Park would really benefit the city.	1/12/2026 5:47 PM
15	I would like to see the hours of operations of pool facilities expand as well as offerings of aquatic offerings such as swim lessons and aquatics classes expand.	1/12/2026 4:56 PM
16	I have to leave my home every holiday because no enforcement of fireworks ordinances	1/12/2026 2:06 PM
17	Need more sensory parks, ninja courses, as well as more places like the nature center or xeriscape	1/11/2026 11:51 PM
18	The parks are looking tired. I do not feel safe walking in the park on Erie by ACP. I have seen homeless people taking drugs there on multiple occasions. I have seen homeless people living in their cars at Chuparoosa.	1/11/2026 7:51 PM

25	Love our parks and dog facilities.	1/9/2026 6:22 AM
26	Lots of good parks! Need more baseball fields at parks	1/8/2026 9:05 PM
27	We need more crosswalk lights to allow access to parks. At Dobson and Earl, it is very unsafe to cross to the park from the neighborhood to access Chuparosa Park. Same issue crossing Arizona Ave to access Tumbleweed Park and the rec center.	1/8/2026 7:12 PM
28	Upgraded splash pads and dog parks would be very much utilized in my household. As of now, I bring my kids to Gilbert or Queen Creek for the very impressive and expansive parks/ splash pads. As for dog parks, not sure how to upgrade as the point is for dogs to run around but at times, they can seem a little mundane and unimpressive.	1/8/2026 6:15 PM
29	Everything tied to school athletic fields are locked up and can't be used. There aren't enough fields due to this for area sports and activities.	1/8/2026 1:29 PM
30	Some older parks could use modernization Shaded areas are lacking in some parks Dog parks can get crowded Indoor recreation outside Tumbleweed is limited These aren't deal-breakers, but they keep the city from being perfect.	1/8/2026 7:22 AM
31	There need to be limits on how many summer camps/day cares can use the public pools at any given time. There have been problems with the more popular pools reaching capacity, filling up with day care children so the actual taxpaying residents can't use the pools. This is especially a problem at Mesquite Groves.	1/8/2026 7:15 AM
32	Doing really well, but may I suggest an indoor park for the summer months?	1/7/2026 11:55 PM
33	I would like to see more updates on amenities	1/7/2026 10:57 PM
34	Could use more bike trails and pickle ball courts	1/7/2026 9:40 PM
35	More open spaces as was promised when we moved here 25 years ago . More events that don't cost hundreds of dollars for a couple to walk in the gate!	1/7/2026 9:20 PM
36	I wish there were more dog parks with shade.	1/7/2026 2:53 PM
37	This is the area where investment will set Chandler apart from the other cities	1/7/2026 12:04 PM
38	I love to go on walks, so I'd love if there was more walkability to and within parks. Right now, the parks near me, if you go for a walk it's just a loop around an open field with hardly any shade.	1/7/2026 11:25 AM
39	Some parks need more maintenance	1/7/2026 8:34 AM
40	Too many apartment buildings being built in 85225. 3 massive structures in the last year within 2 square miles. Awful. No new parks. And they have destroyed green spaces- removing grassy areas and replacing with desert landscaping. Why? We rely on grassy places for our pets and for play with our kids. And they have been ripped away in the name of water conservation. This is so sad. Why do other zip codes have grassy areas and the few we have enjoyed have been removed? And no new parks. Nothing near us. Influx of thousands of apartments. So mad at Chandler city and its mayor for doing this to our home.	1/7/2026 8:29 AM
41	There are absolutely no dog parks in the City of Chandler. It's completely ridiculous. There should be one in every neighborhood. Gilbert has Cosmo Dog Park, a shining example of what a dog park should be. I know of nothing even close to that in Chandler.	1/7/2026 8:20 AM
42	I'd like more beautification and walkability.	1/7/2026 6:28 AM
43	Could be better located	1/7/2026 6:04 AM
44	Na	1/7/2026 6:00 AM
45	There are great amenities and wonderful parks around us that is why we wanted to stay in the Chandler area when we moved. I specifically wanted to be close to the library and a park so my kids had access to books and a safe place to hang out.	1/6/2026 10:00 PM

48	There are too many apartments built in north part of Chandler. Why did the City Council approve the building of so many apartment complexes? Would you want to live by them?	1/6/2026 12:36 PM
49	The quality of life in Chandler is good	1/6/2026 11:35 AM
50	Instead of putting more house in and developments put more parks	1/6/2026 11:26 AM
51	The parks and pools are great!! More shade trees are always good though	1/6/2026 11:23 AM
52	Already said the city doesn't take care of the parks they have. Mowing the grass every 2 days in Centennial Park is a sign that there is a lack of management all through the system.	1/6/2026 10:39 AM
53	Park quality and maintenance is not very good	1/5/2026 9:52 PM
54	None	1/5/2026 4:04 PM
55	I'm concerned the downtown park remodel will not be done well. And waste money. Soooo much wasted money on needless projects in this town. \$4.5M to change grass to gray rocks in greenbelts throughout the city. That \$4.5M could have really helped struggling citizens.	1/5/2026 12:58 PM
56	Whatever happened to the plans for the Chandler Regional Park? Glad to see investment made at Arrowhead and Tumbleweed	1/5/2026 11:55 AM

68	The parks and libraries are top notch. I want to see more farmers markets with actual produce stands/honey and local businesses	1/3/2026 10:22 PM
69	Doing a great job bringing pickleball courts to Tumbleweed. Could use a place for teens to ride their e-bikes safely.	1/3/2026 6:29 PM
70	I visit the veterans park often riding my powered wheelchair or rollator. The latter is good exercise. I participated in a class a few months ago about edible and medicinal Sonoran Desert plants. Though I haven't participated in horticulture classes there I'd like to if my wheelchair could navigate the dirt.	1/3/2026 4:32 PM

80	More small dog parks.	1/2/2026 2:50 AM
81	We can't wait for more money to go into the local parks. It's embarrassing playing soccer at snedigiar Park where there are so many holes in the grass it's almost dangerous. We often travel to Scottsdale to play soccer because their parks are much better than ours are. We are so thankful that the bond went through and can't wait to see the work that will happen.	1/1/2026 11:19 PM
82	Stop the thought process that you need to keep spending money all the time! Lower taxes and or give tax money back instead	1/1/2026 9:32 PM

84	None	1/1/2026 4:26 PM
85	Mesquite Groves park was purchased more than 20 years ago and other than the pool which was built right away NOTHING has happened to improve this park sight! It's ridiculous, like nobody cares that us residents in SE Chandler have local amenities! The Mesquite Groves pool's hours, days open, and programming are a joke too! The only time to do lap swim is at 7 - 9 pm! AND the pool is not kept cool enough to promote effective swimming comfort. It's Pathetic! Add to this that the pool essentially closes for the year at the end of July! Why even have the pool! It so underserves this area it's sad that our tax dollars support a facility with so little community benefit.	1/1/2026 2:30 PM

93	Having bathrooms at parks is very important for families with young children. When kids need to go to the bathroom, they need to be able to get to one quickly.	12/30/2025 9:42 PM

95	The quality of life here is good.	12/30/2025 3:37 PM
96	See comments I entered in neighborhood section of survey.	12/30/2025 1:40 PM
97	I think the city has done a great job in this area.	12/29/2025 4:43 PM
98	Try not to have dog parks next to children's areas. Dog owners do not respect the equipment. The structures placed at Pineshadows Park were disappointing and worse for little ones. Also, it is sad how many trees at the parks are gone and not replaced. Kids need real nature, not just playing fields or slides.	12/29/2025 10:20 AM
99	Make sure to have enough green space through parks and trees throughout the city; shade is helpful not only to keep cool but in preserving our neighborhoods, increasing property values, cleaning our air, help with the value of our homes, lower income neighborhoods have a higher propensity to not have trees on their streets or green spaces in their area - we need to change that	12/29/2025 9:22 AM

120	In 2018, our quality of life was great and very pleased to live in Chandler, Az. That all changed in 2021 with the building of ACPHS. Now we have bumper to bumper traffic twice a day five days a week. We have noise from school activities, students speeding around our neighborhood with loud noisy cars. We can't get out of our driveways during school drop off / pickup times. We have traffic all day long and the city just gaslights us in fixing the problem they created. Our community was told during the building of ACPHS that Mustang Drive would be put through from Ocotillo Rd to E. Chandler Heights. This was never completed so our neighborhood suffers because of poor planning and no transparency. We were lied to saying our neighborhood would not be affected so no study was ever done. These decisions were either incompetence or the city just didn't want to spend the money. The city needs to fix their previous mistakes and put Mustang Dr all the way through. We have had numerous meeting with the Streets Engineering department, Andy Bass, and Councilmember Jane Poston. We've copied the Mayor and City Council via email with no response. Everything we have suggested to reduce the traffic is turned down because it doesn't meet the criteria of street guidelines made by the City Council. No exceptions allowed. WE ARE NOW JUST IGNORED. All this traffic is from the new communities in Gilbert and surrounding areas using both Ryan Elementary School and ACPHS. We use to have 20 cars use our street for Ryan Elementary from inside our subdivision in 2018-2020, now were up to 250 cars in 2 hours. The city suggested speed humps which are made for speed and not traffic reduction as long as our HOA pays for them. We don't make the criteria for the city to pay for them. They would just add more noise to our community with landscape and delivery trucks going over them. As time goes on and the traffic problem gets worst as the schools enrollment increases, my neighbors are moving and new people are surprised with all the traffic after they moved in. They regret their house purchases. The ACPHS could use the fire gate on Mustang but refuses. The city forced them to add it to the school during the building phase, but now the city will not force them to use it for drop off/ pickup. We shouldn't have to decide between putting our homes up for sale or putting up with all the problems the high school has made for our community. So if you really care about our quality of life for Chandler Residents, add putting Mustang Drive through on the 2026 budget so our quality of life can return for the residents on E. Tonto Place and S. White Drive. Surprise me!!!	12/23/2025 11:55 AM
121	We need more green and cooling places for people	12/22/2025 8:51 PM
122	The city does a good job on providing the amenities but drops the ball again when it comes to	12/22/2025 3:50 PM

the maintenance of the amenities. City park employees need to stop driving trucks on to the grass areas and breaking the sprinkler heads. The parks flood on the weekends and it takes hours for anyone to respond. There are gallons of water being wasted. The practice of driving on the grass areas started after employees came back from COVID and has gotten worse.

123	Overall I think the city does a great job. I'd like to see new developments consider a pedestrian friendly approach. we've been increasing density but most areas feel very car-centric.	12/22/2025 11:38 AM
124	We have more areas that could be developed in to outdoor spaces for residents of the city	12/21/2025 4:33 PM
125	I use the dog park at Paseo Vista at least 3 time a week. Paving and gate improvements are defiantly noted. It could use more grass though	12/21/2025 1:26 PM
126	I think if you wanna make this a future proof City, you have to invest in the people and the families that go to these parks. We live in extreme heat, protect the people offer water offer shade in these parks and people will go maintain them. The grass can't suck on a sports field that's common throughout Chandler that the fields are just not in good shape.	12/21/2025 9:24 AM
127	I love it here!	12/21/2025 7:54 AM
128	Better splash pad, more pickleball courts	12/21/2025 12:01 AM
129	Aquatic centers and splash pads are aging and in need of repair and restoration	12/20/2025 10:27 PM
130	The cost of festivals/ entertainment is too high and place them out of reach of being inclusive	12/20/2025 9:09 PM
131	STOP wasting money on projects very few use. Outrageous parking charges at city sponsored functions....needs to stop..I have lived here in Chandler 31 years and dont go to any thing as the parking is nuts...events are being held in public places and areas should have free parking for Chandler residents	12/20/2025 11:37 AM
132	enjoy Chandler Aquatic Center - please continue to maintain and improve this excellent facility	12/20/2025 10:17 AM
133	I am very disappointed that Chandler is doing away with green areas next to the roads and replacing them with rocks. I understand that water is an issue, but so is heat. I already live in an area that has a heat island so I often miss out on rain. I live across from Chandler Fashion center. Often it will be raining at Chandler Blvd and McClintock, but just one block east will have no rain. I believe it is the heat from the mall. Now the two green areas around the Pepperwood neighborhood are being replaced by rock. I am beyond disappointed.	12/19/2025 9:49 PM
134	You would improve MY life GREATLY by consistently providing green grass at the dog parks and collecting the grass cuttings while mowing each week! I speak for numerous others on this topic! The park manager has been pretty responsive to complaints I previously submitted. But not before my dog contracted valley fever and another owner's three standard poodles did too!! In case you don't already know, this gets very expensive to have to treat not to mention the dogs can be on medications for one year to life! So glad my dog had a massive nosebleed one evening, otherwise I never would have caught it and it was advancing! The other owner now only attends Gilbert dog parks fyi. As for the grass cuttings? There are probably only 5 to 6 days per YEAR that I don't have these all over my car and throughout my home and I am so sick of and too old to be cleaning this up ALL the time!! Yes, my dog as do so many others, loves to roll in the grass (or the dirt and dried grass) depending on the time of year and I imagine the funding available?	12/19/2025 9:39 PM
135	All the rec centers are only offered in one small area. If you dont live close by you get nothing offered. Need more parks, less business less homes	12/19/2025 5:09 AM
136	There are a lot of homeless that hang out inNeighborhood parks and they are never cleaned! The city should be wiping the park equipment on a regular basis.	12/18/2025 7:37 AM
137	Some parks and playgrounds should be replaced. Specifically fox crossing is a nice park but playground is very old	12/18/2025 2:33 AM
138	More trees and open space	12/18/2025 12:32 AM
139	Too many parks in which all are walking distance so no more please. Most of them do not have bathrooms which is unrealistic for children.	12/17/2025 6:57 PM
140	bigger and more trees in dog parks.	12/16/2025 11:07 PM
141	I think the city is doing a great job here. I have children and started using the recreational	12/16/2025 8:46 PM

amenities and they're great. Please keep them funded and spread the word. I had no idea about the services the city offers.

142	our taxes and water rates keep more money in our pockets	12/16/2025 7:33 PM
143	I am very satisfied.	12/16/2025 1:36 PM
144	Continue providing programs for our elderly residents	12/16/2025 10:37 AM
145	I think Chandler has some of the best parks and I see that they are often utilized. Veteran's Oasis, Tumbleweed, Chandler Breeze, and various other small parks are often vibrant and full of people using the areas. It's nice to see!	12/16/2025 9:55 AM
146	The more parks the better!	12/15/2025 9:21 PM
147	Pickleball courts at Desert Breeze park	12/15/2025 7:49 PM
148	We need more public restrooms that are maintained at parks. Families need bathrooms or else it becomes a stressful time to the park.	12/15/2025 10:35 AM
149	We have some, but having more is always good	12/15/2025 10:06 AM
150	I have had several experiences at various local parks such as Maggio Ranch Park where the park lighting is VERY poor. Kids are playing on the playground around 6-7pm in the dark. I don't feel safe walking my dogs alone because it's so dark you cannot see or notice if someone is in the field coming towards you. In the summer when it's too hot to go outside during daylight and in the winter when the sun sets earlier, I think we are not focusing on extending our outdoor recreational options in the smaller and more residential parks. I do not want to need to drive to a well-lit larger park just to walk my dogs or take a stroll when there are several walkable options near me that just need more love.	12/15/2025 9:07 AM
151	Keep the pools open later. It's hot in AZ all the way through September. I don't get your hours. People would come Try it. More training for your lifeguards. Have FD help with that . Then there's no expense for the city	12/15/2025 6:49 AM
152	N/a	12/15/2025 1:44 AM
153	We can always use more parks instead of storage unit companies	12/14/2025 11:17 AM
154	Chandler has to be commended in this area for recreation amenities	12/13/2025 11:17 AM
155	Great parks and amenities within the city	12/13/2025 8:37 AM
156	We need more parks, nature, and water parks.	12/12/2025 10:35 PM
157	The updates to tumbleweed are nice	12/12/2025 9:45 PM
158	Love the new pickleball courts at TRC	12/12/2025 1:46 PM
159	I feel like Chandler needs to do for West Chandler area, I feel like the area is overlookedfor South Chandler.	12/12/2025 11:10 AM
160	There are several large major city parks that appear to get much use. This is goodness. Small neighborhood parks provide community building, e.g. Easter Egg Hunts, outside party space, etc.	12/12/2025 9:18 AM
161	Alot of activities actually. Just wish we can help more with homelessness and people facing behavior health or addiction	12/12/2025 4:35 AM
162	We love the aquatic centers	12/11/2025 10:51 PM
163	Need more recreation activity and break camp options. The current options typically fill up too quickly. The number of option does not support the booming population in Chandler.	12/11/2025 8:04 PM
164	Proximity to parks and green spaces was a major reason my family decided to live in Chandler.	12/11/2025 5:31 PM
165	Please add a restroom to the Homestead North Park. There are courts but zero facilities	12/11/2025 9:44 AM
166	It is sad Chandler no longer has horse recreational facilities like it use to.	12/11/2025 7:34 AM
167	More dog parks please	12/10/2025 10:00 PM

FY 2026-27 City of Chandler Resident Budget Survey

168	None	12/10/2025 3:13 PM
169	Facilities in west chandler seems to be outdated such as Nozomi Aquatic Center.	12/10/2025 2:52 PM
170	would like to see parks lights on, when there is no "baseball teams" using the fields. we run around the neighborhood and mostly ALL parks are dark and eerie. Specially Arrowheads Meadow Park, and there is always homeless walking around at night through there. Not safe at all!	12/10/2025 12:57 PM
171	The city budget includes museums under Recreation. The importance of cultural economic drivers, e.g., museums and CCA, are under represented.	12/10/2025 8:50 AM
172	All of the new parks are south of the 202 whereas the Chandler area north of 202 have not been updated. Espee park has plenty of property, but the only splash pad in park is sad and dismal by comparison. Definitely a missed opportunity by the city.	12/9/2025 10:55 PM
173	In general this is very good - Chandler seems to have some difficulty understanding the significance of yoga as an exercise- the classes are too short (45 mins) and trc Friday 'yoga' isn't yoga. Trc upstairs floors are not very clean, need better spacing between classes - people throwing down steps for the next classes right when the yoga class ends really destroys the meditative peaceful routine that is built up for the yoga practice, and is concerning for people picking up their yoga mats. Maybe have a consultant observe classes and the changeovers to provide understanding and feedback, or chat with freestone regarding scheduling and administrative aspects.	12/9/2025 9:50 PM
174	The parks here are better than anywhere else we've lived (and we've moved a lot!)	12/9/2025 8:43 PM
175	I don't have any	12/9/2025 2:29 PM
176	Keep building more parks and planting more trees. Add covered playgrounds to as many parks as possible to give children more outdoor time on hot days. Possibly add misters to playgrounds as well.	12/9/2025 1:29 PM
177	See my earlier comments on Snedigar par. The city has spend millions at Tubleweed on new ball diamonds, pickleball courts and indoor remodel while Snedigar is left to decay. Soccer fields are in horrible shape and so are the bathrooms.	12/9/2025 12:52 PM
178	More bike lanes please. Arterial roads.	12/9/2025 10:43 AM
179	I wish there were more opportunities to use public pools after kids go back to school. I'm sure it's harder to staff lifeguards after the teens go back, but I wish we could find a way to have more aquatic opportunities into the fall	12/8/2025 11:33 PM
180	Increasing the 55+ exercise classes at TRC to ensure more seniors are able to get enrolled.	12/8/2025 7:16 PM
181	We'd love to see a basketball hoop/ hoops installed at Shawnee Park	12/8/2025 5:21 PM
182	Have Chandler police stop those awful sounding, stress inducing, ear splitting, lame ass loud cars and motorcycles all over chandler! 😞	12/8/2025 8:12 AM
183	N/A	12/8/2025 3:42 AM
184	Na	12/8/2025 12:00 AM
185	Bike paths and walking paths could be improved.	12/7/2025 11:27 PM
186	Too many homeless living and occupying parks. Not a place you want to bring kids. Drug paraphernalia left out	12/7/2025 4:20 PM
187	It would be appreciated by many of the Paseo dog park was bifurcated to allow one for small dogs, one for larger dogs. Present situation creates way to much conflict between pet owners; there are few unhinged pet owners who openly threaten other dog owners....not a good thing.	12/7/2025 2:17 PM
188	we need more low income housing	12/7/2025 1:24 PM
189	Tempe new dog park is exceptional, need more queens quality options in Chandler	12/7/2025 11:49 AM
190	The more the better. We need more indoor recreation space for those summer months.	12/7/2025 9:33 AM
191	There could be more indoor facilities	12/7/2025 1:23 AM
192	I like our parks and open spaces.	12/6/2025 9:36 PM

FY 2026-27 City of Chandler Resident Budget Survey

193	Better parks with picnic areas, fishing, rides & things for kids to enjoy	12/6/2025 9:10 PM
194	Chandler has a good number of neighborhood parks and recreation areas considering the arid landscape.	12/6/2025 12:21 PM
195	There are so many options for all, thank you	12/6/2025 10:34 AM
196	The city is approving too much residential areas and apartments, needs to encourage more businesses and restaurants to support the existing population. The roads absolutely are the worse, need consistent lanes , repaving and widening. Traffic is becoming a huge issue.	12/6/2025 8:44 AM
197	More parks will always be better :)	12/5/2025 6:19 PM
198	Some parks gets more attention than others which can lead to an imbalance in attractiveness and park use; e.g. Tibshraeny park missing a slide for 3 years (recently finally re-added) while Tumbleweed park received new ball fields and pickleball courts.	12/5/2025 4:25 PM
199	My children are now grown and took them to all the aquatic center in the city and now and doing this all over with my grandchildren....good job.	12/4/2025 9:12 AM
200	Fees at Tumbleweed should be competitive with other facilities. More publications as to what is offered,classes etc	12/4/2025 8:24 AM
201	Chandler rates very high on parks in my opinion. Love Desert Breeze and Tumbleweed, also neighborhood parks like Apache	12/4/2025 4:52 AM
202	More small dog specific dog parks, better community services for children, more indoor activities	12/3/2025 8:00 PM
203	Tumbleweed park needs a complete renovation.	12/3/2025 2:20 PM
204	The City is making meaningful progress in improving quality of life. Investments in infrastructure, public safety, parks, and community programs are noticeable. Continued focus on street maintenance, landscaping, and transportation options will help strengthen overall livability even more.	12/3/2025 11:16 AM
205	Keep quality of life projects strong! This is what makes Chandler Chandler	12/3/2025 9:45 AM
206	NA	12/2/2025 10:03 PM
207	Compared to surrounding cities, Chandler does a poor job of maintaining quality parks for athletics and sporting events. It's embarrassing to host events for sports in our city for traveling teams from out of state or from regional cities in the greater metropolitan area.	12/2/2025 8:15 PM
208	Pools that I can use in the winter	12/2/2025 10:31 AM
209	Older parks don't get the improvements they need, however, staff that maintains what is there do a great job wi what they have to work with. Why build new if you can't maintain old?	12/1/2025 5:47 PM
210	Appreciate the renewal and updates to parks	12/1/2025 11:09 AM
211	Local parks need upgrades	12/1/2025 7:29 AM
212	Chandler provides recreational amenities fabulously	11/30/2025 8:37 PM
213	I can't think of "blighted" areas in Chandler. If I've found them I've probably thought I accidentally found a pocket of Mesa.	11/30/2025 6:59 PM
214	I would like the city to add compleating the final phase of the Orangetree Retention Basin/Park improvements to the Capital Improvenet Plan. This need is indirectly noted in the Parks Master Plan.	11/30/2025 6:45 PM
215	Need more community use facilities and open spaces	11/30/2025 5:48 PM
216	Add a dog park at Folley Park	11/30/2025 5:18 PM
217	I dont see the city is coming up with exceptional infrastructures to improve the quality of life. City of Gilbert does way more and can be considered as a baseline to see what to change and how to change	11/30/2025 1:19 PM
218	Need more dog parks that ate night friendly 50% of the year it's too hot to take them out during the day we need a nice park that is light up well for those hot summer nights	11/30/2025 8:08 AM

FY 2026-27 City of Chandler Resident Budget Survey

219	Chandler has a bunch of sad, tired, dull parks that aren't made to be used in the heat.	11/30/2025 5:50 AM
220	I'd love to see a pump track and for Chandler BMX to be moved to a larger facility that can host national events	11/29/2025 4:11 PM
221	Need better maintenance of parks and more pickle ball courts	11/29/2025 9:05 AM
222	I would like to see more dog parks or dog friendly spaces. There is nowhere you can legally play fetch with your dog in the city unless it's at a dog park where all the other dogs will chase your dog. Perhaps making neighborhood flood basins into off leash dog friendly spaces and to get more use out of the same space.	11/29/2025 9:05 AM
223	Poor choices have been made to allow more and more high density housing, apartment complexes.	11/29/2025 6:58 AM
224	Desert Breeze park needs better path paving.	11/28/2025 2:32 PM
225	Your BreakTime activities and improvements to Tumbleweed Park and Recreation area are outstanding.	11/28/2025 10:20 AM
226	Doing well. Love the free parking for downtown. Make it safer.	11/27/2025 3:31 PM
227	The city is doing a good job on improving the quality of life	11/26/2025 10:31 PM
228	We need and I door aquatic facility for Fall/Winter exercise availability. Aqua fit is important to those who cannot do exercise with impact on the joints. It is very hard to stay fit when the centers stop offering classes in the winter months.	11/26/2025 6:38 PM
229	Pickleball courts are nice	11/26/2025 6:34 PM
230	Would love more parks!	11/26/2025 6:26 AM
231	I love our parks and Tumbleweed. Please consider toilets along the canal for long walkers/ bicyclists. Even if it has auto lock after a certain time of day for safety.	11/25/2025 8:16 PM
232	We could do a better job at replacing trees we have lost to storms and continue to give maintenance to them. Dog parks could also be improved. It's great that aquatic centers offer plenty of swimming lessons and cheap entrance prices during the summer.	11/25/2025 7:55 PM
233	N/A	11/25/2025 6:15 PM
234	Pools are only opened when school is out. There is an entire population that would love to use at times when school is in session. What about indoor pool?	11/25/2025 4:54 PM
235	more parks never hurt anybody!	11/25/2025 2:57 PM
236	Great!	11/25/2025 2:31 PM
237	would love a pool with therapy temps for us older folks.	11/25/2025 1:57 PM
238	More green space. The city is currently ripping up some of the few green spaces that are left and putting down rocks. We do not need pristinely manicured green spaces. Allow these areas to remain native and give people, kids, pets a place to play. The green belts will be greatly missed	11/25/2025 1:29 PM
239	Some of the parks and facilities are not well kept— Rusty trash cans and tables and a lot of dead plants at Snedigar.	11/25/2025 12:34 PM
240	I think Chandler is doing well with our parks and amenities, however I think a large entertainment venue near the 202 is the next step in helping our community grow.	11/25/2025 8:11 AM
241	Our family loves Tumbleweed and the new pickleball courts.	11/25/2025 7:03 AM
242	with a park in every square mile, we have a good level of service. We need to maintain what we have as a priority	11/24/2025 6:05 PM
243	Build out the park adjoining Basha High.	11/24/2025 5:08 PM
244	I love to live in Chandler because the city offers so many recreational programs like swimming classes and recreational activities	11/24/2025 11:47 AM
245	Plenty of parks etc. no need to add anything here. Too much funds already spent	11/24/2025 10:13 AM

12	Stop approving industry that consumes high amounts of natural resources and electricity. Chandler hands things to Intel with little regard to it's impact on the surrounding Ocotillo community. Same with datacenters that create noise, use up energy and do little to improve employment. No diversity in business, it's mostly "technology focus" Chandler is also underserved by some medical specialists like quality vascular doctors. They are moving to Mesa!	1/13/2026 4:52 PM

22	I've been really impressed by a lot Chandler's programs. Especially the programs and events with the nature center (I would love a bus route to there pls!!) Implementing incentives for apartment complexes to offer recycling would be great!! And/or making it easier to bring recycling to designated spots in the city. (Oh, sorry, forgot to put this in earlier sections. Adding heat illness awareness + emergency information to bus stops would probably save lives. I've both seen and been the person seeking shade in the bus stop peak summer and not realizing that I'm going into heat exhaustion until I get home)	1/7/2026 11:55 PM

32	I hope we don't go in for recycling wastewater for drinking anytime soon, especially since most systems seem to focus on reverse osmosis and other filtering, rather than boiling or ways that would truly sanitize the water. I would rather let other cities try it first and insist on true sterilization via heat. Solar is fine if we can get it to work. I wish SRP wouldn't make it so much less worthy to get solar as a resident, though. I'd feel more encouraged to get it if they treated you as someone who put energy into the system instead of almost penalizing you. I'm theoretically supportive of sustainability solutions but am very skeptical and cautious in practice.	1/6/2026 9:28 PM

173	Chandler has a lot of grass and open pavement. I'm pretty new here but a lot of homes could probably do with native trees and expanded access to canal irrigation. I see plenty of gravel lawns, but other than a few common birds, I rarely see native wildlife. Maybe there are native plant projects I'm not connected with yet. I'm also super interested in seeing the city encourage home ownership and making it attractive to landlords to offer tenants greener homes and competitive rates - my current house, a rental, has very drafty windows, a washing machine possibly older than me and a barren front and back yard. Nobody seems to want native plants because the younger ones are very thorny, or they think they're weak to storms because they're used to Desert Museum Palo verde which are the weakest of the four natives. Many mature trees stop producing thorns and produce shade to cool houses. Homeowners and landlords need reasons to plant these.	11/30/2025 6:59 PM

safety continues to be a priority. I am very concerned about water usage with more developments and potential Data centers. We are at a critical juncture and priorities/quality of life for Chandler residents needs to be preserved.

44	Some areas I'm just not knowledgeable in and have not had an experience in said area worth noting, good or bad. I'd really like to see added educational community workshops in the public safety areas, such as self- defense for women, interesting kids events, Stop the Bleed Trauma training for communities, etc. As a household with kids, I'd enjoy seriously upgraded parks and splash pads. Also, more options for elementary age kids in parks and rec. One of my children is 6 and it was difficult to locate classes she could sign up for simply due to age whereas I found a variety in other cities for her age.	1/8/2026 6:15 PM

46	My main concern is the speed of motorists throughout Chandler and the safety issues that causes. I imagine the City has statistics on the number of motorist accidents throughout Chandler which is probably higher than the number of traffic violations issued because there does seem to be a lack of police activity with respect to maintaining safety on the public streets. a	1/8/2026 9:09 AM
47	I used chat gpt to help me look up quick data and rewrite some of my rambling answers. I live in Chandler but work in tempe in software test. I love my neighborhood and the city is very nice. I do feel like it is ran well. I just noticed there is a lack of public transportation. The east west traffic has bottle necks when roads pinch to 2 lanes. I know my area does not have Google fiber. We have dog parks but the best one is cosmo dog park and that is pretty far from the house. But everything else we need and want is usually right near by and the city is clean and serviced. Thank you for asking.	1/8/2026 7:22 AM
48	Chandler should stick to the basics of roads, sewers, water, and safety. It is not the city's job to entertain people via endless festivals or virtue-signal by supporting the cause-of-the-day.	1/8/2026 7:15 AM

52	I am concerned about the programs that eliminate grass in parks and green spaces in Chandler. Yes, it saves water, but the grass provides clean air and that to me is more important. Please don't remove any more grass in Chandler; allow the grass to clean the air. The air quality has seriously gone downhill over the last 5-10 years. Please reduce burning activities in the city. This will help reduce the smoke at night which is creating a lot of pollution. I can't even sleep with my windows open at night anymore - there is too much smoke outside.	1/7/2026 10:20 PM

68	It is important to have the City of Chandler maintain its control over taxes because they are the ones that understand the needs of the city. Also, I strongly feel that all Chandler parks need to continue to be maintained and up kept. I know they had redone the Sunset park which we really appreciated. I hope that something can be done about the homeless that hang around there. Also, thank you to whoever enforced an update to the sunset library's bathrooms. They were terrible and I am so happy they are getting a face-lift! We love Chandler and think it is so beautiful!	1/6/2026 10:00 PM
69	I think we have some nice things but would love to focus on maintaining quality of life and being a nice, safe place to live. Sometimes, there are places that have a lot of fun and culture, like college towns, but don't feel as safe or quiet, and I would love to stay in the safe/quiet direction. The cultural initiatives we have are nice and I think they have been working so far, but I don't know if we need to invest much more in those or "reimagine" parks and the like. Let's stay in the middle. Chandler is a good, moderate place right now and I'd love it to stay that way. Nice mix of innovation and basics right now.	1/6/2026 9:28 PM

74	Unfortunately, seeing the corruption and the lies on both parties along with the school districts along with the city council is disgusting at this time... With the amount of people moving in so quickly into Chandler and finding out how all the funds have not been applied properly, etc. is very disappointing. I truly hope the future turns around because Chandler used to be such a wonderful spot for the last 30 years that we have been here	1/6/2026 11:26 AM
75	Why did FedEx and Amazon get approved for those huge operation centers in the middle of residential areas without a pre-construction improvement of the neighborhood infrastructure...roads and traffic lights. Wasn't a traffic assessment done prior to project approval? The Queen Creek/Gilbert-AZ Ave, roads area is a total mess with the increased traffic. Same with approving the private schools...no pre-planning of the detrimental impact of traffic as the result. Chandler government needs to start to emphasize construction accountability. Multiple road lanes closed with no work being done, roads torn up, repaired and torn up again a few months later. Who approves these projects and who is holding them accountable? Chandler has enough funding...start spending it in a way that makes a difference. Mow the park grass every other day, spend tens of thousands on useless airport signs; what's next Somali Day Care Centers?	1/6/2026 10:39 AM

94	More patrols for speeding especially in communities where people are walking, biking, crossing. Desparately need a safe place for kids to ride and jump their e-bikes because they are taking it upon themselves to use neighborhood greenbelts and they are ruining grass. We've had 2 kids break bones jumping their e-bikes/motorbikes in the last year and that's just the injuries I'm personally aware of.	1/3/2026 6:29 PM

96	I think Arizona focuses on the wrong thing a lot of the time like how education is ranked extremely low. Chandler puts more towards education and such and it should stay that way. But something should be done to mitigate the extremely strong sewage smell in the 85286 area code. It's a few times a week and so strong you can't be outside. It's not the cows, it's a sewage smell specifically.	1/3/2026 1:51 PM

116	You used \$32mil or whatever it was to build the tumbleweed ball fields. But then you didn't even use artificial turf? What a waste. Furthermore, the fields are never usable because a small organization has full time lock on them? Why can't I book them to use for my teams? Why doesn't East Valley Baseball, which has a much more active and large group, have access to them? Pima and espee are ghetto, inadequate for youth baseball, and in poor condition. Those fields need to get their infield (or whole field) redone with turf as well. But regardless, the tumbleweed fields are such a waste of \$32mil the way you guys have them blocked for use outside the softball.	1/1/2026 11:47 AM

127	From Alma school to Warner to Dobson, the city of Chandler has decided to take away all the grass and replace it with gray ugly rocks with no bike paths or walking paths just gray rocks. Looks like a communist took over Chandler.	12/30/2025 10:22 AM

An error on that will cost us years to fix - and the damages done environmentally, economically, and to our residents will be hard to fix. Even CPS agrees the zero tolerance policies harm our children's academic progress. The dean at Chandler HS and Dan Serrano both had no care at all about this. Also, there is no detailed list of offenses and punishments. This needs to be corrected ASAP. A punishment cannot be listed as 1 day in school suspension to expulsion, that is too broad and Dan and the dean couldn't explain how certain punishments are decided, nor explain who decided them. 167	I absolutely despise how the state recently passed legislation that mandated all cities in AZ to comply with their new law (with no apparent discussion or inclusion) while simultaneously undoing Chandler's own efforts to preserve It's valuable history. I want to be able to trust this city's water system, and no amount of PR is going to make that happen without the ability for residents to actually test their own water at the kitchen sink! Now we have these huge enormous electric poles all down Riggs road (behind sun lakes), and cell towers everywhere surrounding us. My coverage is dropped here every 20 seconds. I can hear a high pitch noise in my home now from the traffic on Riggs and Arizona. They go too fast! And heavy trucks going to fast! Its dangerous and loud. Put in more lights around this area to slow traffic up, perhaps. Riggs and Alma School is terrifying. I dare you to go stand on the corner there for 3 lights cycles from 6 am to 6 pm and tell me you feel safe. We're in a senior community and being forgotten about - or taken advantage of. It's important to me that we don't get cabin fever during the hot months (since we don't have a pool). I want us to be more active via walking to businesses instead of driving, I think it's really important to provide a safe and enjoyable side walk experience (a side walk that's larger than normal, has greeneries, shades, etc.) whether that's in neighborhoods or business parks. I think business parks needs to account for sidewalks going down their parking lot so people don't wander just anywhere and get in the way of cars. I just feel very passionately about providing good sidewalks.	12/7/2025 9:33 AM

major backups. I feel this is money wasted and very disappointed the city approved of this big budget plan.

235	I live on N Bullmoose Drive between Warner and Knox. It is a 25 mile an hour street. We constantly have speeding way over 40 miles an hour. It's not a safe street to cross and I have to cross it to get my mail. I have lived there over 30 years. I have expressed my concerns as has several neighbors it falls on deaf ears. We were even told no speed humps. Plus the city makes it impossible to with making 80 to 90 percent names of owners 2 blocks off of Bullmoose when so many homes are rentals. 240	We live off Frye and McQueen. The bike work on Frye is a giant waste of taxpayer money. Cars can no longer turn on red. I don't disagree that encouraging bikes is good, but at the cost of 12 million dollars???? It's taking forever to and the ROI is negligible. The project should have been massively simplified	12/4/2025 10:28 PM
241	My focus is on the level of law enforcement in the city. I don't necessarily blame the police; I blame the city council and the budgeting process. I believe there has been a lack of funding to increase the number of officers' and provide all of the tools needed to protect the people living and driving through Chandler. The city has grown but the police support has not kept up with the growth. To me, it is evident driving on any street in the city. There appears to be very limited traffic control, mainly regarding red light runners, speeding and aggressive drivers. Bottom line, people know they can drive anyway the want, because the police are not around. Not blaming the the police blaming the lack of funds make Chandler safer.	12/4/2025 3:49 PM

246	They're very few places you can ride a bike. It's incredibly dangerous north of Ocotillo on Lindsey where it goes down to one lane each. After 10 or 11 years of living here it looks like you're finally doing something about it. There aren't a bunch of routes or safe places you can ride a bike in the southeast part of the city near Lindsey. Plus there's now a freeway. It's incredibly congested. It's just not safe. It seems that Chandler relies on HOA's and development for bike transportation. There's no link between Chandler and Gilbert and that's also too dangerous to ride along Ocotillo towards Val Vista.	12/4/2025 6:19 AM

249	Chandler Blvd is in terrible condition in my zip code. Too many multi story apartment complexes are being approved for development, causing extreme traffic increases in my area and ugly environment.	12/3/2025 10:22 PM
250	I'm not sure what area this would fall under, but more "safety technology" in our parking garages here in Downtown Chandler should be a priority to aid in deterring any nefarious/illegal activities taking place.	12/3/2025 3:22 PM
251	City needs to maintain and enforce landscaping standards along roadways and islands. It really sucks to see street landscaping start out nice and then within 10 years most of the original landscaping is gone.	12/3/2025 2:20 PM
252	Water preservation is important for the state of Arizona. We need cleaner water. Also, city parks in my neighborhood have the space to do so much more for the community and can be improved.	12/3/2025 2:03 PM
253	If the potholes can be fixed around Chandler.	12/3/2025 12:57 PM
254	My answers reflect both the progress I've noticed and the areas where I believe the City can continue to grow. Chandler has done well with community safety, neighborhood upkeep, and quality of life initiatives. Looking ahead, I think additional emphasis and funding could be placed on mobility improvements, street, sidewalk, and traffic maintenance, and technology upgrades that make city services more efficient. Continued investment in parks, landscaping, and sustainability efforts would also support long-term community well being.	12/3/2025 11:16 AM
255	Trash and litter around the entire City of Chandler needs to be addressed (cleaned up), especially along the major roads.	12/3/2025 10:37 AM
256	Chandler has always done a great job in being fiscally responsible and keeping our taxes low for the services we offer. I'd like to see us keep our low tax rates compared to other cities.	12/3/2025 9:45 AM

269	The way the streets are maintained not just the asphalt but the plants and trees on the roads show pride in the city. This also includes keeping the parks green with healthy trees and landscaping, clean and maintained equipment, quickly cleaning up graffiti and fixing damage is a must. water system before other cities its time to look ahead on how the city can continue the legacy in a modern and efficient way.

270	I'd love to see fewer cars on the road, leaving home for work should be an option not a requirement. Some of my biggest concerns are the apartments going in across the area that have minimal parking and few internal recreation areas. How are these new dense areas going to handle rush hour. What is the city doing to meter lights to encourage fuel economy? If you go 55+mph you get a red light. If you go 45 mph, you watch the light turn green ahead of you and get to the intersection just in time stop for the next cycle. Idling and acceleration are wasteful. Chandler is bougie, we ought to be able to do better on all fronts.	11/30/2025 6:59 PM
271	I disagree with the policies our Governor and State legislature are imposing on the our city. Our elected leadres as chosen by our residents are more in tune with the city's needs and what policies ate best for our city that is nearing build out.	11/30/2025 6:45 PM

274	I'd like to see household chemical waste disposal follow the Tempe model where you can drop it off any Saturday at the fire station. I have years worth of chemicals sitting in my side yard because scheduling a drop off is annoying.	11/29/2025 4:11 PM
275	I would prefer that people that live in Chandler be the ones that oversee taxation and where those taxes are utilized best.	11/29/2025 9:05 AM
276	Chandler is a great city to live in. My biggest disappointment is that the quality of life has degraded due to overcrowding and congested streets with all the apartment complexes having been built.	11/29/2025 6:58 AM
277	Economic Development needs more funding to bring businesses to North Chandler. We don't need another furniture store. But, how about an indoor dog park or an arts and craft vending weekends throughout the year. The police need more drones and more visibility to combat the growing problem of people on their phones. Love the marketing that the library is doing!	11/28/2025 10:11 PM
278	I would like to see more pools available and hours of operation increased for lap swimming.	11/28/2025 6:44 PM
279	When asking for funding, provide ballot choices of how much to spend doing it. We are over paying for what we get.	11/28/2025 2:32 PM
280	Very busy traffic on Hartford Rd and Germann Rd, especially during rush hours. I saw cars cars dangerously crossing onto Germann Rd many times.	11/28/2025 10:54 AM
281	Simple neighborhood observations.	11/28/2025 1:13 AM
282	Chandler knows what Chandler needs better than an outside entity that may have their own agenda that does not align with Chandler and its residence.	11/27/2025 7:49 PM
283	Finacial transparency could improve. Reporting that the city is doing better financially than it is really doing makes people lose trust in the leadership.	11/27/2025 3:31 PM
284	Stronger emphasis on traffic enforcement for police, in particular speeding. It has gotten out of control with people doing over 10 mph over the speed limit.	11/27/2025 7:21 AM
285	Water conservation is such a vital task for us living in the desert climate. The city should give more incentives to people who choose to save water and energy so that more people are willing to do so.	11/26/2025 10:31 PM
286	Aquatic facilities are getting old and need maintenance. The longer we wait to improve the more it will cost. Compared to other cities, pools are dated and can be a premium facilities for our children.	11/26/2025 7:51 PM
287	Local government is the most important form of government. We want our city to remain among the best in Arizona. Your decisions impact the residents and we need you to think of us FIRST! The residents & employees of Chandler should be your focus, not the state or federal government or businesses and corporations.	11/26/2025 6:38 PM

289	I would like to see parks like Dessert Beeeze taken care of better. Sidewalks and failing. The upkeep seems a little lax. I am sure smaller parks in the area are all the same state.	11/26/2025 9:32 AM
290	Again, I do not want certain areas to be rezoned to include large housing areas. I think pit city is already congested and that is going to make it worse	11/26/2025 6:26 AM
291	Affordable housing! Our city needs to help ensure that ALL residents are housed. Our growing numbers of unhoused seniors and veterans is inexcusable.	11/25/2025 9:05 PM
292	My family has 3 generations living in Chandler. I want to see it continue to thrive to support all of us from education to safety to community involvement so we feel a part of a vibrant safe and healthy city.	11/25/2025 8:16 PM
293	I think we need more regulation around short term rentals and private investors in the housing market. We can have the jobs but if people can't afford housing, they can't stay in the community. Creating our homeless crisis and how can people go to work if they don't have a place to rest and sleep? It creates a cycle.	11/25/2025 7:55 PM

Also elderly help when needed. When it becomes hard to maintain yourself and your property it may only take a little help and having younger people and older people in her act has been found to be enhancing both age groups tremendously.	11/25/2025 5:04 PM
297	The current US government is unstable and ruled by a pedophile. I definitely want the city to retain control over these issues.	11/25/2025 2:57 PM
298	Some of the streets like Lindsey south of the construction are rotting away. Police and fire super important Ana parks need some facelifts with covers from sun.	11/25/2025 1:37 PM
299	Residents first. Chandler has a high quality of life. We have a draw for upper middle class families who don't want to live in scottsdale. Cheap housing draws crime. Keep the status. Chandler isn't for everyone and that's OK.	11/25/2025 7:03 AM
300	The city does a poor job managing the tax payers money. There is no accountability, where is my money being spent? Why the constant utility increases with no notice?	11/25/2025 2:20 AM
301	The city knows best how to spend taxpayer dollars. Tired of the state telling us what to do. We also need to make sure council knows that it's not their money but belongs to the taxpayers and they need to make sure they are doing what is right for our citizens and not themselves.	11/24/2025 6:05 PM
