### Citizen Participation Plan Adoption and Amendments

The Citizen Participation Plan (CPP) is a required component of the Consolidated Plan. The CPP, and any subsequent amendments to the CPP, are adopted by the Maricopa County Board of Supervisors and City/Town Councils of Avondale, Chandler, Gilbert, Glendale, Peoria, Scottsdale, Surprise, and Tempe concurrent with the scheduled adoption of each Maricopa County Consortium member's Five-Year Consolidated Plan. Amendments to the CPP may occur on an as-needed basis at any time during the Consolidated Plan period.

### Consolidated Plan Summary

HUD regulations noted in 24 CFR 91.105 require the preparation of Consolidated Plans for all entitlement communities. The Consolidated Plan is prepared in draft form by April in the year the Plan takes effect and includes needs, priorities and long- and short-term strategies concerning affordable housing, homeless/special needs, and community development in the region, unless a delay in HUD allocation release causes delay in the submission deadline to HUD and subsequently delays the draft preparation. The Consolidated Plan process includes a Five-Year Consolidated Plan and Annual Action Plans, and serves as a long- and short- term investment guide for federal Community Development Block Grant (CDBG), Emergency Solutions Grants (ESG), and HOME Investment Partnerships Program (HOME). The Consolidated Plan is also consulted prior to the award of other funding administered by the U.S. Department of Housing and Urban Development (HUD).

The Consolidated Plan prepared for the Maricopa HOME Consortium is regional in nature and focuses on affordable housing, homeless and special needs priorities and strategies pursuant to 24 CFR 91.400, while those prepared by entitlement community members herein are local in nature and shall address affordable housing, community development, homeless and special population needs priorities and strategies pursuant to 24 CFR 91.200. Consortium members must participate in submission of a Consolidated Plan for the Consortium, prepared in accordance with 24 CFR 91. As described in 24 CFR 91.400, CDBG entitlement communities that are members of a consortium must provide additional information for the consolidated plan.

## Encouragement of Citizen Participation

In order to encourage citizens to participate in the development of the Consolidated Plan, any substantial amendment to the Consolidated Plan, and the performance report, the following efforts shall be undertaken by HOME Consortium members. Consortium members shall encourage participation by low- and moderate-income persons, particularly those persons living in areas designated by the jurisdiction as a revitalization area or in a slum and blighted area and in areas where CDBG funds are proposed to be used, by residents of predominantly low- and moderate-income neighborhoods, as defined by the jurisdiction. Consortium members must take appropriate actions to encourage the participation of all its citizens, including minorities and non-English speaking persons, as well as persons with disabilities.

Per 24 CFR 91.100, the HOME Consortium members shall consult with housing authorities in their jurisdictions to solicit participation of the residents of public and assisted housing (including any resident advisory boards, resident councils, and resident management corporations) in plan development and review, which is anticipated to be derived from PHA planning activities stipulated under 24 CFR Part 903. As needed and applicable, Maricopa County Consortium members will also consult with the Maricopa Regional Continuum of Care and organizations therein, supportive housing agencies, relevant businesses and industry representatives and low-income residents of targeted revitalization areas in which federal projects are anticipated. Consortium members shall make Consolidated Plan information available to local housing authorities on a continuing basis for any public hearings to be held under the HUD Comprehensive Grant Program or Public Housing Agency Plan established pursuant to 24 CFR Part 903.

Per 24 CFR 91.100, Maricopa County Consortium members shall encourage participation of local and regional institutions and other organizations (including businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations), public and private organizations, broadband internet service providers, organizations engaged in narrowing the digital divide, agencies whose primary responsibilities include the management of flood prone areas, public land or water resources, and emergency management agencies in the process of developing and implementing the Consolidated Plan.

The public hearing will be held during the development and preparation of the Consolidated Plan, and before publishing the plan for the 30-day public comment period. The public hearing to be conducted by Maricopa County Consortium members shall include the following items:

- The amount of CDBG, ESG, and HOME resources anticipated to be made available within member jurisdictions on a program year basis, and the eligible range of activities that may be undertaken concerning such federal programs.
- The amount of CDBG, ESG, and HOME resources anticipated to benefit income qualified persons residing within member jurisdictions on a program year basis.

- Plans by Maricopa County Consortium members to minimize the displacement of persons from the intended uses of CDBG, ESG, and HOME resources anticipated to be invested during any given fiscal year.

- Other aspects of the Consolidated Plan as applicable.

### Annual Action Plan

Maricopa County Consortium members shall each hold at least one public hearing concerning the development of Annual Action Plan each year as required by 24 CFR 91.105 (e)(ii). The public hearing will be held during the development and preparation of the Annual Action Plan, and before publishing the plan for the 30-day public comment period. Additional citizen outreach efforts may be undertaken and may include surveys, consultation and other methods to solicit input desired by members however these are held at the discretion of Consortium members and not required.

On or before April 1st of any given year, Maricopa County Consortium members will make available their draft Annual Plans and the previous year's Consolidated Annual Performance and Evaluation Report (CAPER) to each housing authority, libraries, surrounding municipal governments (as applicable), and selected other locations for the mandatory 30-day public comment period to end no later than the 1st of May of any given year. If HUD annual funding allocations have not been released by March 15, the timeline for the draft and subsequent submission to HUD may be delayed. Members may also post their draft Plans using other supplemental forms of securing valid public input. The public shall be notified at least 14 days in advance of the public hearing, and before the comment period of this opportunity for review and comment in one or more newspapers with general circulation in each Consortium member's jurisdiction and shall identify the locations where citizens may review copies of draft Annual Action Plan and relevant CAPERs. A member may pursue alternative forms of posting with prior HUD written approval.

The public hearing to be conducted by Maricopa County Consortium members shall include the following items:

- The amount of CDBG, ESG, and HOME resources anticipated to be made available within member jurisdictions on a program year basis, and the projects within the range of eligible activities that may be undertaken concerning such federal programs.

For efforts other than federally funded acquisition or rehabilitation, Consortium members may utilize adopted local policies concerning displacement assistance.

## Acquisition and Relocation Policies

### Preface

This policy is necessary to minimize displacement and ensure compliance with the Uniform Acquisition and Relocation Act when displacement is unavoidable. Acquisition may in some cases be undertaken by the subrecipient, but only with the close coordination of Maricopa County Human Services Department staff and/or consultants.

The Maricopa Human Services Department, in carrying out its responsibility for CDBG and HOME Program administration, and as the designated "State Agency" responsible for acquisition and relocation associated with CDBG and HOME Program assisted projects will use staff and professional consultants as necessary to comply with the requirements of the Uniform Acquisition and Relocation Act of 1970 (PL 91-646), as amended.

## **MARICOPA COUNTY HOME CONSORTIA POLICIES ON DISPLACEMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) and/or HOME FUNDED ACTIVITIES**

This policy follows Guide form Residential Anti-displacement and Relocation Assistance Plan under Section 104(d) of the Housing and Community Development Act of 1974, as Amended.

The Maricopa Consortium, in accordance with Federal Regulations for Displacement, 24 CFR 570.606(b), hereby issues this statement of policy regarding the displacement of persons by CDBG or HOME Program funded activities.

Any entity receiving CDBG or HOME Program funds will replace all occupied and vacant units that will be demolished or converted to a use other than as low/moderate income housing. (One-for-one replacement)

All replacement housing will be provided within three years of the commencement of the demolition or rehabilitation relating to conversion. This includes any property obtained through a public undertaking.

Before obligating or expending funds that will directly result in such demolition or conversion, the entity will make public and submit to the HUD Field Office the following information in writing.

- A description of the proposed assisted activity;
- The general location on a map and approximate number of dwelling units by size (number of bedrooms) that will be demolished or converted to a use other than for low/moderate income dwelling units as a direct result of the assisted activity;
- A time schedule for the commencement and completion of the demolition or conversion;
- The general location on a map and approximate number of dwelling units by size (number of bedrooms) that will be provided as replacement dwelling units;
- The source of funding and a time schedule for the provision of replacement dwelling units; and
- The basis for concluding that each replacement dwelling unit will remain a low/moderate income dwelling unit for at least 10 years from the date of initial occupancy (i.e.: Deed of Trust, Deed Restriction, etc.).

The entity will provide relocation assistance, as described in 570.606(b)(2), to each low/ moderate income household displaced by the demolition of housing or by the conversion of a low/moderate income dwelling to another use. Benefits will be provided relocatees and displaces according to the calculation of benefits derived pursuant to requirements of regulations promulgated under the Uniform Property Acquisition and Relocation Act of 1970, as amended

### Permanent Displacement

Displacement is defined as follows: Permanent movement of person(s) or other entities from a dwelling unit or business location resulting from CDBG or HOME funded code inspection, rehabilitation, demolition or acquisition.

In order to minimize displacement and mitigate adverse effects, the policy shall consist of the following guiding principles. In the event displacement is caused by current or future CDBG or HOME Program funded projects the project plan will:

- Avoid or minimize permanent displacement whenever possible and only take such action when no other viable alternative exists.
- Consider impact on existing persons and properties in the development of CDBG and HOME Program funded projects.
- Inform citizens of CDBG or HOME Program project area(s) through information made available as part of the annual plan for use of CDBG and HOME Program funds.
- Follow current regulations, HUD notices and policies when preparing informational statements and notices.
- Provide written notification of intent to eligible property owners or tenants who may be displaced and/or relocated due to an approved project activity.
- Assist those displaced in locating affordable, safe, decent and comparable replacement housing.
- Ensure that "just compensation" for CDBG or HOME Program acquired property (as determined by appraised fair market value) is paid with relocation benefits, if applicable.
- Provide for reasonable benefits to any person permanently displaced as a result of the use of CDBG or HOME Program funds to acquire or substantially rehabilitate property.
- Provide information about equal opportunity and fair housing laws in order to ensure that the relocation process does not result in different or separate treatment on account of race, color, national origin, religion, sex, disability, familial status or source of income.
- Contingent upon availability, displaced households may be provided assistance through Section 8, Conventional Public Housing or any other federally funded program for which they might qualify.

#### Temporary Displacement

CDBG or HOME Program funded activities may involve temporary displacement. While strict adherence to provisions of the Uniform Relocation Act are not specified, it is the policy of the Consortium that all subrecipients shall take steps to mitigate the impact of CDBG or HOME Program funded code inspections, rehabilitation, demolition or acquisition that results only in temporary movement of person(s) from a dwelling unit. Such temporary displacement primarily involves demolition and reconstruction of a single- family owner- occupied home or lead based paint abatement during rehabilitation of a residential unit. Accordingly, the citizens involved in a temporary movement shall be fully informed of the below matters and appropriate steps shall be taken to ensure that fair and equitable provisions are made to:

- Receive temporary living accommodations while their CDBG or HOME Program funded unit is being rehabilitated or demolished and reconstructed.
- Move and temporarily store household goods and effects during the rehabilitation or demolition and reconstruction project.
- Reimburse all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including moving costs and any increased rent and utilities.

### Assistance To Aliens

An alien who is not lawfully present in the United States is prohibited from receiving assistance under the Uniform Relocation Act, per 49 CFR 24.208, and assisted housing programs. Circumstances may dictate that determination that an alien is ineligible would result in exceptional and extremely unusual hardship to a spouse, parent, child who is a United States citizen. A final determination on the eligibility of the request will be made by HUD before any assistance is provided.
