Event Information

For Our City Day Chandler is an annual event that brings volunteers and residents together to build community and instill neighborhood pride. In just one morning, hundreds of volunteers will complete beautification projects for Chandler residents by cleaning up their front yards, painting their homes, spreading gravel, cleaning alleyways, and more, all for FREE! Last year alone, we served over 54 households, spread 98.5 tons of gravel, and painted 30 homes, but we didn't do this alone!

We are looking for sponsorships to provide gravel, paint, paint supplies, plants, food for volunteers, and the necessary tools to complete projects for all our program recipients. As we celebrate 13 years of making an impact through For Our City Day, we will end with a huge celebration in the neighborhood park. Where we will have free activities, food, resources, job fair and more for the community to enjoy. After projects are completed, volunteers, residents, and community members are invited to attend the culminating celebration. It will be a day to remember, and your sponsorship will make all the difference.

For more information on sponsorships, contact Neighborhood Programs at 480-782-4363 or neighborhood.programs@chandleraz.gov.

The Impact

"On behalf of my wife and I, we would like to thank the City of Chandler and all the people involved in the For Our City Day event held last Saturday, October 22nd, in Pepperwood. We had a lot of volunteers at the house, and it was painted in record time. It looks great, and we are very happy with it. Thank you for working with us and coordinating the event. It was a fun day."
