Champion Inclusion in Chandler – Sponsor the Chandler Golf Challenge

The Chandler Golf Challenge, hosted by the City of Chandler Mayor's Committee for People with Disabilities, is more than just a tournament—it's a celebration of inclusion and opportunity!

Thanks to the incredible support in 2024, we raised over \$18,000 to help make Chandler a place where **everyone** belongs. Here's how those funds made a difference:

- We hosted a Fun Run in partnership with CUSD, welcoming over 600 special education students and peers.
- We awarded college scholarships to local students with disabilities, helping support their academic journey.
- We recognized community leaders with six Disability Awareness Awards, honoring those driving positive change in Chandler.
- We helped raise autism awareness through a community screening of *In a Different Key*.
- We sponsored installation of sensory guides in six city recreation facilities and parks, making public spaces more accessible for individuals with sensory sensitivities.
