4. Acceptability of Insurers: Insurance is to be placed with insurers duly licensed or approved unlicensed companies in the State of Arizona and with an "A.M. Best" rating of not less than A- VII. City in no way warrants that the above-required minimum insurer rating is sufficient to protect Motor Carrier from potential insurer insolvency.

5. Verification of Coverage: Motor Carrier must furnish City with certificates of insurance (ACORD form or equivalent approved by City) as required by this permit. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements are to be received and approved by City before the permit is issued. Each insurance policy required by this permit must be in effect at or prior to commencement of this permit and remain in effect for the duration of the permit. Failure to maintain the insurance policies as required by this permit or to reasonably provide evidence of renewal is a material breach of this permit. All certificates required by this permit must be sent directly to the City of Chandler Solid Waste Division with a copy to Risk Management as the addresses listed in Section 3. The permit number and description are

to be noted on the certificate of insurance. At City's request, Motor Carrier must make certified copies of all insurance policies required by this permit available for City's review through a representative and at Motor Carrier's most proximate business location.

6. Approval: Any modification or variation from the insurance requirements in this permit must have prior approval from the Office of the City Attorney, whose decision will be final. Such action will not require a formal contract amendment, but may be made by administrative action.
