Through the provision of parks, open spaces, and protected natural environments, recreation can contribute to the environmental health of our communities. This is an essential, life-sustaining role.

The Living Tree Donation Program is a special donation program sponsored by the City of Chandler Park Development and Operations Division.

The donation of a tree is a wonderful testimonial to a life well lived or in celebration of a birth, wedding, anniversary, or any other special event. Family and friends will have a monument to visit and serve as a loving remembrance of a special person or life event, which will also provide beauty, shade, and landscaping for city parks.

How to Donate

You donate money towards the purchase of a tree(s) then you select one of the park options. The Division will arrange the planting of the tree, as well as the tree maintenance. As a Division policy we are not able to hold ceremonies, however, if family and friends would like to celebrate after the tree is planted, they may do so. In addition, due to the increased maintenance we do not allow the placement of decorations, notes, and/or ornaments on the tree.

Our staff will gladly work with you in selecting the tree and location in the park. After your tree is planted the parks division will maintain your tree, however please remember a tree is a living organism and can develop disease, is exposed to the weather elements and vandalism. If you notice your Living Tree has been damaged by weather elements or vandals, please contact the division immediately. We will take correct measures as soon as possible. If the tree develops a disease or is damaged, it may be necessary for the division to replace the tree.

With a donation of \$500, or greater, a 4"x7" cast bronze memorial plaque will be included and installed at the base of your tree. If your donation is less than \$500 you may provide an additional donation of \$167 for a plaque.

Complete the donation form on the back of this brochure. Make checks payable to "City of Chandler" and return it to the address provided.
