City of Chandler

2015-2016 Consolidated Annual Performance and Evaluation Report

What is the Consolidated Annual Performance Report (CAPER)?

As a recipient of federal funds from the US Department of Housing and Urban Development (HUD), the City of Chandler is required to publish an annual performance report detailing activities that took place during the most recent program year. The purpose of this report is to measure Chandler's success in meeting the priority needs, goals and strategies described in the City's Federal Fiscal Years 2015-2019 Five-Year Consolidated Plan. In addition, the CAPER describes accomplishments of General-Funded social service programs including activities funded with Acts of Kindness, Social Services Funding, Youth Enhancement Program (YEP) and Veteran's Transportation funds.

The City of Chandler has a robust program for neighborhoods fueled by strong Mayor and City Council support for neighborhood sustainability. This focus has led to a comprehensive approach to neighborhood revitalization and stabilization. The Neighborhood Resources Division partners with other City departments and outside agencies to provide residents and neighborhoods with assistance to help stabilize the community and individual homes, and assist families. Community Development Block Grant (CDBG) and HOME Investment Partnership Program (HOME) funds, combined with ongoing support from the City's General fund provide for a variety of programs that enhance neighborhoods.

HOUSING

Chandler funds housing improvements and housing affordability through a combination of Community Development Block Grant (CDBG) and Public Housing Program funds received from the US Department of Housing and Urban Development and HOME Investment Partnership Program (HOME) received through the Maricopa County HOME Consortium. HOME funding is also reported in the Maricopa County CAPER. General Funds may also be used to provide support services for individuals and families participating in housing programs or receiving housing assistance.

Community Development Block Grant (CDBG)

- Working with Habitat for Humanity, provided emergency Home Repairs for 46 homeowners - 14 extremely low-income, 16 low-income and 16 moderate-income homeowners.
- Through the City's Housing Rehabilitation Program rehabilitated 9 homes for Chandler homeowners - 2 extremely low-income, 4 low-income and 3 moderate-income. Made accessibility improvements for 3 low-income homeowners.
- Continued the housing counseling partnership with Newtown Community Development Corporation (CDC) to help potential first-time homebuyers to prepare for home purchase. Newtown CDC provided two homebuyer education classes for 40 participants and seven Community Land Trust orientations for 42 participants. An additional 199 Chandler residents completed an 8-hour online Homebuyer Course.

HOME Investment Partnership Program (HOME)

- Completed the development of five homes to low- and moderate-income first-time homebuyers in partnership with Newtown CDC and the Chandler Community Land Trust.
- Reconstructed one home for an extremely low-income homeowner through Habitat for Humanity.

Tenant Based Rental Assistance (TBRA)

- Served 24 households with direct rental assistance and security and utility deposits. Households also received case management services provided by Chandler Christian Community Center and Labor's Community Service Agency.
- Placed all HOME-funded TBRA clients on the waiting lists for permanent housing through Chandler's public housing and Housing Choice Voucher (Section 8) programs.
- Ten individuals participating in the program secured employment.

Public Housing

- Provided monthly rental assistance to 486 low-income households, many of whom are elderly or have special needs.
- Successfully managed 303 units of public housing.
- Utilized Capital Fund Program (CFP) grant funds to perform maintenance and repair activities at the City's public housing sites, including HUD-required energy audits, physical needs assessments and Section 504 disability accessibility planning. During the year, the Housing and Redevelopment division successfully used CFP funds for:
 - o Exterior painting of 84 buildings;
 - o Replacement of 33 air conditioning units;
 - o Sealcoating and restriping of parking lots;
 - o Re-roofing of 56 buildings;
 - o Replacement of exterior doors on 93 apartment units; and
 - o Volume purchases of 90 ranges and 107 refrigerators to improve energy efficiency.

City of Chandler

2015-2016 Consolidated Annual Performance and Evaluation Report

- Using CDBG funds, hired an architectural firm to design shade canopy structures at four Public Housing complexes.
- Encouraged public housing resident involvement in management and homeownership:
 - o Met with residents to secure their input into the public housing and Housing Choice Voucher annual administrative plan.
 - o Distributed 112 newsletters and e-mail blasts and quarterly scheduled staff-participant meetings.
 - o Held two meetings focused on job training and Dress for Success.
 - o Offered 5 financial literacy classes.
 - o Offered three first-time homebuyer workshops with Newtown Community Development Corporation.
 - o Offered 10 homebuyers online coursework for down payment assistance program.
 - o 27 Family Self Sufficiency clients prepared for future home purchase.
 - o 2 Family Self Sufficiency clients purchased homes.

HOMELESS ASSISTANCE AND PREVENTION

Addressing the needs of homeless families and individuals is a high priority of the City as identified through a City wide 2007 Human Services Needs Assessment. During FY2015-2016, the City provided CDBG support to five nonprofit organizations and General Fund support to 23 nonprofit organizations that offer shelter and services to homeless individuals and families and victims of domestic violence, and help people avoid homelessness. In addition to these programs, which are described below, during FY2015-2016, the City of Chandler:

- Continued the HOME-funded Tenant Based Rental Assistance program to help formerly homeless people attain housing and financial stability.
- Continued to provide the Chandler Interfaith Homeless Lodging Program (I-HELP), providing food and safe shelter.
- Supported regional Continuum of Care activities to serve homeless people, including hydration stations during summer months and participating in the point-in-time homeless street count to identify the number of homeless people who are sheltered and unsheltered on the day of the count.
- Continued the partnership with For Our City Chandler, which coordinates services offered by the City and non-profit organizations with the service resources of faith-based communities, employers, business groups, and others.
- A New Leaf – The East Valley Men’s Center (EVMC) – As the only East Valley shelter serving single, adult homeless men exclusively, EVMC maintains 84 shelter beds in a highly structured environment that requires each resident to remain sober, save money and make progress towards achieving self-identified goals for economic and social self-sufficiency. This unique program is free and provided 28 Chandler men with shelter and assistance finding and keeping gainful employment.
- A New Leaf – La Mesita Family Homeless Shelter is the only emergency shelter in the East Valley that delivers comprehensive services in a single location for homeless families with children. The shelter provided 32 Chandler families with emergency shelter and case management services for up to 120 days.
- Labor’s Community Service Agency—paid monthly utility costs for 23 Chandler individuals occupying transitional housing. The transitional housing program assists homeless families to address social and financial responsibilities, help children move up a grade level, and move from homelessness to permanent housing. Families in transitional housing work toward self-sufficiency, upgrading or maintaining long-term employment.
- Save the Family—Homeless Case Management provided housing and case management to 55 Chandler individuals, using assessment and case management based on the Critical Time Intervention (CTI) case management model. Families are housed in one of the agency’s 62 transitional housing units located throughout the East Valley. All clients are families in crisis who are homeless and have very low incomes. The goal of the program is to move families towards self-sufficiency and permanent housing. Clients work toward their self-sufficiency goals while maintaining full-time employment.
- Chandler Christian Community Center provided housing assistance and case management for current Tenant Based Rental Assistance clients and other homeless individuals seeking housing assistance. The program provided intervention and assistance for 77 individuals experiencing homelessness. Case management staff including referring individuals to behavioral health and detox facilities.

INTERFAITH HOMELESS EMERGENCY LODGING PROGRAM (I-HELP) EXPANDS SERVICES

Over the past several years Chandler has prioritized programs for homeless individuals and significantly expanded this effort through the Interfaith Homeless Emergency Lodging Program (I-HELP), an initiative of For Our City Chandler. I-HELP partners with faith-based organizations and community agencies to provide a safe place to sleep, a warm meal, and case management to homeless individuals. This thriving partnership model operated with 17 host sites and 15 food partners during FY2015-2016.

Homeless individuals who participate in I-HELP are able to enjoy a shower courtesy of the Chandler Clean Machine, which was completed in October 2014 pro bono by a team from McCarthy Building Companies. I-HELP collaborates with the Chandler Community Action Program (CAP) to assist with transition out of homelessness by providing first month's rent, utility payments, deposits, ongoing Case Management support, financial coaching, employment, and housing retention. Participants who require longer-term support are offered assistance through the City's HOME Tenant Based Rental Assistance program.

The Chandler program participates in the East Valley I-HELP Coalition whose partners use collaborative case management and utilize the Homeless Management Information System (HMIS) to record all participant data to reduce the duplication of services.

During the year, I-HELP:

- Provided 7,137 bed nights of shelter for 324 unduplicated guests.
- Distributed 1,721 bus passes.
- Received over 14,000 hours of volunteer support from community partners.
- 225 individuals engaged in case management of which 196 gained employment and 86 entered housing.

HOME Tenant Based Rental Assistance

The City of Chandler continued to use HOME funds to provide Tenant Based Rental Assistance for homeless individuals and families. During the year, 24 families and individuals received housing assistance and ongoing case management. During the year, the City continued to identify individuals and families who are seeking stable housing, the City's Public Housing Authority qualified families and individuals for assistance under the HUD regulations, inspects potential housing units to ensure they are decent and safe and then enters into a housing assistance payment contract with the landlord. Homeless individuals and families receive monthly rental assistance and supportive services for up to 24 months while they work towards self-sufficiency and housing stability.

PUBLIC SERVICES FOR NON-HOMELESS INDIVIDUALS AND FAMILIES, PEOPLE WITH SPECIAL NEEDS AND LOW-INCOME HOUSEHOLDS

Utilized CDBG funds to provide:

- Homework assistance, arts and crafts and recreation opportunities for 437 youth residing in Public Housing.
- Provided fair housing education to 40 individuals.

Provided over \$1.1 million in General Fund resources to programs that support families in crisis, provide services and assistance to special populations, and services for youth. The following types of programs were funded; more detail regarding General Fund programs is provided on page 21:

- Programs that provide for basic needs including health-related and transportation programs;
- Independent living programs that allow seniors to safely age in place, and persons with disabilities to live independently, including caregiver respite and support, home-delivered and congregate meals and nutrition programs, and supportive programs for grandparents raising grandchildren.
- Socialization, recreation and education opportunities to seniors or children and adults with disabilities to combat depression, maintain or improve functional living skills, aid in workforce readiness, improve physical health or enhance quality of life;
- Programs that provide transportation for veterans to veterans' service centers or other locales for low-income veterans.

For Our City Initiatives

The City staffs the faith-based coalition "For Our City", which partners with local nonprofits to meet community and nonprofit needs. Over 100 participating faith-based organizations help identify community services gaps and provide assistance to address those gaps.

Operation Back to School Chandler-For Our Students was a collaborative event held on Saturday, July 18, at Chandler High School. Over the course of this event, more than 2,500 students received backpacks filled with school supplies. In addition, shoes, socks and underwear were distributed, children received free haircuts and attendees had the opportunity to visit booths staffed by a number of nonprofit agencies to learn about their valuable services. The undertaking was a collaborative effort involving the City of Chandler, Chandler Unified School District, Chandler Christian Community Center, Fans Across America, various non-profit organizations, churches, business groups, and others in the Chandler area. Outreach for the event focused on Chandler's six Title I schools. All backpacks, school supplies, shoes, socks, and underwear were donated from individuals, families, service organizations, businesses and faith communities.

Operation Back to School Chandler 2015 Highlights

- Reached students from 90 schools & 6 non-profit organizations.
- Distributed over 1,000 uniform tops and 382 shoes.
- 32 non-profit and business partners provided books, activities, playing games and raffle prizes to families in need.
- St. Andrew the Apostle Church provided 108 haircuts to children.
- 423 individuals provided over 1,479 hours of volunteer service.
- Approximately 1,900 books went home with families.

NEIGHBORHOOD REVITALIZATION / COMMUNITY & ECONOMIC DEVELOPMENT CODE ENFORCEMENT

Code Enforcement Activities

During FY2015-16, CDBG funds were used to carry out a Code Enforcement program to identify properties that are not in compliance with City Ordinances and Regulations. The program worked to identify and arrest blight in low- and moderate-income neighborhoods and benefited a total of 1,700 households. This year 200 households were cited for having a code violation and of those cited, 197 homeowners worked to remedy their violation and restore compliance. The CDBG funded Code Inspector is working with the remaining homeowners to address their code violations.

Chandler's HOA Academy

In the Spring and Fall of each year, the City of Chandler hosts academies for both residents living in homes governed by a Homeowner's Association (HOA) and those not living in homes governed by a HOA. The HOA Academy is a 90-minute session that is widely attended by both Chandler residents and residents from other cities in the Valley of the Sun. The Chandler HOA Academy includes an overview of effective HOA management and pending HOA legislation. Academies held during FY2015-2016 focused on:

- Encouraging board members and the public to be educated about laws governing HOAs and individual HOA governing documents;
- Dealing with problems effectively;
- Owners to attend HOA meetings; and
- Communication between HOA boards and residents.

The Traditional Neighborhood Academy is a 2-hour session; during FY2015-2016 the Traditional Neighborhood Academy focused on:

- Establishing neighborhood boundaries and assessing the neighborhood;
- Developing neighborhood leadership and communication;
- Developing neighborhood identity and action planning; and
- Setting up a neighborhood meeting and inviting the appropriate City staff.

Housing Reconstruction Success

Angelita Gonzales has lived in her 1946, 640 square foot single family Chandler home for more than 40 years. Last fall, Angelita's dear husband passed away and suddenly her life changed in an instant. Her stress multiplied when she realized she would not be able to keep up with the repairs of a 70 year old house with failing plumbing, no central cooling. The home also had no heating, so she had to rely upon the kitchen stove to heat the house.

Angelita has fond memories of her Chandler neighborhood where her children grew up with many cherished childhood memories. She worried that she may have to move from the neighborhood to find decent and safe shelter and leave behind the bonds she created with her long time family and neighbors. Then she remembered her late husband had a business card from Habitat for Humanity about Chandler's Housing Reconstruction Program. Angelita contacted Habitat and the rest is history. Angelita is grateful for Habitat for Humanity and the construction sponsors who made the reconstruction of her home possible. She is also grateful for the City funding this wonderful program using HOME funds. Using HOME funds awarded to the City of Chandler, Habitat rebuilt the home to include 1,336 livable square feet, including 3 bedrooms and 2 baths. The home also includes a 2-car garage. With a 0% mortgage from Habitat and \$50,000 in "soft" HOME program financing from the City of Chandler, Angelita is in her new home and on her way to reclaim her life and independence.

City of Chandler 2015-2016 Consolidated Annual Performance and Evaluation Report

Volunteer Income Tax Assistance (VITA) Assists 1,860 Chandler Residents

The Volunteer Income Tax Assistance (VITA) Program provides free income tax assistance, banking services, and other resources by partnering with nonprofit agencies and businesses at five sites and one drop-off site. The City continued its partnership with the First Credit Union, Chandler CARE Center, Chandler Christian Community Center, Buddhist Tzu Chi Foundation, Hamilton Library, and Sun Lakes Country Club.

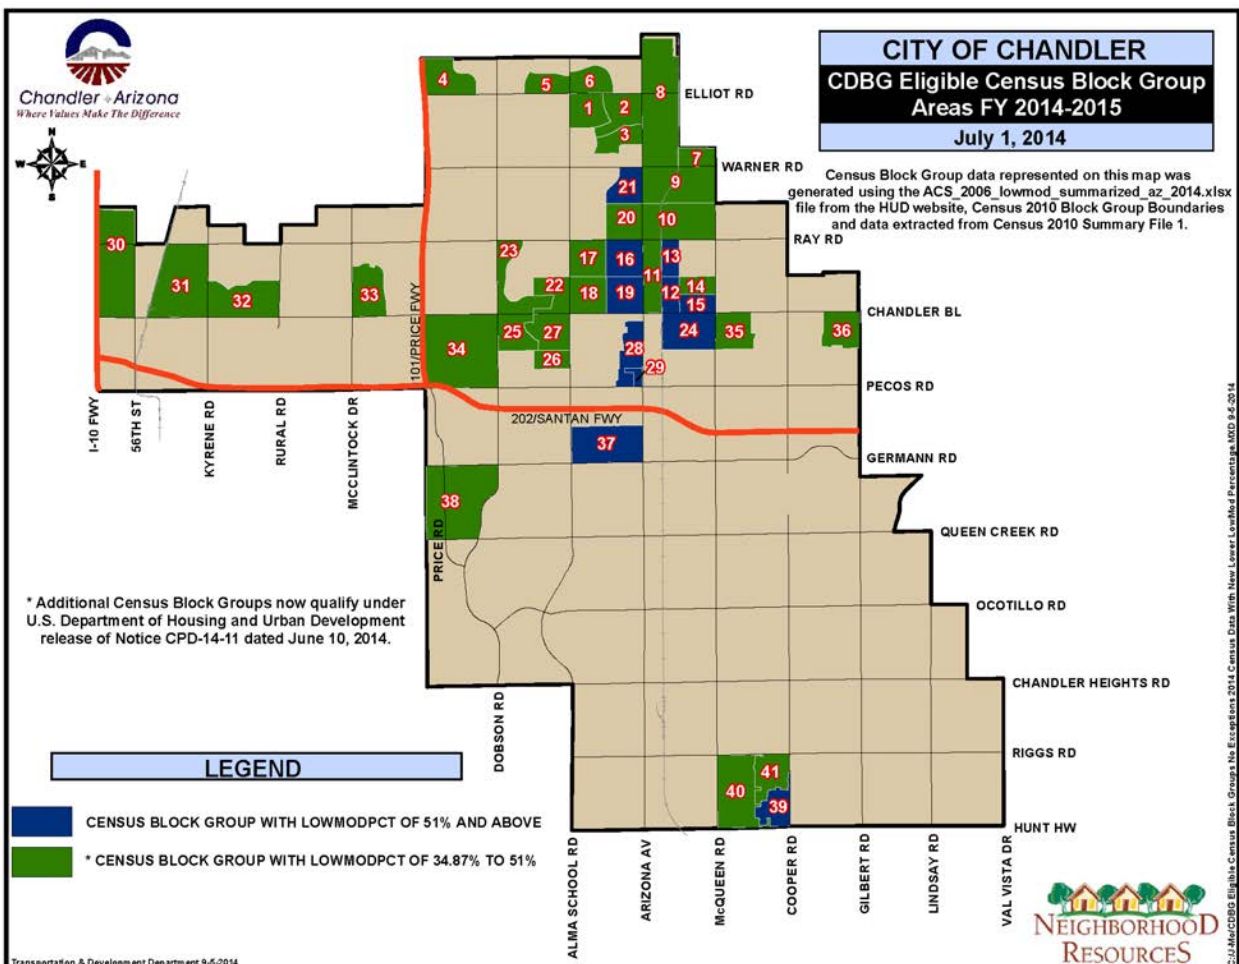

Chandler's VITA Program utilized 60 volunteers who donated over 4,500 hours to assist low-to moderate-income individuals/families, individuals with disabilities and elderly residents to obtain Earned Income Tax Credits, Child Tax Credits, Education Credits, and Dependent Care Credits. The program assisted 1,860 residents in filing their federal and state returns. This service resulted in refunds of approximately \$2.5 million, which saved taxpayers an estimated \$400,000 in tax preparation fees.

HUD Funds Prioritized to Areas North of the San Tan Freeway

The City of Chandler consists of approximately 71 square miles and shares boundaries with the Town of Gilbert, Cities of Mesa, Phoenix and Tempe, and the Gila River Indian Community. Chandler has reached its physical limits with the exception of a few remaining county islands.

Most of the City has developed during the past twenty years, yet the central City and several neighborhoods north of the San Tan Freeway (202) are long-established and have higher concentrations of low-income and minority households. There are 9 Census Block Groups where at least 51% of the population is low- and moderate-income and 32 where at least 34.57% of the population is low- and moderate-income. These are CDBG-eligible areas. CNSD has elected to target funds to areas north of the San Tan Freeway (202).

LEAD-BASED PAINT, MINIMIZING DISPLACEMENT, ADDRESSING REGULATORY BARRIERS & FAIR HOUSING ACTIVITIES

Addressing Lead-based Paint Hazards

Although only 3% of the City's housing stock is at risk of lead-based paint, the City educates and provides information to all recipients of federally funded housing programs on the hazards of lead based paint. Recipients of federally funded programs receive a copy of the manual "Protect Your Family From Lead Based Paint." All rehabilitation programs or projects that involve housing units constructed before 1978 include lead hazards testing and abatement in accordance with HUD's Lead Based Paint Regulation. In addition to providing manuals and testing for lead hazards, lead-based paint educational materials are made available to all residents at the Community Development Division and Public Housing Offices. Through a Request for Qualifications, the City sought firms qualified to perform lead-based paint inspections and risk assessments on behalf of the City for several CDBG funded programs including: Voluntary Demolition, Housing Rehabilitation and Public Housing Improvements. The City has a well-qualified vendor who conducts inspections of residential properties and public facilities to assess Lead Base Paint Risk and to provide clearance testing to certify the removal of the hazard found at the time of initial inspection.

Minimizing Displacement

City staff works with all programs and projects to identify alternatives to activities that may cause permanent displacement. To minimize displacement, the City follows a written Residential Anti-Displacement and Relocation Assistance Plan. The Plan states that the City will make reasonable efforts to ensure that CDBG and HOME activities will not cause unnecessary displacement. Displacement is avoided through careful consideration of possible displacement during the planning phase of a project. For example, the first-time homebuyer program acquires homes that are vacant or are a voluntary sale by the owner-occupant. Non-voluntary displacement of any nature is reserved as a last resort when no other alternative is available and the activity is necessary to carry out a specific goal or objective that benefits the public. During FY 2015-2016, the City temporarily relocated four owner-occupants to facilitate the completion of substantial rehabilitation. In accordance with City guidelines, moving assistance, storage and payment of temporary rent were provided.

Addressing Impediments to Fair Housing Choice

As a member of the Maricopa County HOME Consortium, the City of Chandler is part of the May 2015 Maricopa County Analysis of Impediments to Fair Housing Choice (AI). The AI identifies impediments to fair housing choice and suggests actions that Maricopa County and the participating municipalities can take to address those impediments. The Maricopa County AI identified five impediments, four of which are applicable to the City of Chandler. During FY2015-2016, Chandler took the following actions to address identified impediments:

Impediment #1: Lack of Accessible Housing/ Housing Discrimination against Persons with Disabilities.

- Made disability accessibility improvements when needed to housing rehabilitated through the City's Housing Rehabilitation program.
- Continued to require Section 504 compliance among CDBG and HOME-funded agencies to ensure persons with disabilities had access to housing services.
- Maintained Section 504 compliance in all City buildings and services.

Impediment# 2: Lack of Awareness of Fair Housing Laws.

- Provided fair housing information in English, Spanish and other languages through the City's Neighborhood Program Office and the Community Development and Public Housing/ Section 8 web pages for tenants, homebuyers and landlords.
- Provided CDBG funds to Chicanos Por La Causa to provide a Fair Education & Counseling program to educate and help residents who may have been discriminated against with referrals to the Attorney General's Office.
- Included copies of "Fair Housing, It's Your Right", "Ten Most Common Mistakes" and a City fair housing complaint form in Section 8 briefing packets.
- Proclaimed April 2016 as Fair Housing Month during a City Council meeting to raise awareness regarding Fair Housing laws.
- During Fair Housing Month (April 2016) displayed Fair Housing public service announcement slides on the City's cable channel.

Impediment #3: Cost of Affordable Housing Limits Housing Choice.

- Provided CDBG funds to Chicanos Por La Causa to make available a Fair Housing Hotline for Chandler residents who believed they or someone they knew experienced housing discrimination.
- Continued to provide public housing and Section 8 Housing Choice Vouchers to expand affordable housing opportunities.
- Assisted five first-time homebuyers to purchase quality affordable housing.

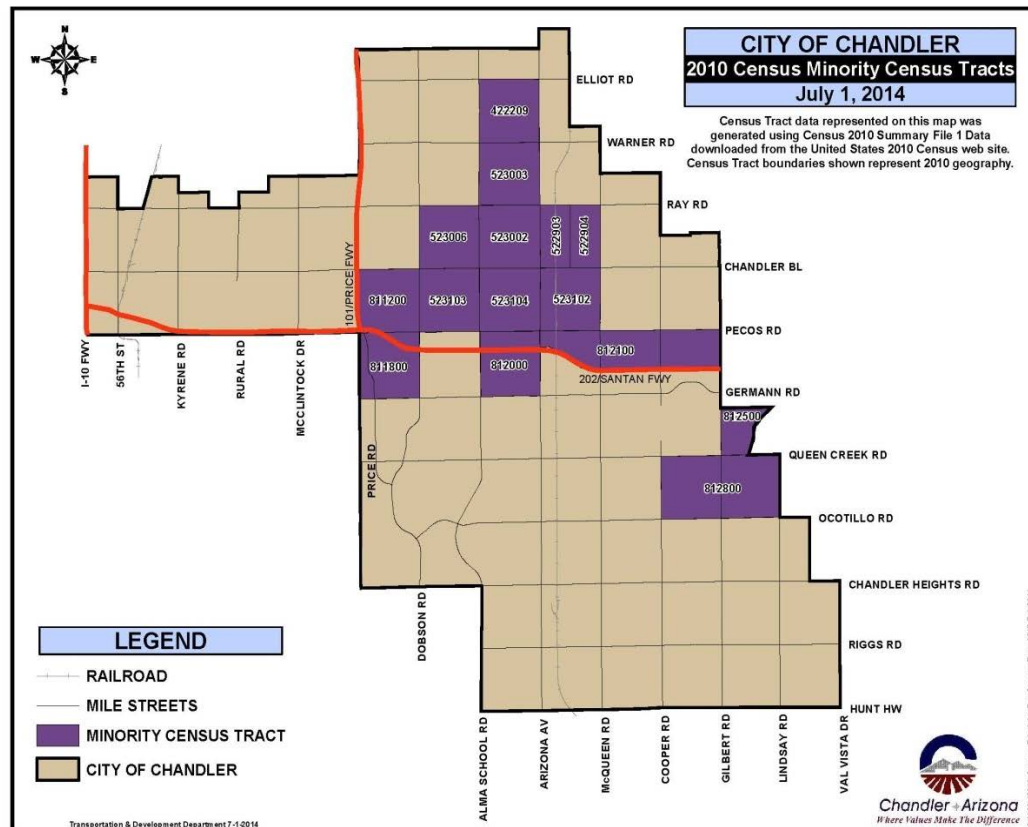

Impediment #4: Poor Financial History of Potential Homebuyers.

- Provided financial literacy and housing counseling and education to 239 Chandler households in cooperation with Newtown Community Development Corporation.
- Assisted two public housing residents to purchase a home by matching down payment funds; these first time homebuyers previously completed financial literacy and housing education and counseling courses.
- Provided financial literacy education and housing counseling and education opportunities to participants in the City's public housing and Section 8 Housing Choice Voucher programs.

AREAS OF MINORITY CONCENTRATION, CDBG ASSISTANCE TO MINORITIES & OUTREACH TO MINORITY AND WOMEN-OWNED BUSINESSES

Areas of Minority Concentration

Areas of minority concentration are those in which the proportion of minorities is 10% or more than the proportion of minorities as a whole. According to the 2010 Census, the total percentage of minorities as a whole is 26.7%. Consequently, those areas with a minority population of more than 29.37% are areas of minority concentration in Chandler. According to the 2010 Census, 15 Census Tracts meet the definition of areas of minority concentration. Portions of eight of the fifteen Census Tracts are areas where at least 51% of the population is predominantly low to moderate-income.

CDBG and HOME Assistance to Minorities

Table 5 - Race and Ethnicity of CDBG and HOME Funded Housing Program Participants in FY2015-2016 - Households

Race/Ethnicity	Total	White	Black	Asian	American Indian	Native Hawaiian / Pacific Islander	Other
Total Assisted	711	490	174	4	22	10	11
Hispanic/Latino	354	345	-	-	4	5	-

Outreach to Minority and Women-Owned Businesses

The City of Chandler has developed procurement procedures that facilitate opportunities for Minority Business Enterprises and Women Business Enterprises (MBEs and WBEs) to participate as contractors and suppliers of goods and services. The City's bid and contract language ensure a good faith effort to reach out to and utilize contractors and other entities that are owned by minorities and women to the maximum extent possible. The City has a method of identifying and maintaining an inventory of minority and women's business enterprises (MBEs and WBEs) and has developed procurement packets to provide opportunities for MBEs and WBEs. The City encourages sub-recipient agencies to outreach and utilize minority-owned and women's business firms whenever possible and provides technical assistance to sub-recipient agencies in locating and outreaching to minority and women-owned business firms for goods and/or services.

CITIZEN PARTICIPATION, PUBLIC COMMENTS, CDBG & HOME PROGRAM INCOME

Citizen Participation

The City of Chandler's Citizen Participation Plan includes a 15-day public comment period and public hearing for the CAPER.

For FY 2015-2016, the public comment period extends from August 5, 2016 through August 19, 2016. The City's public hearing will be held on August 11, 2016 at the City Council Chambers. In addition to commenting at the public hearing, citizens are invited to submit written comments.

The public hearing will be announced through an advertisement in the Arizona Republic and posted in public locations, including the City Clerk's office, the Neighborhood Resources office and at the main branch of Chandler Public Library. The public hearing notice will include the meeting location; date, time, key staff contacts, lists the topics to be considered and provides the beginning and ending dates of the 15-day comment period. The notice also includes information for citizens requesting accommodations for a disability. Public comments will be incorporated into the CAPER after the public comment period closes.

The draft CAPER is available for review at multiple locations including the Chandler Main Library, the Neighborhood Resources office, and the City's website at www.chandleraz.gov/communitydev.

Public comments received will be incorporated into the final CAPER.

CDBG & HOME Program Income

The City of Chandler offers 3 types of housing rehabilitation assistance to assist low- and moderate-income Chandler residents improve their living conditions and enhance the condition of the surrounding neighborhood, including: The Moderate Rehabilitation; Exterior Improvement Loan; and Home Modifications for Persons with Disabilities Programs. Program income is received by these programs through payments, from loans re-paid to the City or when a home is sold or transferred prior to the forgiveness period. During FY2015-2016, the City received program income from its housing rehabilitation programs:

CDBG-funded activities - \$11,673

HOME-funded activities - \$35,170

The City has 34 outstanding loans that require repayment of principal - the outstanding principal amount of these loans is \$1,335,100. Housing rehabilitation loans are due and payable in full if the property is sold, transferred or rented during the loan term. In some cases loans are forgiven over time. For example, participants in the City's Moderate Rehabilitation Program receive a zero interest loan of up to \$50,000, partially forgiven over the life of the loan. Payment terms of up to 15 years are determined by the loan amount and family's household income. A family with a household income of 51% - 80% Area Median Income (AMI) will repay 50% of the total loan. Households with an income of 31% - 50% AMI will repay 25% of the total loan amount. Households whose income is 30% or less are not required to make payments on their loans. If the family meets all terms of the loan requirements, the loan is forgiven at the end of the loan term. These deferred loans are secured by a Deed of Trust and carry other program restrictions. A loan may be assumed by a direct lineal descendent in the case of a borrower's death or incapacitation. If assumed, the terms and conditions of the original loan remain in place and the property must remain owner-occupied.

PROGRAM MONITORING AND PERFORMANCE ASSESSMENT

Program Monitoring

The goal of monitoring is to improve the delivery of services by ensuring that activities are carried out in accordance with administrative, financial and program requirements. Monitoring begins with a formal application process and pre-contract training. During the year, the City performs ongoing monitoring including fiscal audits, desk audits, agency risk assessments, and formal site visits.

As part of the application process, non-City agencies were required to submit information on fiscal and program capability, non-profit status, disability accessibility, and other requirements. Prior to contracting, the City conducted training sessions to explain program laws, regulations and requirements and City monitoring standards and procedures. The City also conducted pre-contract site visits.

Written agreements were entered into with both City and non-City agencies. Written agreements with non-City agencies included measurable objectives, monthly reporting requirements and reimbursement processes. City staff reviewed reports and source documents for accuracy, cost allowability and cost reasonableness prior to reimbursement.

Risk assessments were based on a desk audit utilizing a Program Performance Monitoring Checklist that includes:

1. Program Outcomes, including progress towards stated objectives.
2. Accessibility for disabled persons.
3. Fiscal Management, including Fiscal Audit Reports and Audit Management Letters.
4. Procurement procedures and documentation.
5. Program/Client Records, including target population served, and verification of compliance with national low/moderate income objective.
6. Board Operations, including Board membership lists, and Board member backgrounds.

After completing the risk assessment and identifying areas for review, staff coordinated site visits. At the formal site visits, staff conducted an entrance discussion with key agency staff and reviewed:

- Disability accessibility compliance, including the agency's self-evaluation, disability accessibility policy and program documents. City staff also inspected the facilities for compliance.
- Fiscal records, including transactions, procedures, internal controls, agency wide financial statements showing budget variances, and regular review of financial statements by the agency governing board.
- Procurement policies and practices, including MBE/WBE outreach, bidding processes, and cost reasonableness and allowability testing.
- Board meeting minutes to verify the Board's involvement in governance and knowledge of CDBG and/or HOME regulations.
- Following review, City staff conducted exit conferences to discuss preliminary findings and concerns and later prepared and delivered formal monitoring letters. The City then followed up to ensure that corrective actions were addressed.

Performance Measurements

The City requires sub-recipients to include a performance measurement strategy in their funding proposals to demonstrate that proposed services will enhance the lives of City residents. Each strategy quantifies the long-term and short-term goals, activities, outputs and outcomes. The data collected includes client demographics, the number of individuals and households that will be served, and annual units-of-service that help the City to keep track of progress towards 5 year Consolidated Plan goals and to report program performance to HUD.

Funded agencies provide monthly performance reports along with their request for reimbursement to demonstrate progress made toward their goals and objectives, allowing the City to continuously monitor and evaluate progress and provide technical assistance to mitigate any unforeseen barriers or challenges. The results of these reports are summarized in the following tables.

The Financial Literacy program lessons will prepare 250 elementary youth for the expectations they will meet in the real world and give them the skills they need to be self-sufficient by progressive classroom lessons taught by business professionals.

Junior Achievement of Arizona - JA BizTown

Recommendation: \$23,000

Proposed number to be served based on recommendation: 396

The BizTown program will teach Chandler youth, grades 4 to 6, about business, financial literacy, and workforce readiness through 22 classroom lessons taught in their schools, culminating with a full-day simulation activity designed to put the skills learned into practice in a fully functional, simulated town.

Kyrene Foundation – Kids Club Scholarship Program

Recommendation: \$5,000

Proposed number to be served based on recommendation: 7

The Kyrene Kids Club Scholarship Program provides tuition scholarships at 25-50% off the yearly tuition for the Kyrene School District's school age before and after school programs.

Kyrene Foundation – Kyrene Family Resource Center

Recommendation: \$5,000

Proposed number to be served based on recommendation: 250

The Kyrene Family Resource Center will provide 125 families with children basic needs such as children's clothing, food boxes, household items, diapers, vouchers for prescription medications and eye glasses, along with support services such as family counseling, case management for homeless families, free parenting classes, and other services.

Si Se Puede Foundation - Scholars Program

Recommendation: \$15,000

Proposed number to be served based on recommendation: 50

The Scholars Program will provide 30 underserved Chandler youth an eleven week "boot camp" facilitated by university and college educators, created to give the students access to resources to apply for scholarships and financial aid to attend college, as well as provide them with techniques and strategies for surviving the rigors of college to graduate, and increase parental support during their educational career.

Si Se Puede Foundation – STEM Robotics Program

Recommendation: \$23,000

Proposed number to be served based on recommendation: 80

The Robotics Program will provide 56 Chandler students with access to science, technology, engineering, and math resources to further their opportunities for higher education.

Southwest Human Development – Birth to Five/Fussy Baby

Recommendation: \$7,000

Proposed number to be served based on recommendation: 134

The Birth to Five Helpline/Fussy Baby program will provide Chandler residents with a toll-free helpline for parents and caregivers of children ages birth to 5, and individualized support, resources, and home visits on a full range of early childhood topics.

STEM Robotics - Collaboration with Si Se Puede and Boys & Girls Club ©

Recommendation: \$8,000

Proposed number to be served based on recommendation: 20

This program will serve 17 Chandler youth, ages 8-14 at the Boys and Girls Club Compadre Branch. The youth will be exposed to Science, Technology, Engineering and Mathematics by planning, designing and constructing lego robots. The program will teach the importance of scientists and engineers in the national and global economy.

ATTACHMENT 1 – CDBG PROGRAM CAPER REQUIREMENTS

HUD requires that all CDBG recipients provide an overview of the results and impacts of the CDBG Program. Activities funded and progress made towards expending funds and meeting goals are described throughout this report.

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The City identified nine high priority needs in its FY2015-2019 5-year Consolidated Plan – housing rehabilitation; acquisition, rehabilitation and resale to first-time homebuyers; tenant-based rental assistance; emergency shelter; support services and case management for people experiencing homelessness; meeting basic needs of Chandler residents; community park and facility improvements; infrastructure; and code enforcement – and all high priority needs except infrastructure were addressed using either CDBG or HOME funds. The City utilized HOME funds available through the Maricopa County HOME Consortium to fund tenant-based rental assistance and acquisition, rehabilitation and resale activities during the fiscal year, while all other high priority activities were addressed using CDBG funds. The City's ability to meet its goals and address high priority needs is largely dependent on receiving CDBG eligible proposals.

Discuss the difference between affordable housing goals and outcomes and problems encountered in meeting these goals. Discuss how these outcomes will impact future annual action plans.

The City met or exceeded its annual affordable housing goals with the exception of making disability accessibility improvements to owner-occupied homes. The City provided CDBG funds to a nonprofit organization to make improvements and the nonprofit organization was ultimately unable to comply with CDBG program requirements. Funds dedicated to this activity will be reprogrammed to the City's Housing Rehabilitation program, which also serves people with disabilities. This challenge will not impact future annual action plans.

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City received additional leverage resources to implement grant programs. Local sources include the Acts of Kindness (AOK), Social Services Funding (SSF), and Youth Enhancement Program (YEP). Together these programs addressed the needs of 51,220 Chandler residents.

Matching fund requirements for the HOME program were met through individual development account funds provided to first-time homebuyers participating in the acquisition, rehabilitation and resale program.

The City does not have publicly owned land or property available to address the needs identified in the plan.

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The City did not make any changes in program objectives. There are no planned changes to programs as a result of the City's experiences.
