

**GOAL Area: Education, Arts, and Community (*Create equitably shared prosperity and access to quality jobs*)**

**Chandler received 41.1 points out of 70. Chandler's contribution to education, arts and community include:**

- **Adopted a Percent for Arts ordinance whereby one percent of limited capital improvement projects, new buildings and parks, is allocated for the acquisition, commission, and installation of public art.**
- **The City has a Special Events Sponsorship Program that awards financial grants to local non-profit organizations interested in holding special events in Chandler that serve the public and provide cultural and educational enrichment, celebrate our unique diversity, history and heritage or help enhance pride and a sense of community.**
- **Chandler's arts and cultural facilities such as the Vision Gallery, McCullough-Price House and Center for the Arts are accessible to people with disabilities.**
- **Chandler's Neighborhood Programs Office organizes neighborhood meetings, conduct surveys and works with residents to develop action plans to address resident issues and concerns.**
- **We partner with For Our City-Chandler to identify and coordinate service needs in the community with the service resources of church groups, neighborhood organizations, employers, business groups, and others.**
