

**GOAL Area: Innovation and Process**  
*(This category provided “extra credit” to supplement those areas of the STAR rating system that were unattainable, difficult, or not a local priority)*

**Chandler received 20 points out of 50.**

- Chandler received 10 credit points for our development standards.
- Chandler received 10 points for being one of the few communities in the country to have several City departments nationally accredited, including our Police, Fire, Transportation & Development, Municipal Utilities and Financial departments.
