                         Introduction and Tentative Adoption of Ordinance No. 4182

**Request:**            City initiative to amend Chapter 39 (Sign Code) of the Chandler City Code, by amending Section 39-10 (Temporary Signs), temporarily amending/adding language within this section pertaining to certain types of temporary signage

**Applicant:**        City of Chandler

**RECOMMENDATION**

Upon finding consistency with the Chandler General Plan, Planning Commission and Staff recommend approval of a Zoning Code amendment as set forth in the attached Draft Ordinance No. 4182 (Exhibit "A"), pertaining to certain types of temporary signage.

**BACKGROUND**

Per Council direction received at the August 27, 2009 City Council hearing, the proposed Ordinance No. 4182 has been drafted and is intended to temporarily amend Chapter 39 Section 10 (Temporary Signs) of the Chandler City Code by adding and/or amending language within this section pertaining to certain types of temporary signage. This proposed Code amendment is intended to provide temporary relief from the Sign Code in an effort to assist Chandler's residents and businesses during these difficult economic times. The proposed Code amendment is not intended to be permanent, and in fact includes a proposed sunset date of June 20, 2010, at which point the City can evaluate the market conditions in consideration of an extension.

The attached proposed Ordinance contains six sections for consideration. Bold text indicates a proposed amendment. Section 1 (39-10. Temporary signs) expands the language within introductory paragraph to more clearly identify the types of Temporary Signs that are prohibited by Code unless authorized by further sub-sections. Section 2, regarding sub-section 39-10.6 model home signs, increases the maximum permitted sign size from four (4) square-feet to six (6) square-feet, requires the sign be constructed of a solid non-flexible material, prohibits 'A'-frame signs, and clarifies that a sign permit is not required. Section 3, regarding sub-section 39-10.7 open house signs, increases the maximum permitted sign size from four (4) square-feet to six (6) square-feet, increases the maximum number of signs from three (3) to four (4), requires the sign be constructed of a solid non-flexible material, clarifies that 'A'-frame open house signs are permitted, as well as clarifies that a sign permit is not required.

Section 4, regarding sub-section 39-10.9 real estate signs, increases the maximum permitted sign height for residential real estate signs from five (5) feet to six (6) feet and increases the maximum sign size from ten (10) square-feet to sixteen (16) square-feet. For property zoned for commercial or industrial uses, the maximum size for a real estate sign is increase from ten (10) square-feet to sixteen (16) square-feet for parcels containing two acres or less. The maximum real estate sign size permitted for parcels containing more than two acres will remain unchanged. Finally, Section 4 clarifies a sign permit is not required for residential real estate signs, however a permit is required for property zoned for commercial or industrial uses.

Section 5 creates a new sub section for the Code (39-10.10 Significant event sign) by identifying, defining, and regulating Significant Event Signs for uses other than residential. Chandler's current Sign Code only permits Grand Opening signs, and does not permit signs for events such as a special sale, an anniversary, change in management or the like. The new sub-section identifies example significant events, regulates the size, location and duration of use (maximum 21 cumulative days within a six (6) month period), as well as the required administrative fee for the signs. It is important to note that many of Chandler's neighboring cities have provisions for these types of signs within their respective sign codes.

Finally, section 6 addresses the sunset date for the proposed Ordinance of June 20, 2010.

#### **NOTIFICATION**

As required by the Arizona Revised Statutes, hearing dates for Planning Commission and City Council, as well as the complete text of the draft Code amendment, have been published in the newspaper at least fifteen days prior to the first public hearing for Planning Commission. Additionally, Staff provided copies of the draft Ordinance to the Economic Development Advisory Board members, as well as the Chandler Chamber of Commerce for review and comment. A presentation to the Chandler Chamber of Commerce Public Policy Committee was held on Friday September 11, 2009.

#### **PLANNING COMMISSION VOTE REPORT**

Motion to approve:

In Favor: 7    Opposed: 0

Staff received positive feedback from Planning Commission during the public hearing. Planning Commission felt that two sections of the proposed Ordinance should not 'sunset' on June 20, 2010. Planning Commission commented that Sections 1 and 5 are positive additions to the Sign Code that are not necessarily a response to a market condition, where Sections 2-4 are intended to relax the restrictions temporarily in an effort to assist our community. Planning Commission forwards a recommendation to either, modify Section 6 (sunset date) to only pertain to Sections 2-4, or upon the sunset date, bring forward a separate Sign Code amendment to permanently codify Sections 1 and 5.

**RECOMMENDATION**

Upon finding consistency with the Chandler General Plan, Planning Commission and Staff recommend approval of the Zoning Code Amendment as set forth in the attached Draft Ordinance No. 4182 (Exhibit "A"), pertaining to certain types of temporary signage.

**PROPOSED MOTION**

Move to approve ZCA09-1001 TEMPORARY SIGNAGE, Zoning Code Amendment pertaining to certain types of temporary signage as set forth in Exhibit "A", as recommended by Planning Commission and Staff.
