Grading at Owner's Risk Permit Disclaimer

It is hereby acknowledged that this application for a grading at owner's risk permit is made prior to plan approval and is done solely at the risk of the owner. Any changes required by the plan review process will be complied with by the owner at his expense. Owner hereby agrees to hold the City of Chandler harmless from any and all actions of any kind which result from the issuance of this permit.

The Phase I Environmental Site Assessment Report (if required) must be reviewed by the environmental program coordinator prior to permit issuance. The permit will not be issued until required percolation tests are submitted. To initiate the Grading at Owner's Risk permit process, submit the following items at the Development Services Civil counter:

1. Permit application clearly indicating GRADING AT OWNER'S RISK.
2. Percolation test results.
3. Certificate of Quantities.
4. Permit fee - due when permit is issued (\$97 application fee + \$68.62 per acre).
5. Permit Disclaimer form with the original signature of the owner.
6. Two sets of 24" X 36" preliminary grading plans.
7. A.D.W.R. "Standard Method" well abandonment application.
8. Erosion and sediment control plan/N01
