

May 10, 2018

Subject: 2018 Standard Details, Specifications and Technical Design Manuals

Please be advised, effective May 10, 2018, all **new** improvement plan submittals will be subject to the May 2018 updates to the Standard Details, Specifications and Technical Design Manuals (TDM's) and the 2018 revisions to MAG Specifications and Details. See the attached Change Summary 2018.

For improvement plans currently in review, use of these new standards is at the discretion of the contractor/engineer.

Revised and current manuals can be downloaded from the Unified Development Manual website: <http://udm.chandleraz.gov> or purchased in hard copy format from the Development Services front counter at 215 E. Buffalo Street.

If you have further questions, please contact Warren White at (480) 782-3337.

Sincerely,

John Knudson, PE
Public Works & Utilities Director\City Engineer
