

WaterSaver Newsletter

Free Landscaping & Watering Tips Delivered to Your Inbox

Sign-Up Now

We're excited to offer expertise on landscaping and water conservation measures through Chandler's WaterSaver eNewsletter.

Every month, topics on horticulture and irrigation are highlighted such as:

Seasonal articles to benefit homeowners and property managers.

- The "Plant of the Month" focuses on easy-to-grow desert-adapted perennials that will survive our brutal summer heat and salty soils.
- Keep up with free landscaping and irrigation classes and what's happening in the local gardening community with "Upcoming Events."
- "Water Wise Tips" provides sage advice on creating a lush landscape that also saves water.
- "Ask a Garden Goddess" addresses basic gardening questions like why leaves change color in Fall or which insects are beneficial.
- And, of course, we deliver monthly watering advice appropriate to our region in the Sonoran Desert.

Just click on the 'Sign Up Now' icon above.

We respect your privacy and will not share your information with others unless required by law.

Published by the City's Water Conservation office, the WaterSaver eNewsletter is just one more way we're providing Chandler utility customers with inspiring ideas at a reduced cost.
